Yin Yoga for Beginners YONG. TSAO,2025-01-04 While yang yoga emphasizes the engagement of your muscles yin yoga delves into the realm of your deep connective tissues such as your fascia ligaments and joints It unfolds at a leisurely pace inviting a contemplative spirit that allows one to delve deep within attuning to the whispers of the mind and the subtle sensations coursing through the body In the practice of yin yoga one finds oneself in a state of stillness holding poses for extended durations that surpass those of more conventional yoga styles This unique approach allows for the stretching and lengthening of seldom utilized tissues while simultaneously imparting the invaluable lesson of breathing through discomfort and embracing the quietude of one's own thoughts The art of yin yoga draws upon the wisdom of ancient Chinese philosophies and the tenets of Taoism which hold that pathways of Qi or energy traverse our very beings Through the act of stretching and delving deeper into our poses we unlock the blockages within allowing the energy to flow unimpeded A yin yoga sequence mirrors the effects of an acupuncture treatment on our energies Through the practice of various poses a yin yoga sequence serves to restore the harmonious flow of Qi within our bodies In this practice the objective is not to transition through postures with ease rather each posture may be sustained for a duration of three to five minutes or even extending to twenty minutes at a time A yin practitioner seeks to delve into the deeper layers of the body with many postures centering on regions that envelop a joint including the hips sacrum and spine among others

Yinsights Bernie Clark,2008-02 YinSights is a look deep inside the benefits of Yoga as viewed by both the Eastern and Western worlds The book is divided into two main sections the first investigates the benefits of Yoga in general and Yin Yoga in particular on the physical body the energetic body and the mind emotional body Three points of view are presented those of the Yogis in India the Daoists in China and the medical and scientific researchers in the West The book offers a look inside the deepest and most ubiquitous tissues of the body the connective tissues and explores what happens to these tissues as we practice Yoga In the second section of the book YinSights explores the practices of Yin Yoga in detail This section could be considered a complete stand alone book describing the way to practice Yin Yoga and the asanas normally used Several flows are offered with different themes flows for the spine and hips and flows to increase energy movement to the kidneys and liver Throughout the book over 200 pictures and drawings are used to help illustrate the technical points presented as well as clarify the practice
