Testament Survey Students Christian University:

Old Testament Survey for Students Team Impact Christian University, Jeff Van Wyk, Ph.d., 2015-12-11 This is a survey of the Old Testament which is divided into four sections The Law The Historical Books The Poetical Books and The Prophetical books There are a number of ways one may approach the study of the Bible such as Synthetic which is an overview of the Bible as a whole to provide a grasp of the overall message Analytical which is the process of viewing the Bible verse by verse to get an in depth understanding and Topical or Doctrinal which is a study of the Bible according to its many topics and doctrines and Typical a study of the many pictures or types found

Christian Worldview and the Academic Disciplines Deane E. D. Downey, Stanley E. Porter, 2009-04-15 This book an edited compilation of twenty nine essays focuses on the difference s that a Christian worldview makes for the disciplines or subject areas normally taught in liberal arts colleges and universities Three initial chapters of introductory material are followed by twenty six essays each dealing with the essential elements or issues in the academic discipline involved These individual essays on each discipline are a unique element of this book These essays also treat some of the specific differences in perspective or procedure that a biblically informed Christian perspective brings to each discipline Christian Worldview and the Academic Disciplines is intended principally as an introductory textbook in Christian worldview courses for Christian college or university students This volume will also be of interest to Christian students in secular post secondary institutions who may be encountering challenges to their faith both implicit and explicit from peers or professors who assume that holding a strong Christian faith and pursuing a rigorous college or university education are essentially incompatible This book should also be helpful for college and university professors who embrace the Christian faith but whose post secondary academic background because of its secular orientation has left them inadequately prepared to intelligently apply the implications of their faith to their particular academic specialty Such specialists be they professors or upper level graduate students will find the extensive bibliographies of recent scholarship at the end of the individual chapters particularly helpful

Special Sexual Operations.Accounting for Resistance to the Colonial “Gift” of Homosexuality in Twenty-First Century Africa Artwell

Nhemachena, Munyaradzi Mawere, 2024-03-01 Even as African states are currently legislating against homosexuality in order to protect their societies there are some emergent Eurocentric discourses seeking to legalize bestiality involving sex between humans and nonhuman animals Indeed binaries between humans and nonhumans are being challenged and speciesism is being deconstructed to pave the way for interspecies sex Critically interrogating these dissident and subversive sexualities in novel ways this book also deals with emergent humanoid sex robots which are challenging human marriages and families by replacing human spouses The book is relevant to anthropologists sociologists lawyers legislators politicians theologians historians philosophers and educators Huge commendations are due for the gargantuan work done on this book which speaks to the past present and future of African sexualities These are revolutionary thoughts that change the traditional

Western scholarship landscape in the field of sexualities The book inculcates and imparts African people centred strategic architectural futuristic flavor for building Africa s competitive positioning in the discourses on sexualities for the centuries ahead Indeed it is commendable and deserves an award for revitalizing Africanity and Africanism renaissance I am sure this book is going to stimulate broad discussions from Africa and the rest of the world which have sadly been fed with Eurocentric single stories on African sexualities Professor Eginald P Mihanjo Saint Augustine University of Tanzania This is a must read book It grapples with the important question Why the West would want to decolonize only by returning homosexuality to Africans and not by returning African land artefacts skulls and skeletons The book challenges the systemic humanophobic mission orchestrated by neo capitalists in the Euro American world and their allies in Africa Until we hold together the ethical and ontological boundaries of marriage as a divine cultural mandate secured in its sociogenic logicity all the debates about decolonization will not save us from the ultimate crime of promoting ontological disorderliness Charles Prempeh PhD Cantab Research Fellow Centre for Cultural and African Studies Kumasi Ghana and author of Gender Sexuality and Decolonisation in Postcolonial Ghana A Socio Philosophical Engagement Annual Catalogue of the Officers and Students of Cornell College Cornell College (Mount Vernon, Iowa),1922 *The Effective Christian College* Laird Thomas Hites,1929 Meaningful Connections in My Long Journey between a Pine Grove of Songki-ri and the Bank of the Siuslaw River Song-nai Rhee,2023-01-10 This is Song nai Rhee s personal memoirs of an eighty seven year long life between a pine grove of Songki riin Korea and the bank of the Siuslaw River on the West Coast covering his early life during World War II his existential crisis during the Korean War his life transformation from Confucian to Christian coming to America and Northwest Christian College his formal education in America resulting in two bachelors four masters and two PhD degrees thirty seven years of professional service at NCC now Bushnell University as a professor of history Bible and archaeology as well as academic vice president dean and as a father grandfather and writer publisher retiring as a farmer fisherman on the bank of the Siuslaw River Most of all this book is about the people beginning with Bill Peterson in a war zone who helped make all this and Rhee s life possible the meaningful connections Views from the Other Side of the Looking Glass Terry Downey,2005-04 Something was wrong very wrong Even the receptionist knew it They would fit me in Suddenly I was on a high speed train going someplace that I did not want to go I didn t have a reservation I didn t have a destination It didn t matter I had the symptom I could come on board As the train sped rapidly down the track my primary care physician arranged an array of appointments with other physicians and various diagnostic tests Descriptions of the pictures of my inner body did not verify the presence or absence of cancer Instead they suggested a diverse assortment of diagnoses It was like having to choose an answer for a multiple choice question but choosing the answer that I liked best most likely a fibroid was not an option Fiews from the Other Side of the Looking Glass Reflections on My Journey with Ovarian Cancer captures author Terry Downey s experiences with a silent but deadly cancer Downey describes finding herself on a high speed train
