Theories Of Rights Oxford Readings In Philosophy:

Theories of Rights Jeremy Waldron, 1984 *The Concept of Group Rights in International Law* Corsin Bisaz, 2012-08-28

Through a collective biography of four scholars Erich Kaufmann Hans Kelsen Hersch Lauterpacht and Hans J Morgenthau this book investigates how Jewish identity and intellectual ties to Judaic civilization in the German speaking and legal context influenced international law By using biblical constitutive metaphors it argues that Jewish German lawyers inherited inter alia a particular Jewish legal approach that framed their understanding of the law as a means to reach God The overarching argument is that because of their Jewish heritage Jewish scholars inherited the endorsement of earthly particularism for the sake of universalism and the other way around for the sake of universalism humanity s differences need to be solved through the law

Politics and Poetica of Rights in Modern Iran Behzad Zerehdaran, 2024-03-29 This book delves into the history of subjective rights within the context of 19th century Iran specifically during the eventful Qajar era The crux of its research lies in the emergence and evolution of the concept of subjective rights as opposed to the notion of objective rights During this pivotal period this transition marked a paradigm shift from right as to be right to right as to have a right A central pillar of this book is the creation of a meta theory one that sheds light on the semantical evolution of the concept of rights Within these pages readers will find a concise history tracing the conceptual path that led from the objective to the subjective realm of rights In addition to these historical explorations it delves into the intricate field of rights theory investigating the foundations and justifications of rights Employing the Hohfeldian framework it analyses various conceptions of rights as they manifest within travel literature enlightenment literature and dream literature of the Qajar era This book will be of interest to scholars and students with an interest in Iranian studies Iranian history Persian literature and human rights

Practical Guide to Evidence Christopher Allen, 2008-08-28 Practical Guide to Evidence provides a clear and readable account of the law of evidence acknowledging the importance of arguments about facts and principles as well as rules The fourth edition has been revised and updated to address the radical changes brought about by the Criminal Justice Act 2003 particularly in relation to hearsay character evidence and opinion evidence and to expand coverage of the Human Rights Act 1998 Particular attention is given to changes made by the revised Codes of Practice and to the growing body of case law on topics such as reverse burden of proof the cross examination of rape victims evidence obtained by entrapment and silence in the face of police questioning Now including enhanced pedagogical support such as chapter summaries further reading advice and boxed examples this leading textbook can be used on both undergraduate and professional courses

What's Wrong with Rights? Nigel Biggar, 2020 iWhat s Wrong with Rights i argues that contemporary rights talk obscures the importance civic virtue military effectiveness and the democratic law legitimacy It draws upon legal and moral philosophy moral theology and court judgments It spans discussions from medieval Christendom to contemporary debates about justified killing

William of Ockham's Early Theory of Property Rights in Context Jonathan William Robinson, 2012-11-23 William of

