**Spanning the Abyss** Angel M. *Dictionary of the Old Testament: Prophets* G MCCONVILLE, MARK J BODA, 2020-05-21 The writings of the prophets make up over a quarter of the Old Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel's unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The *Dictionary of the Old Testament: Prophets* is the only reference book of its kind Not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts

is explored in articles on the history of interpretation as well as on their impact in the New Testament     Putting God on Trial Robert Sutherland, 2004 Many scholars find the legal metaphor of an Oath of Innocence inappropriate though for different reasons Some liberal scholars opt for an aesthetic not a moral resolution of the question of evil in the world They find a sublime beauty in God s review of the animal and physical worlds Behemoth and Leviathan But that is all they find They find no suggestions of moral purpose in God s creation and control of evil Indeed they feel none could be forthcoming God is beyond good and evil so no moral resolution is possible Since no moral resolution is possible a legal metaphor such as a lawsuit dramatizing the moral question is inappropriate They interpret Job to understand that position And they interpret him to retract the lawsuit in its entirety This author feels such liberal scholars miss a moral resolution for five reasons a First they fail to give adequate weight to Satan s first speech in heaven setting out the moral solution b Second they misinterpret Job s struggle with God to be a request for a restoration of his former position rather than a request to know the reason behind evil in the world c Third they fail to appreciate the moral restrictions under which God has to operate God cannot reveal any moral answers directly without defeating his very purpose in the creation and control of evil As a result they miss the suggestions of moral purpose in God s two speeches and the inferences God would have Job draw d Fourth they fail to fully appreciate the legal dynamics of the enforcement mechanism of Job s Oath of Innocence In particular they fail to appreciate the distinction between causal responsibility and moral blameworthiness Thus they do not understand God s comments concerning vindication and condemnation in his first speech to Job And they do not understand Job s hesitation to proceed beyond his own vindication to a condemnation of God in Job s first speech to God Ultimately they fail to see Job s adjournment and continuation of his Oath of Innocence implied by the allusion to the story of Abraham and Sodom and Gomorrah in Job s final speech e Finally they fail to give full expression to God s ultimate judgement on Job Job and only Job spoke rightly about God In the face of such a judgement there is no room to deny the ultimate propriety of the moral and legal question as a way of framing man s encounter with God Some conservative scholars opt for a moral resolution of the question of evil in the world but their resolution is equally unsatisfying They interpret Job s so called excessive words and his Oath of Innocence to be sins of presumption Thus they would have Job retract his lawsuit in its entirety and repent morally for either his so called excessive words his raising of the lawsuit or both This author feels such conservative scholars miss a satisfactory moral resolution for three reasons a First they fail to understand the depth of Satan s challenge to God It is not merely that Job will curse God It is that God is wrong in his judgement on Job s goodness God missed sin in Job s life Such scholars think their moral resolution is possible because although Job sins Job does not actually curse God Their resolution actually makes Satan right in his challenge of God so that God should step down from his throne and destroy mankind b Second they fail to give proper weight to Job s blamelessness and integrity The raising of the Oath of Innocence is an expression of that blamelessness and integrity It is what God expects of Job though he cannot tell him that directly c Finally

they fail to give full expression of God's ultimate judgement on Job. Job and only Job spoke rightly about God. In the face of such a judgement there is no room to attribute sin or wrongdoing to Job for either his so-called excessive words or for his Oath of Innocence. My personal interpretation charts a new middle course between these two-fold horrors. Divine Violence and the Christus Victor Atonement Model Martyn J. Smith, 2016-09-23. In this book Martyn Smith addresses the issue of God's violence and refuses to shy away from difficult and controversial conclusions. Through his wide-ranging and measured study he reflects upon God and violence in both biblical and theological contexts, assessing the implications of divine violence for understanding and engaging with God's nature and character. Jesus too, through his dramatic actions in the temple, is presented as one capable of exhibiting a surprising degree of violent behavior in the furtherance of God's purposes. Through a reappropriation of the ancient Christus Victor model of atonement with its dramatic representation of God's war with the Satan, Smith proposes that Christian understanding of both God and salvation has to return to its long-neglected past in order to move forward both biblically and dynamically into the future. Days? or Ages? the Genesis Question Jerry Harmon, 2016-03-18. Days or Ages offers a fresh look at a centuries-old debate: Does the Bible say creation was accomplished within one week of time, beginning a few thousand years ago, or over countless millennia, beginning millions or even billions of years in the distant past? Opinions abound from biblical scholars, scientists, and laypeople alike, and achieving a clear perspective can be difficult at best. This work summarizes a thorough examination of Genesis 1, including relevant passages from other parts of the Bible, all in plain, straightforward language. Rather than begin with assumptions, as so many opinions do, and from there select and interpret scriptures in such a way as to support a given view, this work instead first provides a detailed examination of what Scripture itself appears to reveal, all Scripture that bears on the issue, and then examines what one might reasonably conclude. Although written by a layman, it draws from a wealth of scholarly works by some of the world's leading theologians and other learned professionals. Whatever one's opinion might be, this thesis will be informative reading and a significant resource to help clear away some of the clouds of mystery surrounding one of the Bible's most challenging subjects. Am I Still My Brother's Keeper? Robert Wafawanaka, 2012-04-05. What does the Bible say about poverty and our responsibility toward the poor? This book examines the concept of brother's keeper in both the ancient Near East and the biblical world. Wafawanaka contends that biblical Israel failed to play the rightful role of brother's keeper and claims that we too have strayed from this responsibility. *Am I Still My Brother's Keeper?* reveals what we can learn about poverty from a biblical context and how we might appropriate those insights to fight poverty in our own communities. Beginning with the biblical mandate in Deuteronomy 15, Wafawanaka surveys the Hebrew Scriptures and challenges those with power and resources to reevaluate their response to the poor. Failure to revisit the notion of brother's keeper threatens to create a society that is increasingly disenfranchised and unjust. A glance at our world in light of biblical history suggests that poverty is an endemic global problem that requires a radical global solution. Sacred House Alan Andraeas, 2019-10-01. While the

