Theology as the Science of God Ximian Xu, 2022-06-13 The revival of Calvinism in the nineteenth century Netherlands entailed the neo Calvinist movement With Abraham Kuyper Herman Bavinck became a brand name of neo Calvinism Nonetheless not until the first decade of the twenty first century was scholarly interest in Bavinck s work increasing The conventional two Bavincks model used to read his work for much of the twentieth century argues that some contradictory and irreconcilable themes do exist in Bavinck s system which makes Bavinck a self contradictory thinker This dualistic reading characterised most of Bavinck scholars in the second half of the twentieth century Since James Eglinton s new reading of Bavinck s organic motif the conventional model became untenable and scholars are seeking for a reunited Herman Bavinck Bavinck as a holistic theologian has become the industry standard of Bavinck studies Ximian Xu aims on the one hand to maintain one Bavinck on the other hand and more importantly to fill in a notable gap in Bavinck scholarship that is no single work hitherto has focused on Bavinck s idea of theology as the wetenschap science of God This study demonstrates that the idea of scientific wetenschappelijke theology furnishes the meta paradigm and cardinal model that incorporates the fundamental characteristics and themes of Bavinck s dogmatic system Moreover it argues that Bavinck s scientific theology makes an attempt to engage with the other sciences Given this Bavinck s scientific theology is relevant today That is Bavinck s theological insights can be deployed to advance theology s engagement with the other sciences in contemporary secular universities

Gaylon Barker, 2015-09-01 The Cross of Reality investigates Bonhoeffer s interpretation and use of Luther s theology in shaping his Christology In this essay H Gaylon Barker uses the theology of the cross as a key to understanding the characteristic elements that make up Bonhoeffer s theology he also shows how Bonhoeffer s conversation with his teachers and contemporaries Karl Holl and Karl Barth in particular develops Bonhoeffer s thought was indeed radical and revolutionary but it was so precisely because of its adherence to the classical traditions of the church especially Luther s theologia crucis

The Collected Sermons of Dietrich Bonhoeffer Isabel Best, Dietrich

Bonhoeffer,2012-12-01 Preaching according to Bonhoeffer is like offering an apple to a child The gospel is proclaimed but for it to be received as gift depends on whether or not the hearer is in a position to do so Offered here are thirty one of Pastor Bonhoeffer s sermons in new English translations which he preached at various times of the year and in a variety of different settings Each is introduced by Bonhoeffer translator Isabel Best who also provides a brief biography of Bonhoeffer The foreword is by Victoria J Barnett general editor of the Dietrich Bonhoeffer Works English edition published by Fortress Press from which these sermons are selected In his preaching Bonhoeffer s strong personal faith the foundation for everything he did shines in the darkness of Hitler s Third Reich and in the church struggle against it Though not overtly political Bonhoeffer s deep concern for the developments in his world is revealed in his sermons as he seeks to draw the listener into conversation with the promises and claims of the gospel a conversation readers today are invited to join **In the Shadow**

of a Rugged Cross Charles R. Ringma,2025-04-29 Dietrich Bonhoeffer is well known for his resistance to Hitler s Nazification of the Lutheran Church in Germany and his opposition to Hitler s broader political agenda He is also celebrated as an innovative theologian and as a faithful pastor His Cost of Discipleship is now a Christian classic What animated Bonhoeffer s life and mission was a profound christological spirituality This accessible approach to Bonhoeffer s spiritual reflections throughout all of his writings makes them an inspirational resource for all who seek to follow Christ in costly service and prophetic witness **Human Subjectivity 'in Christ' in Dietrich Bonhoeffer's Theology** Jacob

Phillips,2019-09-19 Jacob Phillips presents a critical study of a neglected aspect of Dietrich Bonhoeffer s theology his writing on human subjectivity self reflection and individual identity in Christ In response to the rise of chronic self representation through digital technology Phillips argues that Bonhoeffer presents a radical challenge maintaining that from the perspective of Christian theology there is something deeply negative about beholding representations of oneself Bonhoeffer instead holds that discipleship means adopting a posture of radical agnosticism toward one s own identity Phillips focuses on the interrelation of simplicity and reflection in theological cognition and ethical deliberation showing a wider significance in contemporary theological anthropology soteriology and ethics By following the tradition of reading Bonhoeffer in relation to the philosophical sources such as W stenberg Janz Whitson Floyd Marsh Zimmermann Gregor Phillips highlights the ways in which Bonhoeffer s work relates to modern debates in epistemology and ethics generally and that of Wilhelm Dilthey and hermeneutical phenomenology in particular This volume offers a detailed theological analysis of the themes of self identity human subjectivity and self understanding which are highly pertinent for contemporary society *Double Particularity*

Daniel D. Lee,2017-05-01 Double Particularity is a constructive proposal for theological methodology addressing the Asian American context using the theology of Karl Barth It focuses primarily on employing Barth s theology to develop a methodology for engaging the Asian American context This methodological focus means that it is an integrative and synthetic work bringing seemingly disparate thoughts and concepts together Here the Asian American context serves as an important

case study With the center of worldwide Christianity moving to the global South and even as American Christianity becomes more reflective of immigrant populations the theological need for a deeper engagement with context is more urgent than ever Karl Barth particularly his thought on election Christology and reconciliation offers much wisdom and insight for the churches of the majority world and for these ethnic churches even though he is often seen as just a figure in the Western historical tradition Hence this study is a contribution to the development of a connection between Barth and contextual theology to the stimulation and enrichment of both

