Theories Of Africans Theories Of Africans:

Organisation and Management Theories: an African Focus Lewis B. Dzimbiri, 2009 **Marxist Theory, Black/African Specificities, and Racism** Babacar Camara, 2010-12-01 This book sheds a radical light on the issue of race showing that social and racist discourses are ideological and political mystifications masking exploitation It deals with substantive issues that have the potential to enhance our understanding how Marxist theory can be quite useful in interpreting the race paradigm Theories of Africans Christopher L. Miller, 1990-12-03 Situating literature and anthropology in mutual interrogation Miller's book actually performs what so many of us only call for Nowhere have all the crucial issues been brought together with the sort of critical sophistication it displays Henry Louis Gates Jr a superb cross disciplinary analysis Y Mudimbe **Theory of African Music, Volume I** Gerhard Kubik, 2010-08-27 Taken together these comprehensive volumes offer an authoritative account of the music of Africa One of the most prominent experts on the subject Gerhard Kubik draws on his extensive travels and three decades of study in many parts of the continent to compare and contrast a wealth of musical traditions from a range of cultures In the first volume Kubik describes and examines xylophone playing in southern Uganda and harp music from the Central African Republic compares multi part singing from across the continent and explores movement and sound in eastern Angola And in the second volume he turns to the cognitive study of African rhythm Yoruba chantefables the musical Kachamba family of Mala i and African conceptions of space and time Each volume features an extensive number of photographs and is accompanied by a compact disc of Kubik's own recordings Erudite and exhaustive Theory of African Music will be an invaluable reference for years to come Bioethics in Africa: Theories and Praxis Yaw A. Frimpong-Mansoh, Caesar A. Atuire, 2019-07-30 Bioethics urges us to question and debate fundamental moral issues that arise in health related sciences However as a result of Western dominance and globalization bioethical thinking and practice has inevitably been shaped and defined by Western theories With recent discussions centering on the relationship between culture and bioethics it is important to consider how and to what extent can bioethics reflect and accommodate non Western values and beliefs Debatable many scholars working in the field of African bioethics seek to construct a bioethical practice that is grounded in indigenous African values Yet how relevant are ancient African cultural norms to the lives and realities of the 21st century Sub Saharan Africans This edited volume explores bioethics in Africa from pluralistic and inter cultural perspectives The selected papers offer diverse theoretical and practical perspectives on the bioethical challenges that are common and specific to the lives of Sub Sahara Africans The contributors define bioethics broadly beyond ethical issues relating to biomedical and biotechnological science to include applied ethics that concern all aspects of life Multidisciplinary in approach the contributions to this book consider bioethics in relation to philosophy social work psychiatry African studies religious studies psychology and medicine The broad scope of this volume means it will be of interest to those studying and working in bioethics as well as the fields mentioned above **African**

Legal Theory and Contemporary Problems Oche Onazi, 2013-11-26 The book is a collection of essays which aim to situate African legal theory in the context of the myriad of contemporary global challenges from the prevalence of war to the misery of poverty and disease to the crises of the environment Apart from being problems that have an indelible African mark on them a common theme that runs throughout the essays in this book is that African legal theory has been excluded under explored or under theorised in the search for solutions to such contemporary problems The essays make a modest attempt to reverse this trend The contributors investigate and introduce readers to the key issues questions concepts impulses and problems that underpin the idea of African legal theory They outline the potential offered by African legal theory and open up its key concepts and impulses for critical scrutiny This is done in order to develop a better understanding of the extent to which African legal theory can contribute to discourses seeking to address some of the challenges that confront African and non African societies alike

Africa Through Structuration Theory ñ ntu Mboyo, Jean Pierre Elonga, 2015-06-16 Despite all the talk about African renaissance much of the continent is plagued by poverty and instability To break out of that cycle the guardians of African heritage the old independence freedom fighters turned political leaders and their successors and much of Afrocentric literature rightly promote African ideas and solutions for African problems While the idea in itself is noble the danger is for Africa to close itself off and ignore outside technical and intellectual innovations that it desperately needs to advance further Africa through Structuration Theory ntu joins the discourse by attempting to restore intellectual freedom and convincingly defends structuration theory not only as the way forward for Africa but also as a legitimate African concept It is innovative refreshing and deserves to be heard across the world and appreciated especially by African graduates current and future leaders of various African institutions or businesses non Africans who might hesitate to refer to such a theory when trying to understand and deal with African problems and the wider public who constitute the audience for this book

Flocking Together: An Indigenous Psychology Theory of Resilience in Southern Africa Liesel Ebersöhn, 2019-07-03 This book describes how those individuals who are often most marginalised in postcolonial societies draw on age old non western knowledge systems to adapt to the hardships characteristic of unequal societies in transformation It highlights robust indigenous pathways and resilience responses used by elders and young people in urban and rural settings in challenging Southern African settings South Africa Namibia Lesotho and Swaziland to explain an Indigenous Psychology theory Flocking rather than fighting fleeing freezing or fainting is explained as a default collectivist collaborative and pragmatic social innovation to provide communal care and support when resources are constrained and needs are par for the course Flocking is used to address amongst others climate change drought and energy use in particular lack of household income and securing livelihoods food and nutrition chronic disease specifically HIV AIDS and tuberculosis barriers to access services education healthcare social welfare support as well as leisure and wellbeing The book further deliberates whether the continued use of such an entrenched socio cultural response mollifies citizens and decision makers

into accepting inequality or whether it could also be used to spark citizen agency and disrupt longstanding structural disparities
