Quantum Leadership Frederick Chavalit Tsao,Chris Laszlo,2019-07-30 In this new book Frederick Chavalit Tsao and Chris Laszlo argue that current approaches to leadership fail to produce positive outcomes for either businesses or the communities they serve

Employee disengagement and customer fickleness remain high resulting in a lack of creativity and collaboration at all levels of entrepreneurial activity

Investor demand for Environmental Social and Governance ESG continues to be poorly integrated into profit strategies

Drawing on extensive research this book shows how changing a person s consciousness is the most powerful lever for unlocking his or her leadership potential to create wealth and serve humankind

A wide range of practices of connectedness provide the keys

The journey to higher consciousness changes people at a deep intuitive level combining embodied experience with analytic cognitive skill development

Tsao and Laszlo show how leaders who pursue this journey are more likely to flourish with significant benefits to both business and society

These include greater creativity and collaboration along with an increased capability to inspire people and produce lasting change

Readers will come away with a deep understanding of quantum leadership and the day to day practices that can help them achieve greater effectiveness and wellbeing at work
