Dear (Name):

Thank you for your willingness to serve on the Teacher Interview Team. I really enjoyed the opportunity to work with you in the process of hiring new staff members. The task is critical, but with many hands, the work involved in screening applications, conducting phone interviews, and identifying the top candidates was a success. The new process we've used during our past two screenings has really assisted us in identifying those who best match the philosophy of (Name of School) School.

I hope that you found the process enjoyable. As always, change and revision help to improve our work. Please take a few minutes to reflect on the process and provide me with any ideas you might have for improving it.

Again, *thank you* for your contributions.

Sincerely,

Principal
