A Catechism for Family Life Sarah Bartel, John S. Grabowski, 2018-08-29 The purpose of A Catechism for Family Life Insights from Catholic Teaching on Love Marriage Sex and Parenting is to present the teachings of the Catholic Church as they relate to specific questions in marriage and family life Many Catholics are under catechized and have trouble both understanding and articulating Church teaching on sexuality and marriage to an increasingly challenging culture Pope Francis along with the fathers of the two recent Synods on the Family have called for better formation for those who work in the area of marriage and family life see Amoris Laetitia 202 To address this need we gathered pertinent questions facing men women and pastoral workers in marriage and family life We then found passages relevant to these questions by researching Church documents on marriage and family from the past one hundred years These include papal encyclicals apostolic exhortations and addresses Vatican II documents and the Catechism of the Catholic Church Mainstream media coverage of Church events and Church teaching leads many to misunderstand Catholic positions on marriage and family life While the Catholic Church has developed a rich detailed and positive teaching on marriage family and sexuality many Catholics do not have access to this teaching buried as it is in lengthy Church documents which many find intimidating Finding the relevant teaching to address specific questions is not always a simple task either This book's main contribution is to present Church teaching relevant to marriage and family in one volume clearly organized by topic and question

Sex Au Naturel Patrick Coffin, 2010 Sex Au Naturel What It Is and

Why It's Good For Your Marriage by radio host Patrick Coffin is a bracing ride across the landscape of the Catholic sexual ethic. If you're looking for intellectual ammo with which to defend and explain the teaching of *Humanae Vitae* or if you reject it altogether, you'll agree that Coffin approaches the topic from a wide array of new and persuasive angles. With humor and enthusiasm and a total absence of moralizing, you'll learn why Paul VI's landmark 1968 encyclical was widely rejected a generation ago and why it's gaining new respectability now. Where exactly the Bible teaches against birth control. The differences between contraception and natural family planning hint they're more profound than you think. The meaning of the natural law and how it applies to birth control. How the dogma of the Blessed Trinity implicitly condemns birth control. That every single Protestant denomination rejected birth control until 1930. Why the myth of overpopulation is used against the Church and how to answer it. How faithful adherence to the teaching of *Humanae Vitae* is causally related to marital happiness and longevity. Why it's not too late to start over even if you've been sterilized. How to rely on the ever-present grace of God rather than your own strength in faithfully following this challenging life-giving aspect of Christian discipleship. Much, much more.

[Remaking Humanity](#) Adam Beyt, 2024-08-22. Drawing upon Edward Schillebeeckx's theology and Judith Butler's philosophy, Adam Beyt uses the framework of nonviolent hope to construct a Catholic political theology responding to dehumanizing violence. Dehumanizing violence names words, institutions, or acts violating the inherent dignity of being made in the image and likeness of God. Theology can participate in dehumanizing violence by claiming an uninterrogated universality that marginalizes bodies due to their perceived differences.

such as gender race sexuality or ability The book's constructive project integrates Schillebeeckx's and Butler's thought with queer theory and phenomenology to model embodiment as an enfleshing dynamism between bodies and signification The text then posits Catholic discipleship as incarnating hope by defending the humanum the new humanity announced through God's Reign Combining reflections from Schillebeeckx and Butler this hope centers discipleship as nonviolent world building Concluding with a sustained reflection with the writings of Franz Fanon and Walter Benjamin the final chapter sketches a Catholic solidaristic response to contemporary struggles against the necropolitics of colonizing and state violence through assemblies of hope

