

The background of the slide is a detailed illustration of an underwater environment. The water is a deep, clear blue. In the foreground, there is a rocky seabed covered with small, multi-colored pebbles in shades of brown, orange, and grey. Several clumps of bright green seagrass with long, thin blades are growing from the rocks. In the mid-ground, larger, smooth, greyish-brown rocks are visible. The overall scene is bright and clear, suggesting a healthy aquatic ecosystem.
