Novel Summary KyuYoung made a clumsy VR headset that didn't work so well. But it didn't matter because it was to attract his friend JaHwan. With that in mind, KyuYoung invited JaHwan for a drink. modernSetting friends comedy strongGong deceivingSoo timidSoo This short story of yaoi BL is translated from the original Korean short web novel. This short story contains material only suitable for adults. Tables Of Contents Title Page Body Content Copyright 59 pages in approx print length Preview KyuYoung fiddled with a VR headset. He adjusted it a little bit and even tested it. He wondered if it would really be like real. Oh I don't know. He couldn't think of a better way other than this. Finally he checked his headset one more time and reviewed the equipment he had prepared in advance. In fact everything else was a meaningless trick. Shouldn't it look plausible. KyuYoung took a deep breath and called Hello Hi KyuYoung Oh What's going on What are you doing right now I'm just curious KyuYoung's tongue got twisted at the moment. He was trying to speak as calmly as possible. If KyuYoung would be behaving like this weirdly his friend JaHwan would notice that it was strange. KyuYoung twisted his finger sweating. Me I'm on my way home. Why Did something happen No Nothing happened KyuYoung who was murmuring and blurring the end of his speech shook his head. What's going on What What's going on It means there's none KyuYoung heard a laughing voice. There's something serious going on. Of course something serious was going to happen to JaHwan not to him. KyuYoung tried to speak as low as possible. Did JaHwan notice his tricks as well. He heard a light sound of holding back laughter. So can we meet now. Now Hmm Okay Got it. Where should we go. The bar I went to last time was okay. Come to my place. Okay Got it. What should I buy. A lot of drinks. For some reason he thought JaHwan should not be sober. JaHwan laughed loudly at the words of KyuYoung. You can't even drink so much. I think it'll take about 30 minutes. Okay Take your time. KyuYoung who hung up the phone stood blank for a while. All that's left was doing it actually. He quickly cleaned up the house and took a shower again. KyuYoung who prepared the house in his own way stood still in front of the front door and waited for JaHwan to come.

Boys Love Manga and Beyond Mark McLelland,Kazumi Nagaike,Katsuhiko Suganuma,James Welker,2015-01-28 Boys Love Manga and Beyond looks at a range of literary artistic and other cultural products that celebrate the beauty of adolescent boys and young men In Japan depiction of the beautiful boy has long been a romantic and sexualized trope for both sexes and commands a high degree of cultural visibility today across a range of genres from pop music to animation In recent decades Boys Love or simply BL has emerged as a

mainstream genre in manga anime and games for girls and young women This genre was first developed in Japan in the early 1970s by a group of female artists who went on to establish themselves as major figures in Japan's manga industry By the late 1970s many amateur women fans were getting involved in the BL phenomenon by creating and self-publishing homoerotic parodies of established male manga characters and popular media figures The popularity of these fan-made products sold and circulated at huge conventions has led to an increase in the number of commercial titles available Today a wide range of products produced both by professionals and amateurs are brought together under the general rubric of boys' love and are rapidly gaining an audience throughout Asia and globally This collection provides the first comprehensive overview in English of the BL phenomenon in Japan its history and various subgenres and introduces translations of some key Japanese scholarship not otherwise available Some chapters detail the historical and cultural contexts that helped BL emerge as a significant part of girls' culture in Japan Others offer important case studies of BL production consumption and circulation and explain why BL has become a controversial topic in contemporary Japan