Trinity and Incarnation Steven Nemes, 2023-08-28 This book argues that the doctrine of God taken for granted in the catholic tradition divine transcendence creatio ex nihilo divine simplicity makes it impossible to give an intelligible and coherent interpretation of the verbal formulas of the catholic dogmas of Trinity and incarnation By way of response to this apparent incoherence at the heart of the catholic theological tradition it proposes an alternative post catholic take on these central doctrines in the light of a qualified monistic conception of God and a Spirit Christological interpretation of Jesus's relation to God the Father as presented in the New Testament

Led into Mystery John de Gruchy, 2014-07-28 Led into Mystery is an unanticipated sequel to John de Gruchy's book Being Human Confessions of a

Christian Humanist It was prompted by the untimely and tragic death of his eldest son Steve in February 2010 and the questions this posed about the meaning of life and death from the perspective of Christian faith Reading in the Presence of Christ: A Study of Dietrich Bonhoeffer's Bibliology and Exegesis Joel Banman, 2021-02-11 Bonhoeffer's writings include a significant amount of biblical interpretation but his potential contributions in the fields of biblical studies and theological exegesis of Scripture have not been sufficiently explored This study reassesses some of his key exegetical writings in light of his theology of revelation and bibliology unfolding the ways in which his reading of the Bible is determined by his theology of Scripture Through this analysis Joel Banman demonstrates that the uniting factor of Bonhoeffer's biblical interpretation is not methodological but bibliological he reads Scripture as the living word of the present Christ **The Scientific World of Karl-Friedrich Bonhoeffer** Kathleen L. Housley, 2018-09-05 In twentieth century Germany Karl Friedrich Bonhoeffer rose to prominence as a brilliant physical chemist even as several of his relatives Dietrich Bonhoeffer among them became involved in the resistance to Hitler leading to their executions This book traces the entanglement of science religion and politics in the Third Reich and in the lives of Karl Friedrich his family and his colleagues including Fritz Haber and Werner Heisenberg Nominated for the Nobel Prize Karl Friedrich was an expert on heavy water a component of the atomic bomb During the war he was caught in the middle between relatives who were trying to kill Hitler and friends who were helping Hitler build a nuclear weapon Karl Friedrich emerges as a complex figure an agnostic whose brother was a renowned theologian and a chemist who both reluctantly advised German nuclear scientists and collaborated with Paul Rosbaud a spy for the British Illuminating the uneasy position of science in twentieth century Germany *The Scientific World of Karl Friedrich Bonhoeffer* is the story of a man in love with chemistry his family and his nation trying to do right by all of them in the midst of chaos *Start Where You Are* Rashawn Copeland, 2020-09-01 How would you describe your walk with God Fresh and passionate Vibrant and full of life Stagnant Nonexistent No matter where you are on your walk that's exactly where God promises to meet you even if it's messy Sharing his own story of spiritual drifting popular online pastor Rashawn Copeland encourages you to accept yourself as a glorious work in progress a beloved child in whom God delights a person on the brink of revival Anchoring everything in Scripture he shows you how to start your walk with God now even in the midst of your mess Even in the midst of addiction doubt depression fear and years spent running from God he shows it is possible to find God's love and acceptance develop strong character choose to rejoice move out of your mess see life through God's eyes be a loving person in a hateful world never settle for less than God's best and more The change you long to see in the world starts in your own heart Thankfully that's exactly where God is waiting for you *The Forgotten Luther II* Paul A. Wee, Ryan P. Cumming, 2019-04-02 In this critical time in history this volume argues that what is urgently needed is a cogent clear biblically based and theologically grounded rationale for the manner in which the church speaks and acts in the political arena Lured at times into other worldly quietism because of the pressure of historical events or distorted through a rigid

understanding of the two kingdoms the church of the Reformation has at times been silent in addressing the political factors that create and contribute to hunger injustice and war This book looks carefully at the public witness of Martin Luther and its meaning for preaching teaching and carrying out public ministry today Luther s conviction was that government is responsible to God for containing evil and maintaining peace and good order and for ensuring that no person is hungry or in want The book asks critical questions When should the church support the state s agenda When should it resist What are the options for critical but constructive cooperation This helpful volume includes essays from leading Lutheran theologians a summary description of what this means for local ministry and a study guide to encourage conversation and action

Bonhoeffer the Assassin? Mark Thiessen Nation,Anthony G. Siegrist,Daniel P. Umbel,2013-10-01 Most of us think we know the moving story of Dietrich Bonhoeffer s life a pacifist pastor turns anti Hitler conspirator due to horrors encountered during World War II but does the evidence really support this prevailing view This pioneering work carefully examines the biographical and textual evidence and finds no support for the theory that Bonhoeffer abandoned his ethic of discipleship and was involved in plots to assassinate Hitler In fact Bonhoeffer consistently affirmed a strong stance of peacemaking from 1932 to the end of his life and his commitment to peace was integrated with his theology as a whole The book includes a foreword by Stanley Hauerwas Dietrich Bonhoeffer 1906-1945 Ferdinand Schlingensiepen,2010-06-03 An important contribution to our understanding of the period The Catholic Herald *Between Congregation and Church* Barry A.

Ensign-George,2017-12-14 Denominations are one of the primary ways in which Christians attempt to live in a community based around God Yet there is very little careful theological analysis of denomination available today *Between Congregation and Church* offers a constructive theological understanding of denomination showing its role as an intermediary structure between congregation and church It places denomination and other intermediary structures within the doctrine of the church Barry Ensign George reviews work by theologians and church historians that can contribute to a constructive theological understanding of denomination The book highlights particular developments in the history of the church that established preconditions for the emergence of denomination Exploration of unity and diversity is central to this analysis and individual chapters offer theological analyses of the unity and the diversity to which the Christians are called Finally denomination has often been a vehicle for sin and the relationship between denomination and sin is considered *Between Congregation and Church* addresses a major gap in contemporary theology the failure to offer substantive theological analysis of denomination a major way Christians together live their faith today
