## **The Worldmakers Global Imagining In Early Modern Europe:**

The Worldmakers Ayesha Ramachandran, 2015-10-13 Ayesha Ramachandran reconstructs the imaginative struggles of early modern artists philosophers and writers to make sense of something that we take for granted the world imagined as a whole The Worldmakers moves beyond histories of globalisation to explore how the world itself variously understood as an object of inquiry a comprehensive category and a system of order was self consciously shaped by human agents

### **Practices of Diplomacy in the Early Modern World c.1410-1800** Tracey A. Sowerby, Jan Hennings, 2017-05-12

Practices of Diplomacy in the Early Modern World offers a new contribution to the ongoing reassessment of early modern international relations and diplomatic history Divided into three parts it provides an examination of diplomatic culture from the Renaissance into the eighteenth century and presents the development of diplomatic practices as more complex multifarious and globally interconnected than the traditional state focussed national paradigm allows The volume addresses three central and intertwined themes within early modern diplomacy who and what could claim diplomatic agency and in what circumstances the social and cultural contexts in which diplomacy was practised and the role of material culture in diplomatic exchange Together the chapters provide a broad geographical and chronological presentation of the development of diplomatic practices and through a strong focus on the processes and significance of cultural exchanges between polities demonstrate how it was possible for diplomats to negotiate the cultural codes of the courts to which they were sent This exciting collection brings together new and established scholars of diplomacy from different academic traditions It will be essential reading for all students of diplomatic history

**Early Modern Visions of Space** Dorothea Heitsch, Jeremie C. Korta, 2021-12-15 How writers respond to a cosmology in evolution in the sixteenth century and how literature and space implicate each other are the guiding issues of this volume in which sixteen authors explore the topic of space in its multiform incarnations and representations The volume's first section features the early modern exploration and codification of urban and rural spaces as well as maritime and industrial expanses Space and Territory Geographies in Texts thus contributes to a history of spatial consciousness The construction of local national political public and private places is highlighted in Space and Politics Literary Geographies the contributors in this segment show how built forms as architectural or literary constructions and spatial orientation are intertwined Space and Gender Geopoetical Approaches traces the experience of gender as political territorial and communicative exploration the essays in this division deal with social organization and its symbolic analysis resulting in literary texts featuring what could be called psychological production theories The development of ethical approaches adapted to or critical of colonial expansion is analyzed in Space and Ethics Geocritical Ventures here we encounter early modern globalization where locals explorers immigrants adventurers and intellectuals remake themselves in new places engage in or meet with resistance or attempt to rework local sociopolitical systems while reassessing those they are familiar with The Space of the Book the Book as Space Printing Reading Publishing analyzes the

tactile object of the book as an arena for commerce politics and authorial experimentation      *Being the Heart of the World* Nino Vallen,2023-10-12 Tells the story of New Spain s integration into the Pacific world and the impact it had on mobility and identity making      **The Cambridge Companion to the Poem** Sean Pryor,2024-06-06 This Companion offers an engaging and accessible introduction to key concepts in the study of poetry and poetics      *India in the Indian Ocean World* Rila Mukherjee,2022-03-03 The book integrates the latest scholarly literature on the entire Indian Ocean region from East Africa to China Issues such as India s history India s changing status in the region and India s cross cultural networking over a long period are explored in this book It is organized in specific themes in thirteen chapters It incorporates a wealth of research on India s strategic significance in the Indian Ocean arena throughout history It enriches the reader s understanding of the emergence of the Indian Ocean basin as a global arena for cross cultural networking and nation building It discusses issues of trade and commerce the circulation of ideas peoples and objects and social and religious themes focusing on Hinduism Buddhism and Islam The book provides a refreshingly different survey of India s connected history in the Indian Ocean region starting from the archaeological record and ending with the coming of empire The author s unique experience combined with an engaging writing style makes the book highly readable The book contributes to the field of global history and is of great interest to researchers policymakers teachers and students across the fields of political cultural and economic history and strategic studies      *The Logic of Idolatry in Seventeenth-century French Literature* Ellen McClure,2020 Idolatry was one of the dominant and most contentious themes of early modern religious polemics This book argues that many of the best known literary and philosophical works of the French seventeenth century were deeply engaged and concerned with the theme In a series of case studies and close readings it shows that authors used the logic of idolatry to interrogate the fractured and fragile relationship between the divine and the human with particular attention to the increasingly fraught question of the legitimacy of human agency Reading d Urf Descartes La Fontaine S vign Molire and Racine through the lens of idolatry reveals heretofore hidden aspects of their work all while demonstrating the link between the emergent autonomy of literature and philosophy and the confessional conflicts that dominated the period In so doing Professor McClure illustrates how religion can become a source of interpretive complexity and how this dynamism can and should be taken into account in early modern French studies and beyond ELLEN MCCLURE is Associate Professor of History and French University of Illinois at Chicago      *The Dragoman Renaissance* E. Natalie Rothman,2021-03-15 In *The Dragoman Renaissance* E Natalie Rothman traces how Istanbul based diplomatic translator interpreters known as the dragomans systematically engaged Ottoman elites in the study of the Ottoman Empire eventually coalescing in the discipline of Orientalism throughout the sixteenth and seventeenth centuries Rothman challenges Eurocentric assumptions still pervasive in Renaissance studies by showing the centrality of Ottoman imperial culture to the articulation of European knowledge about the Ottomans To do so she draws on a dazzling array of new material from a variety of archives By studying the

sustained interactions between dragomans and Ottoman courtiers in this period Rothman disrupts common ideas about a singular moment of cultural encounter as well as about a docile and static Orient simply acted upon by extraneous imperial powers The Dragoman Renaissance creatively uncovers how dragomans mediated Ottoman ethno linguistic political and religious categories to European diplomats and scholars Further it shows how dragomans did not simply circulate fixed knowledge Rather their engagement of Ottoman imperial modes of inquiry and social reproduction shaped the discipline of Orientalism for centuries to come Thanks to generous funding from the Andrew W Mellon Foundation through The Sustainable History Monograph Pilot the ebook editions of this book are available as Open Access volumes from Cornell Open [cornellpress.cornell.edu/cornell-open](https://cornellpress.cornell.edu/cornell-open) and other repositories

