Their Eyes Meeting The World:

Their Eyes Meeting the World Robert Coles, 1995-07-01 **Mother-Infant Attachment and Psychoanalysis** Mary Y. Ayers, 2014-06-11 Winner of the 2004 Gradiva Award from the National Association for the Advancement of Psychoanalysis The issue of shame has become a central topic for many writers and therapists in recent years but it is debatable how much real understanding of this powerful and pervasive emotion we have achieved Mother Infant Attachment and Psychoanalysis argues that shame can develop during the first six months of life through an unreflected look in the mother's eyes and that this shame is then internalised by the infant and reverberates through its later life The author further expands on this concept of the look through a powerful and extensive study of the concept of the Evil Eye an enduring universal belief that eyes have the power to inflict injury Finally she presents ways of healing shame within a clinical setting and provides a fascinating analysis of the role of eye contact in the therapeutic encounter This book brings together a unique blend of theoretical interpretations of shame with clinical studies and integrates major concepts from psychoanalysis Jungian analysis developmental psychology and anthropology The result is a broad understanding of shame and a real understanding of why it may underlie a wide range of clinical disorders *The Two Worlds*, 1926 **In Their Eyes** Kirro Burrows, 2024-12-18 Vanessa Porter has spent the last five years haunted by the memory of her late husband Mark whose untimely death shattered her heart As a vampire widow she navigates a world where the supernatural and human realms intertwine undertaking Hunts for Division 11 to maintain the fragile balance Her life takes an unexpected turn when she meets Seiros a mysterious stranger that ignites a spark she thought long extinguished However Vanessa soon finds herself entangled in the dangerous web of a sinister cult determined to disrupt the harmony between humans and supernaturals As she delves deeper into the cult's dark plans Vanessa must rely on her newfound connection with Seiros and her own unwavering resilience to uncover and thwart their malevolent schemes Can Vanessa find the strength to let go of the past and embrace a new future or will the shadows of grief and the cult's dark influence keep her trapped in a life half lived *The Value of Drawing Instruction in the Visual Arts and Across Curricula* Seymour Simmons III, 2021-03-29 By applying philosophical and historical perspectives to drawing instruction this volume demonstrates how diverse teaching methods contribute to cognitive and holistic development applicable within and beyond the visual arts Offering a new perspective on the art and science of drawing this text reveals the often unrecognized benefits that drawing can have on the human mind and thus argues for the importance of drawing instruction despite and even due to contemporary digitalization Given the predominance of visual information and digital media visual thinking in and through drawing may be an essential skill for the future As such the book counters recent declines in drawing instruction to propose five Paradigms for teaching drawing as design as seeing as experience and experiment as expression and as a visual language with exemplary curricula for pre K12 art and general education pre professional programs across the visual arts and continuing education With the aid of instructional examples

this volume dispels the misconception of drawing as a talent reserved for the artistically gifted and posits it as a teachable skill that can be learned by all This text will be of primary interest to researchers scholars and doctoral students with interests in drawing theory and practice cognition in the arts positive psychology creativity theory as well as the philosophy and history of arts education Aligning with contemporary trends such as Design Thinking STEAM and Graphicacy the text will also have appeal to visual arts educators at all levels and other educators involved in arts integration *Approaches to Psychic Trauma* Bernd Huppertz, 2018-10-16 *Approaches to Psychic Trauma* Theory and Practice covers the many developments in the relatively new field of trauma therapy It examines the nature of the wide variety of treatments available for traumatized people describing elements they have in common and those that are specific to each treatment Originating with the editor's clinical experience working with patients from the former German Democratic Republic contributors then discuss alternative therapies including ego psychology self psychology object relations theory attachment theory psychoanalysis and art therapies Case studies further illustrate the application and practice *Approaches to Psychic Trauma* presents a diversity of theories and tools centering on trauma and history and through the microcosm of individual personalities one may have a close up view of how historical events as well as personal narratives and reactions to them consciously and unconsciously affect the individual *The Greatest Romance Classics of World's Literature*

Stendhal, Charles Dickens, William Shakespeare, Burton Egbert Stevenson, Charlotte Brontë, Anne Brontë, Emily Brontë, Henry James, Louisa May Alcott, Jane Austen, George Eliot, Walter Scott, Thomas Hardy, O. Douglas, Edith Wharton, Alexandre Dumas, Meredith Nicholson, Virginia Woolf, Nathaniel Hawthorne, Gaston Leroux, Grace Livingston Hill, Theodore Dreiser, Kate Chopin, Earl Derr Biggers, Fanny Burney, Georgette Heyer, H. G. Wells, E. M. Forster, F. Scott Fitzgerald, Leo Tolstoy, Elizabeth Gaskell, P.G. Wodehouse, R.D. Blackmore, Pierre Choderlos de Laclos, Madeleine L'Engle, 2022-11-13 *The Greatest Romance Classics of World's Literature* is an unparalleled anthology that showcases the evolution and diversity of romantic literature through the ages This collection brings together an extraordinary range of literary styles from the classic English romance of Jane Austen and the Brontë sisters to the enthralling Russian epics of Leo Tolstoy and from the psychological intricacies of Henry James to the avant garde narratives of Virginia Woolf With standout pieces that have each in their own way redefined the genre this anthology highlights the universal theme of love while showcasing the cultural and stylistic differences that enrich the concept of romance The variety within these pages offers readers a comprehensive insight into the genre's development setting a precedent for literary excellence The authors represented in this anthology are not just luminaries in their own right but collectively serve as the architects of the romantic and literary sensibilities that have shaped modern storytelling From the engrossing societal critiques of Charles Dickens and George Eliot to the pioneering narrative techniques of E M Forster and F Scott Fitzgerald these authors have profoundly contributed to their respective eras movements and genres The anthology's diversity reflects significant historical and cultural movements blending the Gothic

romance of the Brontës the Victorian realism of Thomas Hardy and the existential musings of modernists like Woolf and Forster thereby providing an intricate tapestry of human emotion and interaction through the ages For readers eager to embark on a journey through the history of romance in literature The Greatest Romance Classics of World's Literature offers an unrivaled opportunity It presents a unique chance to delve into the myriad forms of romantic expression exploring its evolution from the passionate often tumultuous relationships of early literature to the nuanced introspective portrayals of the contemporary period This anthology not only educates but also entertains inviting readers to engage with the dialogues and debates that have animated the genre for centuries It is an essential collection for anyone looking to understand the depth and breadth of romantic literature and its continuous influence on world literature **Whispers of Obsidian** Luna

Highland,2024-09-26 Whispers of Obsidian a captivating blend of fantasy and folklore young glassblower Zara discovers an extraordinary gift the ability to hear the secrets of volcanic glass As her village faces a mysterious blight Zara must embark on a perilous journey to unravel the truth behind her newfound power and save her home This coming of age tale weaves a rich tapestry of adventure self discovery and ancient magic Set in a world where ancient stones hold reality shaping powers the story alternates between Zara's quest and legends of past glass speakers gradually revealing the connection between age old lore and present day events With its unique magic system centered around the art of glassblowing and the mystical properties of obsidian the novel offers a fresh take on the chosen one trope Lyrical prose echoing oral storytelling traditions brings to life a diverse cast of characters each contributing their own cultural folklore to this immersive fantasy world
