God's Breath Richard P. Holland, 2024-11-13 The apostle Paul taught his protege Timothy All scripture is God breathed and is useful for teaching rebuking correcting and training righteousness so that the servant of God may be thoroughly equipped for every good work 2 Timothy 3 16 17 Committing scripture to memory does not prove that you are a good Christian And not doing so is not a sign that you are a bad Christian For me this was a natural progression of deepening faith Memorizing scripture was another way to abide with him Throughout the Bible we are encouraged to meditate on God s Word The Psalmist wrote I have hidden your word in my heart that I might not sin against you Psalm 119 11 Memorizing scripture is another way we can hide his words in our hearts After the death of Moses Joshua became the leader of the nation of Israel and God fortified him with these words Keep this book of the Law always on your lips meditate on it day and night so that you may be careful to do everything written in it Joshua 1 8 If it was important for the leader of God s people to do this it is important for us too

Rose Bible Basics: Why Trust the Bible Rose Publishing, 2013-12-16 Rose Bible Basics series Why Trust the Bible Is the Bible an ancient document that has been tampered with Has it been edited many times over the centuries and now is filled with errors How can we know what the Bible really said when the originals no longer exist Bestselling books that promote these doubts such as Bart Ehrman s Misquoting Jesus The Story Behind Who Changed the Bible and Why are influencing today s news media and these teachings are being treated as fact Now is the time to address the topic of textual criticism in our churches and help Christians become better informed ready to defend the faith The Bible can be trusted says author Dr Timothy Paul Jones The good news is that the Bible is reliable even though it was hand copied and there are variations between texts This ebook explains the variations and why they don t affect the trustworthiness of the Scriptures Dr Jones interest in this topic began many years ago when he came across these arguments in seminary At first his faith was badly shaken and he wondered if he still believed But as he dug deeper he found answers Dr Jones shows the errors in critics logic and facts and does it in an easy to understand style with charts diagrams and explanations This full color ebook gives answers to the following claims by critics The Gospels were written long after Jesus lived by people who weren t eyewitnesses The stories about Jesus life and death were not handed down reliably and not recorded accurately The Bible is full of textual errors as proven by the Dead Sea Scrolls The New Testament wasn t finalized until hundreds of years after Jesus and his disciples so there could have been many other Gospels accepted and later rejected in addition to the four Gospels found in the Bible today The originals of the Bible are lost therefore we have no way of knowing what it actually said