The Contraception Deception: Catholic Teaching on Birth Control Patrick Coffin, 2018-05-01 The Contraception Deception Catholic Teaching on Birth Control by author Patrick Coffin is a comprehensive assessment of the Church's sexual ethic In this expanded revised edition of *Sex Au Naturel What It is and Why It's Good for Your Marriage* Coffin demonstrates how the rejection of *Humanae Vitae* impacts more than just our national birthrates With relevant insight into the development and reception of Paul VI's landmark 1968 encyclical Coffin explains why *Humanae Vitae* is more timely than ever In *The Contraception Deception* you'll learn where exactly the Bible teaches against birth control the differences between contraception and natural family planning hint they're more profound than you think why other reproductive technologies fall short of God's vision for marriage and family and most importantly how to rely on the ever present grace of God rather than your own strength in faithfully following this challenging life giving aspect of Christian discipleship [Sex and the IWorld](#) Dale S. Swoboda, 2024-02-20 Today's follower of Jesus exists at a moment in history when our desires longings and wants are being weaponized against us by cultural spiritual and relational forces Follow your heart and You do you has become our moment's mantras The result for too many is feeling torn asunder by the raging desires within What do we do with our desire What about our unwanted desires And how do we cultivate desires which bring life and freedom and lead to Christ *The Gift of Thorns* by A. J. Swoboda addresses these questions and more The path forward is anything but easy It is assumed by too many in the Christian community that desire is in and of itself bad or dangerous and must be crucified for simply existing Desire is demonic for some But for many others particularly in the secular West desire must be followed through and through This side deifies desire But these two options sidestep the joy in the great challenge of finding God in our desire There exists an ancient and sacred way that is forged around the life wisdom and power of Jesus and his Spirit In short what makes a follower of Christ is not whether or not we have desires Rather it is what we do with the desires we have Near the end of the story of humanity's rebellion the theme of thorns is introduced As readers will discover the thematic repetition of thorns pops up over and over throughout the Bible What are the thorns for They will be in the words of God for you Gen 3:18 The premise of this book is that a world where we do not get all that we want is well the greatest gift ever *The Why's? of Catholicism*

Sex, Gender, and Christianity Priscilla Pope-Levison,John R. Levison,2012-10-08 Should women be priests Should women submit to their husbands Is premarital sex okay Inflammatory questions such as these have splintered Christianity and polarized the church In Sex Gender and Christianity a cadre of seasoned college professors offers the modest proposal that honest fruitful conversations about these questions will take place only if we develop the ability to deal with sex gender and the Christian faith with the academic rigor and perspectives of our various disciplines This volume contributes an unprecedented collection of first rate articles from a variety of disciplines from the social sciences to history from literary criticism to theology that will challenge college administrators professors and students to address fractious questions in an atmosphere of scholarly inquiry

Women and the Gender of God Amy Peeler,2022-10-04 A robust theological argument against the assumption that God is male God values women While many Christians would readily affirm this truth the widely held assumption that the Bible depicts a male God persists as it has for centuries This misperception of Christianity not only perniciously implies that men deserve an elevated place over women but also compromises the glory of God by making God appear to be part of creation subject to it and its categories rather than in transcendence of it Through a deep reading of the incarnation narratives of the New Testament and other relevant scriptural texts Amy Peeler shows how the Bible depicts a God beyond gender and a savior who while embodied as a man is the unification in one person of the image of God that resides in both male and female Peeler begins with a study of Mary and her response to the annunciation through which it becomes clear that God empowers women and honors their agency Then Peeler describes from a theological standpoint how the virgin birth of Jesus the second Adam reverses the gendered division enacted in the garden of Eden While acknowledging the significance of the Bible s frequent use of Father language to represent God as a caring parent Peeler goes beneath the surface of this metaphor to show how God is never sexualized by biblical writers or described as being physically involved in procreation making the concept of a masculine God dubious at best From these doctrinal centers of

Christianity Peeler leads the way in reasserting the value of women in the church and prophetically speaking out against the destructive idolatry of masculinity The Michael Ramsey Prize Longlist 2023 *Every Body's Story* Branson Parler, 2022-10-11 Every story entails a way of life and how every way of life implies a big story In *Every Body's Story* Branson Parler focuses on three predominant myths of sexuality in our secular age individualism romance and materialism and three dominant myths in Christian circles anti body theology legalism and the sexual prosperity gospel exploring how those stories shape our practice Our views of sexuality and our practices around sex are never just about sex How we use and view our bodies reveals who what we think God is or is not and who we are If we truly understand the biblical logic of marriage sexuality and singleness that they are meant to embody the gospel then we will better understand why this witness is so vital As God's self giving faithfulness is put on display by both married and single Christians those formed by our secular age will have to ask What if it's true What if there's more What if God really does love us that much Rather than viewing our sexuality as an isolated matter of ethics we can see how the gospel places our sexuality in the context of God's rescue mission of the world
