The Disciples of Goedric Jeffrey Jude, 2011-10-11 The Disciples of Goedric A Trilogy I Gay Gene Rising II Guardians of the Blood III SoulFire and Tears The Sons and Daughters of Goedric had fallen For more than 2 700 years their once noble creed drifted trapped in time like a ripple across an endless sea with no hope of shore All that remained were broken memories and a fragile hope that had been cast into the winds of time by Judea the just and Ruth the Raven Haired In the not so distant future young Etan flees his Chicago apartment narrowly escaping IFC henchmen who will stop at nothing to get him back under their control Burdened by relentless fits and horrific visions his only hope rests with a rag tag group of friends led by two tough old guard lesbians who never thought they'd live long enough to witness the horrors of a second gay plague Sue DeGault and Sue Keller pray for strength as they prepare to battle fate and the IFC a corporate goliath controlled by an ancient and powerful family that could trace its roots to the days of King Yoshiyahu a family that had been raging a war against homosexuals for thousands of years Far away in the remote mountains of Mexico a great grey wolf raises its muzzle and curled back his lips to taste the air The scent of blood stings his palette and he howls into ancient winds as they paint the mists with death The winds were born on the battlefield in a time long past They saw the Great Purge of King Yoshiyahu They witnessed the atrocities that were committed in the name of Yahweh and they moaned in anguish as the blood of the Disciples of Goedric muddied the ground His great howl echoed through the mountaintops heralding the second dawn of Man's hope and the very universe braced itself for the impossible and the Eternal Void trembled in fear
