The Secret Code of the King James Bible Abdullahi Mubarak, 2012-12-07

This book I believe for the first time reveals knowledge that has been buried in the Bible under a secret code There have been many attempts to uncover this code and all previous attempts have contributed in a positive way to this writing The book is my personal contribution to improvement of mankind through the acknowledgment of the truth and the defeat of falsehood I am not though writing this with rose colored glasses There will always be those who hate the Truth for personal worldly gains those who take comfort in falsehood those who would follow blindly what their ancestors believed

true or false those who worship at the altar of their base desires and those who benefit from evil in the world The ultimate victory of Truth over falsehood is with God Almighty and I wish that the reader is guided to the Truth This book is also a way to thank God Almighty for guiding me away from falsehood and this book is for others like me HEAL CAT, Heal You!! Woman,2016-01-19 I think HEAL CAT Heal You By Woman is such an important book to buy and keep on your shelf because it teaches the Word of God as a means to quell and heal as a creative force for great artistic minds or simply as a healing method to help you stand up during the day Art must be cleaned for the populace to be healthy Ask the USO if this book is how to heal grandma even while you try to be big It alters you from being laded a mediocre artistic unto a world where God reigns by clearing curses off your art thereby altering fate of reception to your arts By using Bible verses in our prayer to actually cause the choreographic movements or art enhancements the next step becomes a prayer process to remove the sin needing repentance of the word of God to make the work popular It s not only political connections to be big in the arts it s also being prepared to battle what comes against you by appealing to God by using prayer and repentance of the scripture that creation is made from to protect the public as they can enjoy art better when they are clean and healthy themselves So you need a hardcover edition to pass down to your kids with certainty they will receive the information unblocked from loss of cloud fun especially if Christianity becomes inexpedient under new rulership HEAL CAT is how to defend yourself quietly without having to nuisance to get free It is a real biblical healing process originally intended by God and why we never used pharmaceuticals in our past before Prayer works better when Biblical language is used Life then becomes how to stay clean young and healthy to use this repenter pak methodology and how to be loved as an artist to use prayer and repentance in your work And God blesses turning to Him **The Soul's Long Journey** Edward Reaugh Smith,2003-11 Here are amazing insights showing reincarnation to be deeply and powerfully revealed in the Bible s most fundamental aspects How and why have these insights escaped attention for so long At last they are uncovered here by a confluence of conventional Bible study and the epochal spiritual discoveries of Rudolf Steiner With particular emphasis on the organic provisions of the Old Testament Smith shows both what the assumptions of the Master s hearers were and how the New Testament confirms the ancient heritage Arising from the fullness of the canon is an exciting story of the long journey of humanity and every human soul each a beloved sheep whom the Creator is unwilling to lose Combining a lifetime of biblical study and teaching fifteen years investigating and contemplating Rudolf Steiner s vast works and almost three decades of applying the analytical skill required in an intense law practice Smith has produced a potential classic the serious Bible student can ill afford to ignore **Modern Paladin** Victor Matthews PhD,2017-11-17 An instant classic Modern Paladin a holy warrior for today's world combines the best of Bible commentary and church leader discipleship This work is as comprehensive and detailed as any program for leadership development could be It begins with the discovery that the ancient city of Ephesus is the only church location to receive both an epistle from Paul and a letter in Revelations This city and church are proven to be perfect

representatives of the modern church and a line by line analysis of Ephesians uncovers over a hundred bullet point lessons for modern church leaders This in depth commentary then evolves into an actual system the modern paladin system wherein a reader can analyze themselves their small groups and even whole churches with an eye toward the biblical lessons of leadership Absolutely required reading for any church leader that wants to improve or any scholar or student that wants to know more about Ephesians or what the Bible has to say about leadership Dive in and discover how you can strengthen yourself your small groups and your church striving through the Word of God to become a modern paladin      *Revelation: Tribulation and Triumph* Practical Christianity Foundation,2022-09-08 The Book of Revelation rings with familiar imagery and verses but what does it tell us about the last days Despite the countless interpretations available it often seems as though understanding the last days has never been more difficult Now through this easy to read devotional commentary Revelation will come alive as you venture into the powerful and dynamic message of this prophecy and diligently study the Second Coming of Jesus Christ      *Greek for the Rest of Us Workbook* William D.
