Leadership Lessons Inspired by Moses Vinnie Venturella,2023-01-03 A man of destiny Moses was born to lead a nation through impossible situations despite not starting his primary mission for eighty years Leaders and leadership are found everywhere past and present There are great examples everywhere you look if you know what to look for There are differences as well as commonalities in all leaders that we study Moses is a phenomenal example to learn from He is one of the most mentioned characters in the Old and New Testaments God held Moses in the highest regard over all other prophets and he was the only prophet to speak to God face to face Born in the most inauspicious of environments under a death warrant by Pharaoh raised as an Egyptian for his first forty years Then Moses escaped to the furnace of the Midian wilderness where I believe his leadership character and humility were honed for his God given mission that would last the rest of his lifetime His final forty years was as unquestioned leader of the Israelites out of Egyptian bondage to the precipice of the promised land Studying the inspired leadership lessons of a man who lived one hundred and twenty years is as formidable as it is thrilling This journey will be enlightening exciting and energizing **Focus On: 100 Most Popular**

infant you are just finding out that parenting is not just a job it s a full time round the clock profession for which there is no pay I find it hard to believe that we actually get more training for the job of birthing the baby than we do for the profession of raising the child Almost all parents attend a course that lasts about eight weeks in order to learn about childbirth which takes an average of eight to fifteen hours from start to completion And you have a team of experts there with you throughout the entire process Then comes the day you take the little bundle home You are given a gift pack from the hospital and sent on your merry way to spend the next eighteen years guessing what to do next I believe this job is too important to leave up to chance For a child is a gift from God much more important than a gift to be placed on a shelf and forgotten all about Raising a child is an enormous responsibility and parents must take this responsibility seriously or face the consequences of not doing so Therefore I urge you to take the time to read this book I hope as you begin to walk down the path of parenting another human being the most important and incredible journey you will ever experience in life you will not forget the lessons learned from A to Z
