The World's Greatest Books — Volume 06 — Fiction

Unknown,2015-12-27 The World s Greatest Books Volume 06 An enterprise such as THE WORLD S GREATEST BOOKS is to be judged from two different standpoints It may be judged with respect to its specific achievement the material of which it consists or it may be judged with regard to its general utility in the scheme of literature to which it belongs In an age which is sometimes ironically called remarkable for its commercialism nothing has been more truly remarkable than the advancement in learning as well as in material progress and of all the instruments that have contributed to this end none has been more effective perhaps than the practical popularisation of literature In THE WORLD S GREATEST BOOKS an attempt has been made to effect a compendium of the world s best literature in a form that shall be at once accessible to every one and still faithful to its originals or in other words it has been sought to allow the original author to tell his own story over again in his own language but in the shortest possible space However we are aware that even THE WORLD S GREATEST BOOKS will not escape the criticism of a small class of people who will profess to object to this as to any kind of interference with an author s original in reply to which it can only be said that such objections are seldom if ever made in the true interests of learning or in a genuine spirit of inquiry and too often only proceed from a knowledge of books or love of them which goes no deeper than their title page The selections in THE WORLD S GREATEST BOOKS have been collected and are alphabetically arranged in ten different divisions namely Fiction Lives and Letters History Religion Philosophy Economics

Science Poetry and Drama Travel and Adventure and Miscellaneous Literature An important additional feature of the work is the brief yet highly critical biographical and bibliographical note which accompanies every author and every selection throughout the twenty volumes To this must be also added the not less important Introductory and other explanations written by experts which often accompany the selections in the text cardinal examples of which will be found in particular in the section of Religion of this work in the articles dealing with such subjects as the Book of the Dead Brahmanism Confucianism the Koran Talmud etc The Holy Bible, Containing the Old and New Testaments, Translated Out of the Original Tongues, and with the Former Translations Diligently Compared and Revised ,1866 **The New Testament of Our Lord and Saviour Jesus Christ** Sylvanus Cobb,1865 **Jesus, the Carpenter of Nazareth ...** Layman,Robert Bird,1892 *National & International Rank of the World's Best Lightworkers* Maximillien De Lafayette,2014-11-26 National a massive book of 652 pages published by Times Square Press in New York and which is based upon the results of the 4th national the book is also available in 3 separate volumes 250 pages each People from around the world voted for 50 different categories of lightworkers and the occult s professions In fact this book contains everything you need to know about the quality service status rank and importance of your psychic medium or astrologer etc nationally and internationally The book includes thousands of psychics and mediums from 83 countries Before you call any psychic and medium find out first if his her name is on the lists of the New York international vote It s your money Avoid scammers **The Aramaic Covenants** RavYaakov BarYosef,2015-05-24 The Aramaic Covenants and Tanach In Three Volumes The goal of this work is to provide a modern and accurate English translation of the Chumash Mikra prophets and Writings and the Apostolic Writings The text of this edition of the Aramaic Covenants is a paraphrased translation in idiomatic language This work is a new edition from translations of the Ancient Aramaic For example this new edition uses the name of MarYah Eashoa Msheekha Lord G d Yeshua Messiah It also uses the word ALLAHA for ELI G d YHVH 1 and it introduces the Aramaic rendering of Maran as Lord Along with other Ancient Galilean Aramaic renderings Due weight was given to the ancient versions as establishing a tradition of interpretation Out of the four levels of interpretation Parshat Remez D rash and Sod the Parshat method was employed as was Onkelos method of interpretation of the Torah
