The Wounded Minister Guy Greenfield,2001-07-01 Every church deals with personality conflicts and intermittent discord But in some churches what should be normal clashes has become a devastating form of abuse pastoral abuse A growing phenomenon that cuts across denominational lines and impacts every level of ministry pastoral abuse leaves in its wake thousands of wounded clergymen with ruined ministries broken relationships damaged health even shattered faith The Wounded Minister Healing for Abused Clergy written by a clinically trained pastoral counselor examines the reality of evil in churches and the ways in which pathological antagonists emotionally and spiritually batter pastors A deft mix of personal experience and in depth research this resource will help wounded men and women of all ministerial positions learn how to recover their broken hearts while rebuilding their lives And as preventative medicine it also provides guidelines on how spiritually sensitive Christians can develop a church structure that protects their pastors from this tragedy Both compassionate and proactive this book is an excellent resource for hurting pastors as well as lay leadership pursuing healthy church life

Let Us Prey, Revised Edition Darrell Puls,2020-06-10 Jesus warned of wolves carefully disguised as shepherds coming into local churches as pastors It is the perfect disguise for a predator to access and devour the flock one lamb at a time while proclaiming himself as their protector and guardian The result is spiritual devastation broken congregations and even destroyed churches Darrell Puls attests from experience that the enemy has infiltrated the North American church through pastors with dangerously high levels of narcissism These pastors hide under layers of the sacred but it is always an illusion of smoke and mirrors Puls has experienced this reality from the inside as a staff pastor under a narcissist and from the outside as a church consultant He carefully unpacks toxic narcissism in everyday terms and lets the victims tell their own stories Let Us Prey Revised Edition is as real as it gets
