Healing Begins in the Heart Karen A. Mace, 2014-10-28 Do you feel that God has abandoned you? Do you struggle with fear and grief? Are you weighed down with doubt, anger, or depression? Do you wonder if you can really trust God? You are not alone. For eight years, author Karen A. Mace and her husband Ross served as missionaries in South America. Blessed with the joy of doing God's work, they brought their two daughters, Miriam and Sarah, with them and rejoiced in the birth of their third daughter, Ileana, soon after arriving in Ecuador. God tested Karen and Ross more than most of His soldiers. After the deaths of Ileana and Sarah in Ecuador, just three and twelve at the time, Karen was thrown into a crisis of faith that lasted for years. She understands how even the most faithful can stumble and question and reject the love of the Lord. *Healing Begins in the Heart* Karen shares how God found her in her doubt, God exposed the lies that Karen had once believed, He showed her how deception created the false lens through which she saw God. As she grew in knowledge of God's loving care, she came to see the life-transforming truth of who God really is and the freedom that is hers through all that Jesus has done. An open and honest sharing of Karen's trials, tragedies, and ultimate victories, this is a story about God's grace, His perseverance with us, and His desire for an intimate relationship with us that leads us into the good plans and purposes He has for each one of us.

Whatever Happened to Daddy's Little Girl? Jonetta Rose Barras, 2000-09-01 What happens to a little girl who grows up without a father? Can she ever feel truly loved and fully alive? Does she ever heal, or is she doomed to live a wounded, fragmented life and to pass her wounds down to her own children? Fatherlessness afflicts nearly half the households in America, and it has reached epidemic proportions in the African American community, with especially devastating consequences for black women. In this powerful, searingly intimate book, accomplished journalist, poet, and fiction writer Jonetta Rose Barras breaks the code of silence and gives voice to the experiences of America's fatherless women, starting with herself. We are legions; a choir of wounded listens to the dirge we sing, writes Barras, of the millions of black women like her who lost either through abandonment, rejection, poverty, or death the men who gave them life. A father is the first man in a girl's life, the first man to look in her eyes, protect her, care for her, love her unconditionally. Fathers fashion their daughters as expertly and as powerfully as they do their sons. When a girl loses this man, she grows up with an ache that nothing else can soothe. Psychologists have found that fatherless daughters are far more likely to suffer from debilitating rage, depression, abuse, and addictions; they tend to seek sexual healing through promiscuity or anti-intimate behavior and end up fearing or despising the men whose love they crave. Barras knows from personal experience the traps and the fury of being a black fatherless daughter, and she makes her own life story the heart and soul of her book, alternating chapters of spellbinding memoir with the stories she has gathered from women all over the
