There I Fixed It No You Didn't:

There I Fixed It! Cheezburger Network, 2011-04-19 Over two hundred user generated images of hilarious DIY disasters jury rigs and kludges from ThereIFixedIt.com web site There, I Fixed It! : No, You Didn't, 2011 Whoever coined the phrase A picture is worth a thousand words clearly has not stumbled upon the Cheezburger Network's ThereIFixedIt.com Here a picture is worth countless inaudible gasps and we're guessing more than a few quiet stares of disbelief There I Fixed It No You Didn't celebrates the kludge a quick and dirty clumsy or inelegant yet effective solution to a problem typically using parts that are cobbled together in its many incarnations as presented on the popular Web site ThereIFixedIt.com The book features over 200 full color images of daily kludge winners along with the signature witty commentary that characterizes typical reactions to the hilarious DIY disasters and work arounds If you're still unsure as to what qualifies we think the minivan held together by duct tape leaves little room for confusion After all in that guy's defense multiple rolls of carefully affixed duct tape are certainly cheaper than a new coat of paint just try to avoid puddles and rain Certain to generate bellyache inducing revelry There I Fixed It No You Didn't may even inspire you to fashion your very own kludge Please note that we give extra points to those brave enough to merge an open flame with a propane gas tank and electrical wire Bonus points if you can then make the item travel on wheels at speeds greater than 50 miles per hour So home enthusiasts would be inventors and all who miserably failed engineering kludge away with the Cheezburger Network's There I Fixed It No You Didn't

God Didn't Do It; He Only Signed Off On It Christiana I. Chineme, 2010-03 As humans things happen to us sometimes that we cannot fully understand We desire to explain them when from human perspective there's no explanation that really exists Our perplexion at things of that nature are not just about when they happen to us but also the things we witness in the world around us They oftentimes shake the foundations of our faith in God to the core But as much as not knowing hurts at no time should our reaction be to accuse God for things we don't understand Rather we should know that God is not always the architect of all our problems and that He might not always save us from people that live to harm us or bless us the way we want because we take a stand with Him His promise however is one thing and that is that He'll work it all out for HIS OWN ENDS even the wicked for a day of disaster Proverbs 16:4b However your pain occurred God's declared intentions are that He'll use all of your problems any which way they present to work out His will for your life The deaths of some of the people that went before us is proof that for reasons best known to Him God at times chooses not to deliver people that take a stand with Him And it's not because He hated such people but because of what He already planned to use the situation for

Daddy's Girl Charlotte Vale-Allen, 2009-04 On Writing Daddy's Girl After I had been through many versions of the manuscript written over almost a decade I decided that for this book to have validity it would be necessary not only to show the past but also to give a picture of the present illustrating how the events of my childhood affected me at the time as well as later in life as an adult and a parent Given that I wrote the book in the first place as a document that I hoped

would be useful to others who d suffered abuse and also to professionals I felt it was very important to present detailed portraits of the child I was and the woman I grew to be in large measure as a result of trying to cope with the long term effects of the abuse As well I thought it was vital to illustrate how fallout from the abuse can be felt down through the generations if one fails to exercise awareness and caution So the book weaves back and forth between past and present the present being 1979 when the final version was completed I also had to decide at the very start whether I was going to dole out snippets of truth or be completely truthful and address the issue as fully as I was able There seemed no point to writing an autobiographical account of incest if I was going to be anything less than completely truthful It was not difficult to tell the truth nor was the writing of the book a cathartic experience as many have imagined it to be The fact is that I had long since confronted my personal demons and had managed to relegate the past to the past something exceedingly difficult for many victims of any all forms of abuse to do A few years ago in correcting the page proofs of a new British edition of the book I reread DADDY S GIRL and was gratified by what I d written Often with my novels I am not at all happy when I reread them I think that as an author I have little if any objectivity about my work once it s completed and so am not necessarily a good judge of it But I am proud of DADDY S GIRL Since its publication in 1980 it has been of help to a lot of people And ultimately it s my way of returning some measure of the kindness and attention people showed me when I was working my way along the rough roadway toward my future
