The Zodiac and the Salts of Salvation George W Carey,2025-01-10 The Zodiac and the Salts of Salvation by George W Carey and Inez Eudora Perry is a fascinating blend of esoteric philosophy astrology and biochemistry The book is often regarded as an exploration of the relationship between the twelve astrological signs and the twelve essential biochemical salts also known as cell salts or tissue salts that are believed to maintain health and balance in the human body *The Zodiac and the Salts of Salvation* George W. Carey,Inez E. Perry,2021-06-28 The Zodiac and the Salts of Salvation explores the use of certain minerals called cell salts to cure disease and how one s Zodiac sign impacts their cell salt deficiencies

The Zodiac and the Salts of Salvation: Two Parts George W. Carey,2018-07-25 After digesting the material presented by Carey and Perry readers will have a new understanding of basic homeopathic principles as well as being able to tie various homeopathic remedies to the sun signs Once this is understood it is reasonable that the position of the Moon and ascendant in the natal chart and even the position of Saturn may well be indicators of homeopathic remedies that are needed by the physical body For example when an Aries is too quick to anger perhaps a regular dose of kali phosphate may even out the temper Or when Virgo is beginning to feel digestive problems kali sulphate may help balance out the minerals in the body Nothing beats going to the doctor when needing a diagnosis however knowing the basics of homeopathy can also be likened to keeping a first aid kit in the house In Part I Dr Carey relates the parts of the body to the biochemical cell salts homeopathic remedies that were espoused by Dr Schuessler Part II by Inez Perry enlarges upon the symbolism of the sun types and the basics about the homeopathic remedies She discusses the twelve sign types in relation to Biblical symbolism and also combines information from the Kabbalah masonic texts eastern and western philosophy to trace the spiritual symbolism of the signs She then shows how the twelve basic biochemical remedies work with the sign types According to Carey and Perry astrology deals with the body anatomy of the Grand Man the universe and by analogy with the human body as it relates to astrological symbolism The authors bring back to contemporary astrology students the ancient symbolism that was once common knowledge to astrologers **The Zodiac and the Salts of Salvation: Both Parts - Complete and**
