The Worst Journey in the World Apsley Cherry-Garrard, 2009-01-01 The Worst Journey in the World is the autobiographical account of a disastrous Antarctic expedition by one of its survivors Cherry Garrard's account of the expedition is held in high regard because of his frank unflinching discussion of the horrors and trials he survived for such perhaps arbitrary goals The Worst Journey in the World, Antarctic, 1910-1913 Apsley Cherry-Garrard, 1922 **The Worst Journey in the World** Apsley Cherry-Garrard, 2014-06-19 Polar exploration is at once the cleanest and most isolated way of having a bad time which has been devised It is the only form of adventure in which you put on your clothes at Michaelmas and keep them on until Christmas and save for a layer of the natural grease of the body find them as clean as though they were new It is more lonely than London more secluded than any monastery and the post comes but once a year As men will compare the hardships of France Palestine or Mesopotamia so it would be interesting to contrast the rival claims of the Antarctic as a medium of discomfort A member of Campbell's party tells me that the trenches at Ypres were a comparative picnic But until somebody can evolve a standard of endurance I am unable to see how it can be done Take it all in all I do not believe anybody on earth has a worse time than an Emperor penguin Even now the Antarctic is to the rest of the earth as the Abode of the Gods was to the ancient Chaldees a precipitous and mammoth land lying far beyond the seas which encircled man's habitation and nothing is more striking about the exploration of the Southern Polar regions than its absence for when King Alfred reigned in England the Vikings were navigating the ice fields of the North yet when Wellington fought the battle of Waterloo there was still an undiscovered continent in the South This book contains the travel tales of Robert Falcon Scott's last Expedition which in 1910 moved him from England to Antarctica where he died tragically two years later The author Apsley Cherry Garrard was part of the expedition team and along with others he found the captain and others frozen to death The expedition should bring the men of British origin to the South Pole before the Norwegian Roald Asmundsen would reach it but the way turned out to be too hard they hardly managed their daily stint In addition the Antarctica gave them a very hard time particularly the harsh weather conditions This The Worst Journey in the World Apsley Cherry-Garrard, 2009-12-01 Published in 1922 by an expedition survivor this riveting adventure classic recounts the ill fated expedition to the South Pole led by Robert Falcon Scott Journal entries by other expedition members complement the narrative offering an incredible unforgettable story of struggle and courage in the face of overwhelming odds **Worst Journey in the World** Cherry-Garrard Apsley, 1901 *The Worst Journey in the World* Apsley Cherry-Garrard, 2004 The Worst Journey in the World recounts Robert Falcon Scott's ill fated expedition to the South Pole Apsley Cherry Garrard the youngest member of Scott's team and one of three men to make and survive the notorious Winter Journey draws on his firsthand experiences as well as the diaries of his compatriots to create a stirring and detailed account of Scott's legendary expedition Cherry himself would be among the search party that discovered the corpses of Scott and his men who had long

since perished from starvation and brutal cold It is through Cherrys insightful narrative and keen descriptions that Scott and the other members of the expedition are fully memorialized [The Worst Journey in the World, Antarctic 1910-1913 Apsley Cherry-Garrard,2008-11-01](#) *The Worst Journey in the World* Apsley Cherry-Garrard,2014-05-25T00:00:00Z In 1910 famous explorer Robert Falcon Scott led the Terra Nova Expedition to the South Pole The expedition was part scientific and part adventure Scott wanted to be the first to reach the pole The expedition was beset by hardship from the beginning and after realizing that they had been beaten to the pole by Roald Amundsen s Norwegian Expedition the party suffered a final tragedy the loss of Scott and his companions to the Antarctic cold on their return journey to base camp The Worst Journey in the World is an autobiographical account of one of the survivors of the expedition Apsley Cherry Garrard It s a unique combination of fascinating scientific documentary adventure novel and with the inclusion of Scott s final journal entries horror story Journey is peppered throughout with journal entries illustrations and pictures from Cherry Garrard s companions making it a fascinating window into the majesty and danger of the Antarctic This book is part of the Standard Ebooks project which produces free public domain ebooks *The Worst Journey in the World* Apsley Cherry- Garrard,1929