Ockham's ca 1288-1347 *Opus nonaginta dierum* has long been of interest to historians for his theory of rights. Yet the results of this interest have been uneven because most studies do not take sufficient account of the defences of Franciscan poverty already articulated by his fellow Franciscans Bonagratia of Bergamo, Michael of Cesena and Francis of Marchia. This book therefore presents and analyzes Ockham's account of property rights alongside those of his confreres. This contextualization of Ockham's theory corrects many misconceptions about his theory of property, natural law and natural rights and therefore also provides a new foundation for studies of his political oeuvre, intellectual development and significance as a political theorist. *William of Ockham's Early Theory of Property Rights in Context* Jonathan Robinson, 2012-11-23. This book analyzes William of Ockham's early theory of property rights alongside those of his fellow dissident Franciscans, paying careful attention to each friar's use of Roman and civil law which provided the conceptual building blocks of the poverty controversy. *Modern Philosophy* Roger Scruton, 2012-11-26. Roger Scruton is one of the most widely respected philosophers of our time whose often provocative views never fail to stimulate debate. In *Modern Philosophy* he turns his attention to the whole of the field from the philosophy of logic to aesthetics and in so doing provides us with an essential and comprehensive guide to modern thinking. **Human Rights and Civil Liberties in the 21st Century** Yves Haeck, Eva Brems, 2013-11-19. This volume contributes to the on-going legal discussion on pressing procedural and substantial law issues in the ambit of international human rights and civil liberties. While the 20th century has seen the true awakening of human rights, the 21st century poses new challenges to this ever-unfolding area of law. Not only do international tribunals and quasi-tribunals worldwide and domestic US and European continental courts have to deal with increasing numbers of complaints and petitions from individuals and groups on a vast array of societal problems, the legal issues put to them are sometimes extremely difficult to resolve as they relate to very sensitive issues. This book examines issues ranging from the status of human rights under US law to the status of the ECHR in the broader context of international law. It looks at the role of positive obligations in the case law of the Strasbourg Court as well as the impact of its case law on childbirth and push-back operation towards boat people but also at the growing unwillingness of ECHR member states to cooperate with the Strasbourg Court. It explores the new frontiers in US Capital punishment litigation, the first case before the International Criminal Court and the legal effect of judgments of the European Court on third states. **A Theory of Intergenerational Justice** Joerg Chet Tremmel, 2009-12-01. The appeal to our obligations to future generations is one of the most forceful, emotional and effective arguments available to politicians and citizens and is the cornerstone of all modern policies aimed at sustainable development. Yet the exact nature and extent of these obligations are unclear: who owes what to whom, exactly, and why? This highly accessible book provides an extensive and comprehensive overview of current research and theory about why and how we should protect future generations. It exposes how and why the interests of people today and those of future generations are often in conflict and what can be done. It rebuts critical concepts such as Parfit's non-identity paradox and

Beckerman's denial of any possibility of intergenerational justice. The core of the book is the lucid application of a veil of ignorance to derive principles of intergenerational justice which show that our duties to posterity are stronger than is often supposed. Tremmel's approach demands that each generation both consider and improve the well-being of future generations. To measure the well-being of future generations, Tremmel employs the Human Development Index rather than the metrics of utilitarian subjective happiness. The book thus answers in detailed concrete terms the two most important questions of every theory of intergenerational justice: what to sustain and how much to sustain. Ultimately, this book provides a theory of intergenerational justice that is both intellectually robust and practical with wide applicability to law, policy, economics, climate change, and all other contexts that affect future generations.

Law in the Age of Pluralism Andrei

Marmor, 2007-12-31 *Law in the Age of Pluralism* contains a collection of essays on the intersection of legal and political philosophy. Written within the analytical tradition in jurisprudence, the collection covers a wide range of topics such as the nature of law and legal theory, the rule of law, the values of democracy and constitutionalism, moral aspects of legal interpretation, the nature of rights, economic equality, and more. The essays in this volume explore issues where law, morality, and politics meet and discuss some of the key challenges facing liberal democracies. Marmor posits that a liberal state must first and foremost respect people's personal autonomy and their differing though reasonable conceptions of the good and the just. This basic respect for pluralism is shown to entail a rather skeptical attitude towards grand theories of law and state, such as contemporary constitutionalism or Dworkin's conception of law as integrity. The values of pluralism and respect for autonomy, however, are also employed to justify some of the main aspects of a liberal state, such as the value of democracy, the rule of law, and certain conceptions of equality. The essays are organized in three groups: the first considers the rule of law, democracy, and constitutionalism; the second group consists of several essays on the nature of law, legal theory, and their relations to morality; finally, the collection concludes with essays on the nature of rights, the limits of rights discourse, and the value of economic equality.

