Thai Lottery And Other Stories From Pattaya Thailand:

Thai Lottery... and Other Stories from Pattaya, Thailand Matt Carrell, 2012-11-24 Sarai wasn't like the other go-go dancers. She knew that a few thousand pounds a year would be enough to take care of her whole family but Sarai wasn't dancing just to send money home every month. She had discovered that selling tickets for the illegal Thai Lottery was more dangerous than she could ever have imagined and now she owed a great deal of money. Thai Lottery is the story of the lengths a girl will go to when a debt becomes a matter of life and death and of the westerners who have bought their own tickets to a more personal lottery. They come to Thailand looking for something that's missing from their lives. Some may be lucky but for a few the result will be utter despair. Thai Lottery and twelve other short stories are contained in this intriguing debut work. An insightful must read whether you're a seasoned traveler to Thailand or embarking on your first trip to the Land of Smiles. **Love on the Rocks** Simon Los, 2021-03-01 Cold-blooded Thai bargirls, naïve tourists and sordid scams: it was all in a night's work for Pattaya bar manager Simon Los. For years expat Simon Los worked the bars of Pattaya, befriending Thai staff as well as western and local customers; he was privy to the dating despair and occasional joy of countless couples. That bargirls would go to such lengths to deceive their farang boyfriends out of poverty or greed was not unexpected but Simon was also surprised to see some of his customers find true love in the Land of Smiles. Routledge Handbook of Contemporary Thailand Pavin Chachavalpongpun, 2019-10-17 The Routledge Handbook of Contemporary Thailand is a timely survey and assessment of the state of contemporary Thailand. While Thailand has changed much in the past decades, this handbook proposes that many of its problems have remained intact or even persistent, particularly problems related to domestic politics. It underlines emerging issues at this critical juncture in the kingdom and focuses on the history, politics, economy, society, culture, religion, and international relations of the country. A multidisciplinary approach with chapters written by experts on Thailand, this handbook is divided into the following sections: History, Political and economic landscape, Social development, International relations. Designed for academics, students, libraries, policymakers, and general readers in the field of Asian studies, political science, economics, and sociology, this invaluable reference work provides an up-to-date account of Thailand and initiates new discussion for future research activities. **A Variety of Modern Tales of Thailand** Otto J.
