**Privilege Just to Be Here** Emma Sasaki, 2024-06-04 This debut novel pulls at the threads in the cashmere sweater of academia in a witty take down of racial inequality at prep schools perfect for fans of *Such a Fun Age* and *Little Fires Everywhere* Wesley Friends School is Washington DC's most prestigious prep school so of course Aki Hiyashi Brown is proud to teach at it and send her daughter Meg there Why wouldn't she be proud Parents kill to have their kid enrolled at Wesley Not only is Wesley the premier academic destination for the children of the capital elite but it's all about Diversity Achievement Collegiality as all of their very glossy brochures will tell you Aki should know As one of the few teachers of color on staff her face is plastered on every piece of marketing material the school puts out But when someone graffiti's Make Wesley White Again on campus it exposes dangerous fault lines in the school community ones Aki may have spent a lifetime learning to ignore But her headstrong daughter Meg and Meg's similarly impassioned classmates aren't willing to let slide Before Aki can sort out her own feelings about the hate crime the school's administration jumps into crisis management mode and assigns Aki as head of the Racial Equity Task Force a cobbled together initiative that has a big name and little actual power Between hasty changes to the curriculum and an anonymous instagram account documenting a history of

racism on campus Aki finds herself caught in the crossfire Written with the keen eye of a prep school insider It s a Privilege Just to Be Here is a piercing takedown of the American institution of prep schools and a searing perspective on the growing tensions between generations with different ideas of how to fight for what you believe in Autonomy, Accountability and Social Justice Amanda Keddie, Martin Mills, 2019-04-10 Autonomy Accountability and Social Justice provides an account of recent developments in English state education with a particular focus on the academisation of schooling It examines how head teachers teachers and others working in diverse education settings navigate the current policy environment The authors provide readers with insight into the complex decision making processes that shape school responses to current educational agendas and examine the social justice implications of these responses The book draws on Nancy Fraser s social justice framework and her theorising of neoliberalism to explore current tensions associated with moves towards both greater autonomy for and accountability of state schooling These tensions are presented through four case studies that centre upon 1 a group of local authority primary schools 2 an academy chain 3 a co operative secondary school and 4 an alternative education setting The book identifies the emancipatory possibilities of these approaches amid the complex demands of autonomy and accountability seizing English schools Informed by a consideration of market parameters and social protectionist ideals this examination provides rich insights into how English schools have emancipatory capacity Autonomy Accountability and Social Justice makes a major theoretical contribution to understandings of how the market is working alongside the regulation of schooling and the implications of this for social justice By drawing on the experiences of those working in schools it demonstrates that the tensions associated with autonomy and accountability within the current education policy environment can be both productive and unproductive for social justice **Lead Like the Legends** David Steinberg, 2016-01-22 Based on the popular presentation of the same name Lead Like the Legends uses the inspiring words of musical legends to help teachers and administrators learn the principles of effective leadership The book is organized around 14 musical greats including Ray Charles Duke Ellington Marian Anderson Carlos Santana The Beatles Bob Dylan and Louis Armstrong As you examine the words of wisdom from these artists you ll learn the keys to strong leadership such as being sincere accepting no limits leading with imagination leading by participating being daring and high energy using teamwork and being yourself Each chapter includes motivational stories and examples from school leaders across the country as well as reflection activities self assessments and planning tools to help you implement the ideas Whether you re a teacher looking to enhance your skills or an administrator in charge of managing a school or district you ll come away from the book with fresh ideas and inspiration to help you on your journey **Great Teachers** Great Britain.
