After digesting the material presented by Carey and Perry readers will have a new understanding of basic homeopathic principles as well as being able to tie various homeopathic remedies to the sun signs Once this is understood it is reasonable that the position of the Moon and ascendant in the natal chart and even the position of Saturn may well be indicators of homeopathic remedies that are needed by the physical body For example when an Aries is too quick to anger perhaps a regular dose of kali phosphate may even out

the temper Or when Virgo is beginning to feel digestive problems kali sulphate may help balance out the minerals in the body Nothing beats going to the doctor when needing a diagnosis however knowing the basics of homeopathy can also be likened to keeping a first aid kit in the house In Part I Dr Carey relates the parts of the body to the biochemical cellsalts homeopathic remedies that were espoused by Dr Schuessler Part II by Inez Perry enlarges upon the symbolism of the sun types and the basics about the homeopathic remedies She discusses the twelve sign types in relation to Biblical symbolism and also combines information from the Kabbalah masonic texts eastern and western philosophy to trace the spiritual symbolism of the signs She then shows how the twelve basic biochemical remedies work with the sign types According to Carey and Perry astrology deals with the body anatomy of the Grand Man the universe and by analogy with the human body as it relates to astrological symbolism The authors bring back to contemporary astrology students the ancient symbolism that was once common knowledge to astrologers

This is represented by the crab who has both a tight grip and carries its house along wherever it goes in order that it may be sure of a dwelling Dr Carey identifies the salt fluoride of lime or calcium fluoride as the most important salt for the Cancer When it is deficient tissue fiber loses its elasticity Symptoms of this relaxation can include varicose veins and interestingly a groundless fear of financial ruin There are Biblical connections explored as well Dr Carey associates both the twelve apostles and the twelve sons of Jacob and their respective tribes to an astrological sign Jacob s tenth Zebulum or Zebulun in many modern translations represents Cancer His name even translates to dwelling in Hebrew Dr Carey was not the first to make the connection between the twelve sons of Jacob twelve apostles of Christ and the Zodiac In fact Rev Robert Taylor may have been the first to make this connection in the mid 19th century in a series of controversial sermons His ideas were so contentious that he was banned from preaching in the United Kingdom The second part of the work written by frequent collaborator Inez E Perry is titled Esoteric Analysis and Synthesis of the Zodiacal Signs and their Physiochemical Allocations This volume expands on Relation of Mineral Salts and provides guidance for the use of each mineral to cure disease and reach a more enlightened spiritual state The Zodiac and the Salts of Salvation George Washington Carey,Inez Eudora Perry,1971-01-01 *The Zodiac and the Salts of Salvation* ,1932 *The Zodiac And The Salts Of Salvation* George Garey Washington,2017 The Title The Zodiac and the Salts of Salvation Part 1 and 2 written authored edited by Dr George Washington Garey Inez Eudora Perry published in the year 2017 The ISBN 9789351287650 is assigned to the Hardcover version of this title This book has total of pp 357 Pages The publisher of this title is Kalpaz Publications This Book is in English The subject of this book is Religion Spirituality New Age Spirituality Astrology Homeopathy Health *Relation of the Mineral Salts of the Body to the Signs of the Zodiac* George W Carey,2013-04-03 George Washington Carey 1845 1924 was an American physician known for a number of 1910s Chemistry of Life publications a subject which he referred to as biochemistry particularly his 1919 The Chemistry of Human Life Carey combined a mixture of religion astrology physiology anatomy and chemistry themed particularly with a mineral based theory of human disease to develop his theories Carey is popular among the new age and homeopathic circles In the context of a person viewed as a human molecule Carey was the first to state that a person s body is a chemical formula in operation This title is the first part Relation of the Mineral Salts of the Body to the Signs of the Zodiac of this classic and later publication The Zodiac and the Salts of Salvation With the renewed interest in homeopathy increased study of astrology and the entrance of the Aquarian Age this book has gained more importance It is an attempt to answer all the questions regarding the cell salts **The Path of Alchemy** Mark Stavish,2025-08-05 Alchemy offers tremendous insight into alternative therapies new medicines and the depths of the human mind Illuminating a truly esoteric practice Mark Stavish reveals how to create and apply medicines for the soul in this remarkable guide to plant and mineral alchemy The Path of Alchemy introduces the history and basic laws of this ancient practice and explains how it ties into Qabala tarot astrology and the four elements Safe modern techniques based on
