The 2016 Republican Presidential Candidates Coloring and Activity Book Sonya Saturday, 2015-12-16 The 2016 Republican Presidential Candidates Coloring and Activity Book is the HOT new thing rockin The Hill This book is over 40 pages of Conservative fun for the whole family It s filled with creative activities clever puzzles and respectable portraits of more than a dozen of your favorite Republicans And guess what kids The book even has inspiring quotes from the candidates themselves You ll be surprised amused and maybe just maybe even more proud of the Greatest Nation on Earth by which I mean the USA This is a work of political and social satire Likenesses of individuals are not meant to imply endorsement

Broken Scales Tom Diaz, 2021-10-15 Humans are a species that classifies We arrange the flow of the things and events that we see and experience place them into categories and erect boundaries around those categories Among the boundaries that we erect are those that we put around groups of other human beings The evil side of human classification of other human beings is that we sometimes create false categories of other people as is often the case in racial ethnic and religious stereotypes This unmindful creation of empty categories of human characteristics is what happened during two periods crucial to the construction of race in America This is racism The United States is in a period of deep cultural flux and conflict much of it seen through the lens of race Tom Diaz proposes that the everyday actions of ordinary people in the context of extreme political and cultural polarization distort the criminal justice system and betray the lofty ideals expressed in American founding documents and centuries of Anglo American articulations of basic human rights These everyday actions range across a spectrum from the armed intervention of private citizens in the forms of individual action neighborhood watches and citizen s arrests to the expectations imposed on law enforcement in particular and the criminal justice system in general

Asymmetric Politics Matthew Grossmann, David A. Hopkins, 2016 The Republican Party is the vehicle of an ideological movement whereas the Democratic Party is a coalition of social groups with concrete policy concerns Democrats prefer a more moderate party leadership that makes compromises whereas Republicans favor a more conservative party leadership that sticks to principles Each party finds popular support for its approach because the American public simultaneously favors liberal positions on specific policy issues and conservative views on the broader role of government

2016 Presidential Campaign Coloring Book Clinton R Trump, Ploppie McCrapperson, 2015-10-16 2016 Presidential Campaign Coloring Book This is more than just an Adult Coloring book Much more At the heart of everything we do as humans we have politics Whether or not we may follow the ups and downs of the presidential election it s arguably the biggest and most revered election process in the world Sure you may think that all of the candidates are talking heads little more than poo slinging puppets with the hands of their donors shoved so far up their collective backsides that you can actually see their fingers when the candidates talk and you re probably correct to an extent The common man doesn t run for president of the United States of America And even those extremely idealistic patriots who may start down a long path of

political idealism eventually find their hopes and ambitions eroded by the realities that a life of politics does This book will allow you to take out your frustrations celebrate your victories lament your defeats and share in the ups and downs of the election process So without further ado let s have a little fun **Ted Cruz Is Running for President!**

Smerdloff,2015-06-30 The 2016 Presidential campaign is underway and with so many candidates to choose from what better way to keep informed than with a coloring book Yes Ted Cruz is running for President But just who is this Ted Cruz fellow Where s he from Where s he going Where does Ted Cruz stand on the issues Does Ted Cruz love America How much Is Ted Cruz really the guy we want to spend the next four years with Do you want to have a beer with Ted Cruz And does Ted Cruz want to have a beer with you The answers to these questions and much much more in Ted Cruz is Running for President The 2016 Presidential Election Coloring Book Series will feature separate coloring book editions for every declared candidate Collect them all 1985, □□□□□ □□□□□□□□ **Trump 2016** Tom O'Leary,2015-07-31 Color your way through 20 of Donald

principles McCain also had a media reputation as a maverick for his willingness to disagree with his party on certain issues After being investigated and largely exonerated in a political influence scandal of the 1980s as a member of the Keating Five he made campaign finance reform one of his signature concerns which eventually resulted in passage of the McCain Feingold Act in 2002 He was also known for his work in the 1990s to restore diplomatic relations with Vietnam and for his belief that the Iraq War should have been fought to a successful conclusion McCain chaired the Senate Commerce Committee and opposed pork barrel spending He belonged to the bipartisan Gang of 14 which played a key role in alleviating a crisis over judicial nominations

The Anti-trump Coloring Book Mike Browne,2016-11-09 The Anti Trump Coloring Book was created during the 2016 election If you remember slowly but surely many Republican candidates entered the contest I started to draw them The list grew to Jeb Bush Ben Carson Ted Cruz John Kasich Jim Gilmore Marco Rubio Donald Trump Rick Perry Scott Walker Bobby Jindal Lindsey Graham George Pataki Jim Gilmore Mike Huckabee Rick Santorum Rand Paul Carley Fiorina Chris Christie I drew them at first not knowing how I ll use them The intent was to make a therapy book for after he lost then he won Dang I added a final page with James Comey using the final dagger and renamed the Trump Therapy Coloring Book for the Cure of Trumpitis to The anti Trump Coloring Book Obviously by the title you would assume the author was not a Trump fan Admittedly I used to be I watched the Apprentice and got a kick out of his persona I knew it

was an act he was the all knowing genius When the show became the Celebrity Apprentice the goal was to call your rich friends and gather money He had people like Meat Loaf and Gary Busey battle it out to open a neighborhood cupcake stand It was very impressive I always had the thought he was aiming at the Presidency He crapped on a gold toilet in buildings with his name on it He felt glory in making President Obama prove he was born in the US Instead of celebrities he will attach himself with has been politicians and family members Personally I am offended by his words actions and victory by transforming politics into a glorified smear campaign to win an election that he clearly doesn't have the temperament to run Nothing he says can be trusted because he denies video tape and logic We will be dependent on the likes of his family and former Vietnam veterans to keep us out of WWII He promises he can end ISIS OK let's see it Oh ending Healthcare and deporting millions carries more weight I loath at the thought of watching him fake his way through a term Personally I will treat news of him like the Kardashians Quick mute or fast forward My coloring book started early in the election I drew different candidates After about twelve I stopped A month before the election I got pissed The book was drawn and assembled over about 30 days The back cover is a WHERE S WALDO type poster I drew of a grammar school many years ago I tagged existing character with names of 2016 candidates I also got the idea to use QR codes If you use your cellphone and a free reader you'll see a reference article reminding you why I made the drawing After time the details get fuzzy The QR codes are like notes
