Teaching Performance Practices in Remote and Hybrid Spaces Jeanmarie Higgins, Elisha Clark Halpin, 2022-06-16 This collection of insightful essays gives teachers perspectives on the role of space and presence in teaching performance It explores how the demand for remote teaching can be met while at the same time successfully educating and working compassionately in this most live of disciplines Teaching Performance Practices in Remote and Hybrid Spaces reframes prevailing ideas about pedagogy in dance theatre and somatics and applies them to teaching in face to face hybrid and remote situations Case studies from instructors and professors provide essential practical suggestions for remotely teaching a vast range of studio courses including tap dance theatre design movement script analysis and acting rendering this book an invaluable resource The challenges that teachers are facing in the early twenty first century are addressed throughout helping readers to navigate these unprecedented circumstances whilst delivering lessons guiding workshops rehearsing or even staging performances This book is invaluable for dance and theatre teachers or leaders who work in the performing arts and related disciplines It is also ideal for any professionals who need research based solutions for teaching performance online

*Utopian Drama* Siân Adishesiah, 2022-10-06 Shortlisted for The TaPRA David Bradby Monograph Prize 2023 As the first full length study to analyse utopian plays in Western drama from antiquity to the present Utopian Drama In Search of a Genre offers an

illuminating appraisal of the objectives of utopianism as manifested in drama through the ages and carefully ascertains the added value that live performance brings to the persuasion of utopian thought Si n Adiseshiah scrutinises the distinctive intervention of utopian drama through its examination alongside the utopian prose tradition in this way the book establishes new ways of approaching utopian aesthetics and new ways of interpreting utopian drama This book provides fresh understandings of the generic features of utopian plays identifies the gains of establishing a new genre and ascertains ways in which this genre functions as political theatre Referring to over 40 plays of which 18 are examined in detail Utopian Drama traces the emergence of the utopian play in the Western tradition from ancient Greek Comedy to experimental contemporary work Works discussed in detail include plays by Aristophanes Margaret Cavendish George Bernard Shaw Howard Brenton Claire MacDonald Cesi Davidson and Mojisola Adebayo As well as offering extended attention to the work of these playwrights the book reflects on the development of utopian drama through history notes the persistent features tropes and conventions of utopian plays and considers the implications of their registration for both theatre studies and utopian studies

Performance and the Politics of Space Erika Fischer-Lichte, Benjamin Wihstutz, 2013 From its very beginnings theatre has been both an art and a public space shared by actors and spectators As a result its entity and history is intimately tied to politics a politics of inclusion and exclusion of distributions and placements of spatial appropriation and utopian concepts This collection examines what is at stake when a theatrical space is created and when a performance takes place it asks under what circumstances the topology of theatre becomes political The book approaches this issue from various angles taking theatre as a cultural paradigm for political dimensions of space in its respective historical context Visiting the political dimensions of theatrical space in both theatre history and contemporary performance the volume responds to the so called spatial turn in cultural and historical studies and questions a politics of aesthetics that is discussed in continental philosophy The book visits different levels and linkages between aesthetic theory and geography art and sociology architecture and political theory and geometry and history shedding new light on theatre politics and space thereby transforming this historically intertwined triad into a transdisciplinary theme

**Theory for Theatre Studies: Space** Kim Solga, 2019-02-07 Space it s everywhere all around a given It s abstract and yet not abstract at all because it governs all human relations shapes the way we understand our place on the planet and orients us toward others for better and for worse How do theatre scholars understand space and place in performance What tools do they use to theorize the political work space does on and beyond the stage How can students use these tools to unpack the workings of space and place in the performances they see the plays they study and the experiences they have outside their classrooms Theory for Theatre Studies Space provides a comprehensive introduction to the spatial turn in modern theatre and performance theory exploring topics as diverse as embodied space environmental performance politics and urban performance studies The book is written in accessible prose and features in depth case studies of Platform s audio walk And While London Burns Katie Mitchell s Fra lein Julie Young

Jean Lee's *The Shipment* and Evalyn Parry and Laakkuluk Williamson Bathory's *Kiinalik These Sharp Tools TftS Space* begins with fresh readings of historical dramatic theory discusses twentieth century theoretical trends at length and ends by asking what it will take and what work is already underway to decolonize the Western settler colonial stage Online resources to accompany this book are available at [www.bloomsbury.com/uk/theory-for-theatre-studies-space](http://www.bloomsbury.com/uk/theory-for-theatre-studies-space) 9781350006072