#### **The Enemy in Italian Renaissance Epic** Andrea

Moudarres,2019-04-10 In *The Enemy in Italian Renaissance Epic* Andrea Moudarres examines influential works from the literary canon of the Italian Renaissance arguing that hostility consistently arises from within political or religious entities In Dante's *Divina Commedia* Luigi Pulci's *Morgante* Ludovico Ariosto's *Orlando Furioso* and Torquato Tasso's *Gerusalemme Liberata* enmity is portrayed as internal taking the form of tyranny betrayal and civil discord Moudarres reads these works in the context of historical and political patterns demonstrating that there was little distinction between public and private spheres in Renaissance Italy and thus little differentiation between personal and political enemies Distributed for the University of Delaware Press

#### *William Blake and the Cartographic Imagination* Caroline Anjali Ritchie,2025-02-24

This book contributes to current discussions about the meaning history and theorisation of maps The monograph focuses on William Blake 1757-1827 whose astute critical angle on cartography invites us to think in a new light about mapping in the eighteenth century commonly regarded as a key phase within the history of European cartography Ritchie positions Blake as a participant in a vibrant mesh of cartographic practices seeking out his antecedents peers interlocutors and followers She characterises Blake's participation in cartographic culture as both energetic and uneasy In addition the book traces Blake's legacy as a point of contact for London-based psychogeographical writers and small press publishers seeking to rethink the nature of maps and mapping in recent years and up to the present day Through its exploration of Blake's poetry art and legacy this book aims to pluralise and enrich conceptions of cartography from the eighteenth century to the present

**The Poverty of the World** Sheyda F. A. Jahanbani,2023 Bringing together foreign and domestic policy *The Poverty of the World* aims to offer a new answer to the question of why Americans became obsessed with poverty in the 1960s A history of how American liberals made sense of US power during a period of unprecedented affluence at home it uses intellectual and political biographies of major figures in postwar US social thought and politics to tell the story of how Americans invented the problem of global poverty and executed a war against it

#### **Fictions of Credit in the Age of Shakespeare** Laura

Kolb,2021-02-04 In *Shakespeare's England* credit was synonymous with reputation and reputation developed in the interplay of language conduct and social interpretation As a consequence artful language and social hermeneutics became practical

profitable skills Since most people both used credit and extended it the dual strategies of implication and inference of producing and reading evidence were everywhere Like poetry or drama credit was constructed fashioned out of the interplay of artifice and interpretation The rhetorical dimension of economic relations produced social fictions on a range of scales from transitory performances facilitating local transactions to the long term project of maintaining creditworthiness to the generalized social indeterminacy that arose from the interplay of performance and interpretation Fictions of Credit in the Age of Shakespeare examines how Shakespeare and his contemporaries represented credit driven artifice and interpretation on the early modern stage It also analyses a range of practical texts including commercial arithmetics letter writing manuals legal formularies and tables of interest which offered strategies for generating credit and managing debt Looking at plays and practical texts together Fictions of Credit argues that both types of writing constitute equipment for living practical texts by offering concrete strategies for navigating England s culture of credit and plays by exploring the limits of credit s dangers and possibilities In their representations of a world re written by debt relations dramatic texts in particular articulate a phenomenology of economic life telling us what it feels like to live in credit culture to live that is inside a fiction

*Between Household and State* Subah Dayal, 2024-12-24 For decades scholars have examined the Mughal Empire South Asia's largest and most powerful pre colonial empire to measure the greatness of its political ideological and cultural institutions Between Household and State departs from dynastic narrations of the Mughal past to highlight the role of elite households and familial networks in shaping imperial power particularly in peninsular India the only region of the subcontinent never fully incorporated into the imperial realm Drawing upon rare documentary and literary materials in Persian and Urdu alongside the Dutch East India Company's archives the book takes us on a journey from military forts and

regional courts in the Deccan to the weaving villages of the Coromandel Coast to examine how regional elite alliances feuds and material exchanges intersected with imperial institutions to create new forms of affinity belonging and social exclusion Between Household and State brings attention to the importance of ghar or home as an analytical framework for the creation of mobile forms of sovereignty that anchored the Mughal frontier across the variable geography of peninsular India in the seventeenth century

**Islam in World History** Susan L. Douglass, Tom Facchine, 2025-11-18 Islam in World History examines the emergence and development of Islam as a world religion in the Abrahamic tradition and the unfolding of Muslim society and civilization over fourteen centuries In contrast to the usual recital of the rise of Islam as a new religion this book looks at the religious geographic and civilizational context in which Islam emerged and became a religiously ethnically and culturally diverse society deeply connected with hemispheric networks and exchanges in Afro Eurasia and ultimately a global religious community The book addresses the development of institutions and social structures that came to characterize Muslim societies over the long term with emphasis on their diverse expressions in various regions The chronological approach which analyzes the political history of Muslim society allows for deeper understanding of how Islamicate civilization continued to develop and spread despite the fragmentation of the unitary state and its mixed record of adherence to Islamic ideals By addressing common questions and misperceptions over the long run of Islamic history to the present day this book is the perfect resource for all students who study religion and the history of Islam across the world
