*Music, Time, and Its Other* Roger Savage,2017-09-13 Music Time and Its Other explores the relation between the enigmatic character of our temporal experiences and music s affective power By taking account of competing concepts of time Savage explains how music refigures dimensions of our experiences through staking out the borderlines between time and eternity He examines a range of musical expressions that reply to the deficiency born from the difference between time and an order that exceeds or surpasses it and reveals how affective tonalities of works by Bach Carolan Debussy Schoenberg Messiaen and Glass augment our understanding of our temporal condition Reflections on the moods and feelings to which music gives voice counterpoint philosophical investigations into the relation between music s power to affect us and the force that the present has with respect to the initiatives we take Music Time and Its Other thus sets out a new approach to music aesthetics politics and the critical roles of judgment and imagination

### **High-Tech Trash Carolyn L. Kane**

,2019-12-17 A free ebook version of this title will be available through Luminos University of California Press Open Access publishing program for monographs Visit [www.luminosoa.org](http://www.luminosoa.org) to learn more High Tech Trash analyzes creative strategies in glitch noise and error to chart the development of an aesthetic paradigm rooted in failure Carolyn L Kane explores how technologically influenced creative practices primarily from the second half of the twentieth and first quarter of

the twenty first centuries critically offset a broader culture of pervasive risk and discontent In so doing she questions how we continue onward striving to do better and acquire more despite inevitable disappointment High Tech Trash speaks to a paradox in contemporary society in which failure is disavowed yet necessary for technological innovation     *Theory of Harmony* Arnold Schoenberg,1978 This book will come as a joy a revelation a warm reassurance From this one book one might well learn less about harmony than about form about aesthetics even about life Some will accuse Schoenberg of not concentrating on the topic at hand but such an accusation though well founded would miss the point of Theory of Harmony because the heart and soul of the book is to be found in his vivid and penetrating digressions They are the fascinating reflections of a great and humane musician who was a born writer as well from the book     **Relativity** Albert Einstein,2019 After completing the final version of his general theory of relativity in November 1915 Albert Einstein wrote a book about relativity for a popular audience This new edition of Einstein s book features an authoritative English translation of the text along with an introduction and a reading companion that examines the evolution of Einstein s thinking and casts his ideas in a broader present day context A special chapter explores the history of and the stories behind the early foreign language editions in light of the reception of relativity in different countries This edition also includes a survey of the introductions from these editions covers from selected early editions a letter from Walther Rathenau to Einstein discussing the book and a revealing sample from Einstein s handwritten manuscript