**Shifting Corporealities in Contemporary Performance** Marina Gržinić, Aneta Stojnić, 2018-10-03 This book investigates how contemporary artistic practices engage with the body and its intersection with political technological and ethical issues Departing from the relationship between corporeality and performing arts such as theater dance and performance it turns to a pluriversal understanding of embodiment that resides in the extra violent conditions of contemporary global necro capitalism in order to conduct a thorough analysis that goes beyond arts and culture It brings together theoretical academic texts by established and emerging scholars alike exposing perspectives from different fields philosophy cultural studies performance studies theater studies and dance studies as well as from different geopolitical contexts Through a series of thematic clusters the study explores the reactivation of the body as a site of a new meaning making politics

**The Cultural Politics of One-to-One Performance** Rachel Zerihan, 2022-09-24 This monograph is the first study to critically examine works of performance made for an audience of one Despite being a prolific feature of the performance scene since the turn of the millennium critical writing about this area of contemporary practice remains scarce This book proposes a genealogy of the curious relationship between solo performer and lone spectator through lineages in the histories of live art visual art and theatre practices Drawing on one to one performances by artists including Marilyn Arsem Oreet Ashery Franko B Rosana Cade Jess Dobkin Karen Finley David Hoyle Adrian Howells Kira O Reilly Barbara T Smith and Julie Tolentino Rachel Zerihan produces research that is both affective and critical This performance analysis proposes four frameworks through which to examine the significance and challenge of this work cathartic social explicit and economic One to one performance is proposed as a rich portal for examining the cultural politics of contemporary society The book will appeal to students and scholars from performance studies theatre visual art and cultural studies

**Theater and Cultural Politics for a New World** Chinua Thelwell, 2016-10-14 Theater and Cultural Politics for a New World presents a radical re examination of the ways in which demographic shifts will impact theater and performance culture in the twenty first century Editor Chinua Thelwell brings together the revealing insights of artists scholars and organizers to produce a unique intersectional conversation about the transformative potential of theater Opening with a case study of the New WORLD Theater and moving on to a fascinating range of essays the book looks at five main themes Changing demographics Future aesthetics Making institutional space Critical multiculturalism Polyculturalism

*Performance on the Edge* Johannes Birringer, 2002-06-01 Performance on the Edge takes the reader on a journey across geographical borders and conceptual boundaries in order to map out the new territory of contemporary theatre dance media arts and activism Working across

social cultural and political fault lines the book explores performance as both process and contact as the commitment to political activism and the reconstruction of community as site specific intervention into the social and technological structures of abandonment and as the highly charged embodiment of erotic fantasies Performance on the Edge addresses the politics of community oriented and reconstructive artmaking in an era marked by the AIDS crisis cultural and racial polarization warfare separatism and xenophobia Provocatively illustrated with work from North and Central America and Eastern and Western Europe the book challenges our assumptions about the relations between media and activism technological imperatives and social processes and bodily identities and virtual communities **The Politics of**

**Interweaving Performance Cultures** Erika Fischer-Lichte,Torsten Jost,Saskya Iris Jain,2014-01-10 This book provides a timely intervention in the fields of performance studies and theatre history and to larger issues of global cultural exchange The authors offer a provocative argument for rethinking the scholarly assessment of how diverse performative cultures interact how they are interwoven and how they are dependent upon each other While the term intercultural theatre as a concept points back to postcolonialism and its contradictions The Politics of Interweaving Performance Cultures explores global developments in the performing arts that cannot adequately be explained and understood using postcolonial theory The authors challenge the dichotomy the West and the rest where Western cultures are universal and non Western cultures are particular as well as ideas of national culture and cultural ownership This volume uses international case studies to explore the politics of globalization looking at new paternalistic forms of exchange and the new inequalities emerging from it These case studies are guided by the principle that processes of interweaving performance cultures are in fact political processes The authors explore the inextricability of the aesthetic and the political whereby aesthetics cannot be perceived as opposite to the political rather the aesthetic is the political Helen Gilbert s essay Let the Games Begin Pageants Protests Indigeneity 1968 2010 won the 2015 Marlis Thiersch Prize for best essay from the Australasian Drama Theatre and Performance Studies Association Theatre and the World Rustom Bharucha,2003-09-02 In this passionate and

controversial work director and critic Rustom Bharucha presents the first major critique of intercultural theatre from a Third World perspective Bharucha questions the assumptions underlying the theatrical visions of some of the twentieth century s most prominent theatre practitioners and theorists including Antonin Artaud Jerzsy Grotowski and Peter Brook He contends that Indian theatre has been grossly mythologised and taken out of context by Western directors and critics And he presents a detailed dramaturgical analysis of what he describes as an intracultural theatre project providing an alternative vision of the possibilities of true cultural pluralism Theatre and the World bravely challenges much of today s multicultural theatre movement It will be vital reading for anyone interested in the creation or discussion of a truly non Eurocentric world theatre
