Theologies Of Liberation In Palestine Israel Indigenous Contextual And Postcolonial Perspectives Postmodern Ethics:

Theologies of Liberation in Palestine-Israel Nur Masalha, Lisa Isherwood, 2014-04-29 This collection of essays concerns the development of contextualized theologies of liberation in Palestine and the indigenous Palestinian people's struggle for justice and liberation. The work is innovative because of its inclusion of indigenous perspectives within its remit and the introduction of new concepts such as civil liberation theology. The collection offers other ways to look at biblical discourses and their impact on the ongoing conflict, ways to live in peace, ways to be ethical when visiting these conflicted lands, understandings of resource ethics, and even a new way to understand how we approach our understanding of liberation theology. Contributors include well-known scholars from Muslim, Jewish, Christian, Palestinian, Israeli, Indian, American, and British contexts. This work goes beyond standard academic collections. It is aimed not only at scholars and students but also at peace activists and policymakers. It should be of use not only in academic courses but also for practitioners of conflict resolution, peace, and reconciliation.

Lincoln's Political Ambitions, Slavery, and the Bible Edwin D. Freed, 2012-07-01 Abraham Lincoln did not take his family Bible to the White House. And the reason he did not use the Bible in his first inaugural address was not because it failed to arrive in his baggage. Freed concentrates on what Abraham Lincoln himself says instead of what others say about him, which yields insights into understanding Lincoln's speech before the Young Men's Lyceum, his reply to the Loyal Colored People of Baltimore, and his Second Inaugural Address. The author shows that much of what has been written about Lincoln's knowledge of the Bible and its influence on his thought is myth. Although his language was replete with vocabulary from the Bible, Lincoln's knowledge of it was superficial, and he did not use the Bible to promote religion. He was always a politician but with a moral sensitivity. With the Declaration of Independence and the US Constitution, he used the Bible to help him achieve his political ambitions and to support the emancipation of slaves. A unique book on a subject never treated so thoroughly, this is a must-read for all Lincoln admirers.

Justice on the Cross Kathleen Christison, 2023-03-09 At its heart, liberation theology is a modern theology of resistance to the oppression imposed by colonialist and post-colonialist systems and even by churches that cooperate with secular centers of power to oppress the poor and disadvantaged. It is a grassroots social justice theology, a *cri de c ur* that seeks to give spiritual succor and hope to those living in seemingly hopeless circumstances. Palestinians, a people whose suffering has largely been forgotten by the world since Israel's establishment and who are most often stereotyped as extremists and enemies of Israel with no legitimate claim to their own homeland, are among the world's most marginalized populations. The small Palestinian Christian community, an indigenous population descended from Jesus's first followers, has created a liberation theology for the Palestinian context that reaches out to its own Christian faithful and their Muslim compatriots. This is a nonviolent political theological resistance that follows Jesus's teaching that God is present with all God's children and heeds Jesus's gospel.

injunctions to comfort the suffering and let the oppressed go free For Palestinians their very survival in the land is resistance to Israel s efforts to remove them and liberation theology sustains their resistance Jesus was the first liberation theologian

Zizek: Paper Revolutionary Marko Zlomislíć,2018-05-18 In this new book Marko Zlomislíć argues that Slavoj i ek s work does not contain any sort of radical emancipatory project especially as it passes through the ideology of communism and Lacanian psychoanalysis The evidence for the failure of communism is vast and includes the more than six hundred mass graves recently located in i ek s homeland of Slovenia Zlomislíć demonstrates that the way out of the capitalist dilemma is not a repetition of communism but a return to the late medieval notion of haecceity or individual thisness that was rejected by modernity Haecceity or the indescribable and indefinite here and now of the person shows that the late medieval Franciscans were already postmodernists It is no wonder that the totalitarianism of the modernist Hegel is embraced by thinkers such as i ek Badiou Hardt Negri and Laclau and was already rejected by Leibnitz Kierkegaard Nietzsche Levinas Deleuze and Derrida This important book shows that i ek s work must be rejected because it does not uphold the dignity worth and uniqueness of the person

Between Speech and Silence Stephen J. Costello,2022-09-16 This book concerns itself with the origin of speech and language takes the reader through the steps of dialectic how to reason and rhetoric how to persuade examines the importance of stories and symbols and the role of thinking and highlights the necessity of silence and the practice of meditation Though it is written from a philosophical perspective it is eminently practical with guidelines exercises ancient advice and concrete suggestions on how to communicate convince and commune with one s self Dr Costello draws on both Eastern and Western thought to show the power poetry and potential of words It explores the following how to question Socrates and Plato how to argue Aristotle and Cicero how to be right Schopenhauer how to think Heidegger how to spot your speaking style the enneagram how to communicate compassionately Thich Nhat Hanh how to meditate and stay silent various contemplative traditions

