Sabbath and Sunday among the Earliest Christians, Second Edition David W. T. Brattston, 2017-04-24 According to Christian sources from before the middle of the third century AD the ancient evidence is unanimous that although there were a few slight differences as to how weekends should be observed one thing is certain and was uncontroversial the main day of the week for early Christians to gather and worship was not the seventh day Saturday Sabbath but Sunday which they sometimes called the first day or the eighth day or the Lord's Day The booklet also considers 1 whether the Lord's Day replaces the Sabbath 2 whether the Sabbath was abolished 3 whether Sabbath keeping is forbidden 4 whether the Roman Catholic church changed the Sabbath to Sunday 5 whether Sunday is to be a day of rest as well as the chief day of public worship 6 a critique of sources and authorities on which Sabbatarians rely in advancing their contentions 7 whether some Christians before Constantine observed Sunday rather than Saturday to prevent the Roman government from considering them to be Jews who were allegedly persecuted before his reign and 8 where readers can find translations of the sources for themselves Focusing on pagan Roman and Jewish sources this second edition considers whether Sunday keeping began as a result of the Jewish revolts of AD 66-70 and/or AD 132-135 and examines the work of Samuele Bacchiocchi

Buddhist and Christian Responses to the Kowtow Problem in China Eric Reinders, 2015-03-12 The most

common Buddhist practice in Asia is bowing yet Buddhist and Christian Responses to the Kowtow Problem is the first study of Buddhist obeisance in China In Confucian ritual everyone is supposed to kowtow or bow to the Chinese emperor But Buddhists claimed exemption from bowing to any layperson even to their own parents or the emperor This tension erupted in an imperial debate in 662 This study first asks how and why Buddhists should bow to the Buddha and to monks and then explores the arguments over their refusing to bow to the emperor These arguments take us into the core ideas of Buddhism and imperial power How can one achieve nirvana by bowing What is a Buddha image Who is it that bows Is there any ritual that can exempt a subject of the emperor What are the limits of the state s power over human bodies Centuries later Christians had a new set of problems with bowing in China to the emperor and to idols Buddhist and Christian Responses to the Kowtow problem compares these cases of refusing to bow discusses modern theories of obeisance and finally moves to examine some contemporary analogies such as refusing to salute the American flag Contributing greatly to the study of the body and power ritual religion and material culture this volume is of interest to scholars and students of religious studies Buddhism Chinese history and material culture Desiring the Kingdom (Cultural Liturgies) James K.
