Forster, 2014-12-17 Six short stories spotlight journal and magazine fiction published by Forster from 1900 to 1911 These tales exhibit the first traces of Foster's witty and elegant style as well as his profound humanism *Edith Wharton The Dover Reader* Wharton, Edith, 2015-01-14 Born into wealth and aristocracy Edith Wharton 1862 1937 was a member as well as an observer of fashionable New York society Aspirations to authorship consigned her to outsider status among the idle rich nevertheless she drew upon her privileged social position to create witty and psychologically insightful novels and short stories about people from all walks of life This well rounded introduction to Wharton's works features the complete text of her Pulitzer Prize winning novel *The Age of Innocence* as well as her haunting novella *Ethan Frome* Several excerpts from her highly influential guide to interior design *The Decoration of Houses* offer samples of Wharton's nonfiction style The collection also includes four short stories as well as several poems Jeremy Brett - Playing a Part Maureen Whittaker, 2024-09-23 Holmes could be rude impatient abrupt and his intolerance of fools was legendary I tried to show all this all of the man's incredible brilliance But there are some cracks in Holmes's marble as in an almost perfect Rodin statue And I tried to show that too It's difficult for me to say what I may have given to the image of Holmes Faithful to Conan Doyle's text certainly Also I've tried to bring out the emotion that is there in Holmes On the surface he seems a cold sometimes dark rather off putting figure But deeper down I think he's a man of feeling Jeremy Jeremy Brett is still recognised as the most celebrated incarnation of Sherlock Holmes which he presented for ten

years Jeremy delighted viewers with his dashing arrogant moody interpretation of the most popular famous detective he brought a brooding intensity to his finest role one of disturbing power He is still called the definitive Sherlock Holmes Covering a forty year period from first leaving Central School of Speech and Drama until his early death at the age of 61 Playing a Part is a full career book of a very fine actor who would delight audiences as a sensitive lover or as a haunted murderer Talented loved and admired by the theatrical world at the birth of the National Theatre led by Laurence Olivier Robert Stephens and Maggie Smith Beginning and ending his career in Manchester he would transfer his talents to the American culture of the 70s as he settled into his new life with his American wife but was enticed back with some of the best classical roles for television and the stage Jeremy s own words are used whenever they are available to present his story and his approach to playing the parts His unfailing enthusiasm for a new project and the degree of commitment comes through Illustrated with original photographs covering his life and career it is the first detailed record of all his performances on the stage film or television