Dynamics of Discernment Stephen J. Costello,2022-09-27 This is a unique book drawing together the profound insights of Eastern philosophy Advaita Vedanta Western depth psychology Jungian and spirituality Ignatian as applied to decision making Mention is made of Plato C G Jung Ira Progoff Viktor Frankl and Bernard Lonergan amongst others Powerful and practical tools and techniques for making wise decisions are offered There are sections on Descartes s famous square the ego and the Self the I Ching and synchronicity archetypes neuroscience and the triune brain biases and blind spots which can derail decision making together with chapters on creativity the aha experience and the Enneagram with its nine decision making styles Dr Costello is at pains to point out that heart emotions head reason and hands action doing must be integrated before effective decision making can take place and bear fruition

The Nine Faces of Fear Stephen J. Costello,2022-01-13 This book which draws on the principles and practices of philosophy is packed full of sound concrete advice and guidance from the wise of both East and West It shows us how to become free of fear that tyrant of the soul by living more from the Self than the ego Dr Costello details the dynamics of fear from the perspective of

Advaita Vedanta its forms and figures before presenting the nine fundamental fears with the help of the Enneagram system There are Stoic strategies for facing fears existential exercises and recommended daily practices Dr Costello writes as both a philosopher and clinician and brings to this fascinating subject in which we re all implicated his erudition in both theory and therapy The work complements his online course hosted by Udemy Therapy Technique for Anxiety Phobias OCD which highlights the importance of paradoxical intention derived from Viktor Frankl s school of philosophical psychology

The Total Enemy Mikkel Thorup,2015-02-23 The Total Enemy explores the most radicalized forms of enmity trying to unravel some of its historical and contemporary expressions Starting from the premise that one of modernity s constitutive values is non violence the book explores how non violence or rather the making of a world free of violence becomes a cause of violence in some instances even extreme violence and totalitarian terror The book consists of six case studies each exploring and discussing historically specific expressions of depicting an enemy as one the actors believe they can only deal with violently It begins by looking at two important sites in the development of the total enemy the French Revolution and the emergence of terrorist thinking in the middle of the nineteenth century The book then turns to the twentieth century beginning with the pre WWII conceptualizations of the total in European political thought as an answer to a liberal state deemed unfit to manage and control mass society Secondly it considers the totalitarian enemy in Nazi Germany especially Soviet Russia Finally the book turns to two forms of contemporary total enmity Islamism and in right wing extremism These concluding chapters look specifically at what happens to the total enemy concept once it goes from the state concept of the twentieth century to the private practice of the twenty first

People and Land Jione Havea,2019-11-06 Empires rise and expand by taking lands and resources and by enslaving the bodies and minds of people Even in this modern era the territories geographies and peoples of a number of lands continue to be divided occupied harvested and marketed The legacy of slavery and the scapegoating of people persists in many lands and religious institutions have been co opted to own land to gather people to define proper behavior to mete out salvation and to be silent The contributors to People and Land writing from under the shadows of various empires from and in between Africa Asia the Americas the Caribbean and Oceania refuse to be silent They give voice to multiple causes to assess and transform the usual business of theology and hermeneutics to expose and challenge the logics and delusions of coloniality to tally and demand restitution of stolen commodified and capitalized lands to account for the capitalizing touristy and forced movements of people and to scripturalize the undeniable ecological crises and our responsibilities to the whole life system watershed This book is a protest against the claims of political and religious empires over land people earth minds and the future

Political Trauma and Healing Mark G. Brett, 2016-05-27

How can Scripture address the crucial justice issues of our time In this book Mark Brett offers a careful reading of biblical texts that speak to such pressing public issues as the legacies of colonialism the demands of asylum seekers the challenges of climate change and the shaping of redemptive economies Brett argues that the Hebrew Bible can

be read as a series of reflections on political trauma and healing the long saga of successive ancient empires violently asserting their sovereignty over Israel and of the Israelites forced to live out new pathways toward restoration Brett retrieves the prophetic voice of Scripture and applies it to our contemporary world addressing current justice issues in a relevant constructive compelling manner

Unveiling the Energy of Verbal Art: An Psychological Sojourn through **Theologies Of Liberation In Palestine Israel Indigenous Contextual And Postcolonial Perspectives Postmodern Ethics**

In some sort of inundated with displays and the cacophony of instantaneous connection, the profound energy and psychological resonance of verbal beauty usually disappear into obscurity, eclipsed by the constant onslaught of sound and distractions.