Human Rights Kerri Woods, 2017-08-24

What are human rights? Why do we have them? How do we know for sure which rights are specific to humans? And how should we respond when we disagree on them and on the obligations we owe to others who claim human rights? These are just a few of the questions taken up in this broad-ranging and systematic introduction to the theory of human rights. The author draws on both traditional perspectives and current debates in the field to address key contemporary issues and conceptual questions. She asks whether or not human rights can be said to be universal and whether human rights can encompass global justice, environmental rights, and global security for future generations. In addition, she explores the particular effects of differences of gender, sexuality, culture, and religion on the nature of human rights in contemporary society and the implications these might have for international legal and political regimes. Providing a comprehensive and accessible account of the key theoretical ideas in the field, this text is essential for those seeking to understand the importance of human rights in shaping the moral and political claims of individuals, cultures,

and societies across the world Biographical Dictionary of Twentieth-Century Philosophers Stuart Brown,Diane Collinson,Robert Wilkinson,2012-09-10 This Biographical Dictionary provides detailed accounts of the lives works influence and reception of thinkers from all the major philosophical schools and traditions of the twentieth century This unique volume covers the lives and careers of thinkers from all areas of philosophy from analytic philosophy to Zen and from formal logic to aesthetics All the major figures of philosophy such as Nietzsche Wittgenstein and Russell are examined and analysed The scope of the work is not merely restricted to the major figures in western philosophy but also covers in depth a significant number of thinkers from the near and far east and from the non European Hispanic language communities The Biographical Dictionary also includes a number of general entries dealing with important schools of philosophy such as the Vienna Circle or currents of thought such as vitalism These allow the reader to set the individual biographies in the context of the philosophical history of the period With entries written by over 100 leading philosophy scholars the Biographical Dictionary is the most comprehensive survey of twentieth century thinkers to date Structure The book is structured alphabetically by philosopher Each entry is identically structured for ease of access and covers nationality dates and places of birth and death philosophical style or school areas of interest higher education significant influences main appointments main publications secondary literature account of intellectual development and main ideas critical reception and impact At the end of the book a glossary gives accounts of the schools movements and traditions to which these philosophers belonged and thorough indexes enable the reader to access the information in several ways by nationality by major areas of contribution to philosophy e g aesthetics by major influences on the thinker concerned e g Plato Kant Wittgenstein **Law and Society** Naorem Sanajaoba,1991 Practical Guide to Evidence ,1998-08-20 The second edition of this widely acclaimed book maintains the author s original objective to provide a clear and readable account of evidence law which acknowledges the importance of arguments about facts and principles as well as rules It is written **The Politics of Human Rights** The Belgrade Circle,Obrad Savic,2002-10-17 Original essays on the political and philosophical underpinnings of the idea of human rights by a group of highly distinguished theorists **The Citizen in the 21st Century** James Arvanitakis,Ingrid Mattherws,2019-01-04 This volume was first published by Inter Disciplinary Press in 2013 In the nineteen essays of this collection the 21st century citizen is introduced deconstructed probed and admired among the messy realities of the contemporary world As an inter disciplinary project the collection draws on expertise from across Europe North America and Australasia to offer new insights into such diverse existences as the environmental citizen the young citizen the multiple citizen the non citizen and the global citizen It unflinchingly spotlights the failures of our contemporary societies to resolve the endless universal problems of conflict poverty and oppression It also opens windows of hope onto a range of new understandings and innovative approaches to the challenges we face from the mass movements of refugees to the digitalisation of social contact This material can be read as a whole as a conceptual collection or it can be dipped in to and

out of between work and leisure Whether it is read as research or pastime this volume will challenge and confront comfort and renew the many ways of thinking about citizenship in the 21st century

Ethical and Philosophical Aspects of Nursing Children and Young People Gosia M. Theories Of Rights Oxford Readings In Philosophy Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Theories Of Rights Oxford Readings In Philosophy free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Theories Of Rights Oxford Readings In Philosophy free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to

download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Theories Of Rights Oxford Readings In Philosophy free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Theories Of Rights Oxford Readings In Philosophy. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Theories Of Rights Oxford Readings In Philosophy any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Theories Of Rights Oxford Readings In Philosophy Books

1. Where can I buy Theories Of Rights Oxford Readings In Philosophy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