House Church Movement is gaining immense popularity throughout many denominational and independent faith communities collectively standing as the largest denomination in the United States sacramental and liturgical congregations are taking only the most tentative steps toward this venue of worship Consequently there exists a vacuum of guidelines or information to support this dynamic ministry model from a uniquely sacramental perspective In this book Dr Andraeas examines the scriptural foundations for liturgical worship the biblical theological and historical precedents for house churches and how a union between priestly liturgy and house church worship complement and support each other He concludes with a vigorous challenge for all sacramental and liturgical jurisdictions to engage their seminarians clergy and people in embracing this approach to church planting evangelism and community ministry while offering thoughtful and obtainable recommendations

*The Search for Ultimate Reality* Dan Liroy, 2005 In analyzing the intertextuality between the Genesis and Johannine Prologues Dr Liroy maintains that both passages utilize polemical theology to refute distorted views of ultimate reality Furthermore he theorizes that the author of the Johannine Prologue deliberately reflected the structure and themes found in the Genesis Prologue to emphasize that the God man Jesus Christ created all things and is a new spiritual beginning for all who believe in Him Ultimate reality is found through faith in the Son

**Famine in the Land** Steven J. Lawson, 2003-07-01 Steven Lawson understands how important it is to feed God's people from His Word He is concerned that what started as a genuine attempt to attract a broader hearing by moving away from Scripture has grown into a crisis in the church He is convinced that we must return to expository preaching the man of God opening the Word of God and expounding its truths so that the voice of God may be heard the glory of God seen and the will of God obeyed Lawson calls the church back to Scripture to restore its commitment to let God's own words speak

*A Biblical Theology of Gerassapience* Joel A. A. Ajayi, 2010 Ancient cultures such as that of the Hebrews commonly associated wisdom with advanced years In *A Biblical Theology of Gerassapience* the author investigates the validity of this correlation through an eclectic approach including linguistic semantic tradition historical and socio anthropological methods to pertinent biblical and extra biblical texts There are significant variations in the estimation of gerassapience or old age wisdom in each period of ancient Israel's life that is in pre monarchical monarchical and post monarchical Israel Throughout this study appropriate cross cultural parallels are drawn from the cultures of ancient Israel's neighbors and of modern societies such as the West African Yoruba tribe The overall results are bi dimensional On the one hand there are semantic elements of gerassapience such as the elusiveness of wisdom and the mild fluidity of old age Both terms have strong contextual affinity with minimal exceptions Thus the attribution of wisdom to old age is evident but not absolute in the Hebrew Bible Old Testament On the other hand gerassapience is depicted as primarily didactic through direct and indirect instructions and counsels of the elderly fostering the saging fear of Yahweh legacies On the whole socio anthropocentric tendencies of gerassapience that is of making old age a repertoire of wisdom are checked by theological warrants of theosapience Yahwistic wisdom Therefore in

the Hebrew Bible the fear of Yahweh is also the beginning of growing old and wise

### **The Legacy of Biblical**

**Womanhood** Susan Hunt, Barbara Thompson, 2003-03-06 Many Christian women are floundering they are confused about what it means to be a Christian woman Churches aren't sounding a clear call to biblical womanhood much less teaching what it is On top of that precious few resources exist to help disciple women in the biblical image of womanhood In this book Susan Hunt and Barbara Thompson call women to pass on a legacy of biblical womanhood to the next generation Part One gives a defense of biblical womanhood urging women to follow God's design Part Two applies the principles of biblical womanhood to the stages of a woman's life This includes a chapter about what it means to have a pilgrim's perspective through the final season of life on earth Part Three appeals to churches to equip women to live out and to leave the legacy of biblical womanhood and includes practical guidance for ministering to women When combined with Crossway's Spiritual Mothering By Design and The True Woman this book will breathe new life into women's ministries in the church
