The World's Longest Crossword Puzzle Frank Longo,2005-10 It s nine squares high 966 squares long and with a colossal 2 439 answers to figure out this is truly a record breaking brain busting crossword puzzle Crossword mavens can make a choice they can either start a marathon solving session or come back to it time and time again doing a little more and stretching out the pleasure It starts simply with easy first solutions But as you get deeper into the puzzle the clues get harder Plus as a fun extra an excerpt from John F Kennedy s 1961 inaugural address is woven throughout the puzzles providing a running theme

Vowelless Crosswords Frank Longo,2009-06 What s better than crosswords The right crosswords with no vowels At first these challenging but fiendishly fun puzzles look like the usual crossword But there s a devilish twist you write only the consonants in the boxes not the vowels So when you look at the grid there s no quick way to know exactly how many letters make up the right solution Plus because you don t need as many spaces for each word the phrases can be longer than usual and that makes the grids wide open and ratchets up the difficulty level For those who need a little extra help there s a hints section to tear out and refer to when needed as well as grids with wordlists explaining with vowels what the answers are
