Conrad, Roger N. Parks, Martha J. King, 2015-02 This new volume of The Papers of General Nathanael Greene continues the best and most detailed study of the Revolutionary War in the South More than 800 letters and orders chart the progress of Greene's army in South Carolina from the battle of Eutaw Springs the bloodiest battle of the Revolution to the British pullback to Charleston In July 1781 the British controlled large parts of South Carolina and Georgia had a post in North Carolina and maintained an army in Virginia By early December they held only the areas around Charleston and Savannah The ability of Greene s beleaguered army to force this British retreat is the focus of this volume which also documents Greene's attempts to rebuild the lower south's political and social fabric In addition this volume

provides information on the siege of Yorktown for although Greene was not directly involved he received numerous reports from those on the scene in Virginia Historical Documentary Editions 2000 United States. National Historical Publications **South Carolina Historical Magazine** and Records Commission, 2000 **Historical Documentary Editions** ,2000 Nature's Return Mark Kinzer, 2017-06-15 From exploitation to preservation the complex history of one of the Southeast's most important natural areas and South Carolina's only national park Located at the confluence of the Congaree and Wateree Rivers in central South Carolina Congaree National Park protects the nation's largest intact expanse of old growth bottomland hardwood forest Modern visitors to the park enjoy a pristine landscape that seems ancient and untouched by human hands but in truth its history is far different In Nature's Return Mark Kinzer examines the successive waves of inhabitants visitors and landowners of this region by synthesizing information from property and census records studies of forest succession tree ring analyses slave narratives and historical news accounts Established in 1976 Congaree National Park contains within its boundaries nearly twenty seven thousand acres of protected uplands floodplains and swamps Once exploited by humans for farming cattle grazing plantation agriculture and logging the park area is now used gently for recreation and conservation Although the impact of farming grazing and logging in the park was far less extensive than in other river swamps across the Southeast it is still evident to those who know where to look Cultivated in corn and cotton during the nineteenth century the land became the site of extensive logging operations soon after the Civil War a practice that continued intermittently into the late twentieth century From burning canebrakes to clearing fields and logging trees inhabitants of the lower Congaree valley have modified the floodplain environment both to ensure their survival and over time to generate wealth In this they behaved no differently than people living along other major rivers in the South Atlantic Coastal Plain Today Congaree National Park is a forest of vast flats and winding sloughs where champion trees dot the landscape Indeed its history of human use and conservation make it a valuable laboratory for the study not only of flora and fauna but also of anthropology and modern history As the impact of human disturbance fades the Congaree s stature as one of the most important natural areas in the eastern United States only continues to grow The Carolina Backcountry Venture Kenneth E. Lewis, 2017-04-15 A study of the transformative economic and social processes that changed a backcountry Southern outpost into a vital crossroads The Carolina Backcountry Venture is a historical geographical and archaeological investigation of the development of Camden South Carolina and the Wateree River Valley during the second half of the eighteenth century The result of extensive field and archival work by author Kenneth E Lewis this publication examines the economic and social processes responsible for change and documents the importance of those individuals who played significant roles in determining the success of colonization and the form it took Established to serve the frontier settlements the store at Pine Tree Hill soon became an important crossroads in the economy of South Carolina's central backcountry and a focus of trade that linked colonists with one another and the region s native inhabitants Renamed Camden in 1768 the town grew as the backcountry became enmeshed in the larger commercial economy As pioneer merchants took advantage of improvements in agriculture and transportation and responded to larger global events such as the American Revolution Camden evolved with the introduction of short staple cotton which came to dominate its economy as slavery did its society Camden's development as a small inland city made it an icon for progress and entrepreneurship Camden was the focus of expansion in the Wateree Valley and its early residents were instrumental in creating the backcountry economy In the absence of effective larger economic and political institutions Joseph Kershaw and his associates created a regional economy by forging networks that linked the immigrant population and incorporated the native Catawba people Their efforts formed the structure of a colonial society and economy in the interior and facilitated the backcountry's incorporation into the commercial Atlantic world This transition laid the groundwork for the antebellum plantation economy Lewis references an array of primary and secondary sources as well as archaeological evidence from four decades of research in Camden and surrounding locations The Carolina Backcountry Venture examines the broad processes involved in settling the area and explores the relationship between the region s historical development and the landscape it created *Index, The Papers of* the Continental Congress, 1774-1789, 1978 Index, The Papers of the Continental Congress, 1774-1789: Aachen East Twinsev ,1978 America, History and Life, 2002 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide The Register of the Kentucky Historical Society, 1997 **Index, The Papers of the Continental** Congress, 1774-1789: East Whiteland - Leacraft, G ,1978 Current Contents, April 12, 1999, 1999 Annotation Index, The Papers of the Continental Congress, 1774-1789: Quack - Zwolle, 1978 .1994 The North Carolina Historical Review ,1999 Three Peoples, One King Jim Piecuch, 2008 Aided by thirty one illustrations and maps Piecuch s pathbreaking study will appeal to scholars and students of American history as well as Revolutionary War enthusiasts open to hearing an opposing perspective BOOK JACKET
