Rev. James W. Moore

Theres A Hole In Your Soul That Only God Can Fill:

As Quiet as a Mouse Molly Williams, Williams Molly Williams, 2009-10 As Quiet as a Mouse is the story of the author s struggles with bipolar disorder and the events from her childhood that contributed to the illness Her psychiatrist encouraged her to write journals about her childhood and was amazed after reading them that she had not committed suicide by the time she was fourteen years old Writing the journals was an emotionally difficult task for her As she wrote about the things that happened to her she discovered that there were other incidents that had taken place in her life that were buried deep things that she really didn t want to remember Her story begins when she is first raped at the age of five Like most children who are raped and who are fortunate enough to survive the attack she never told anyone what had happened to her because she feared their rejection Throughout her childhood and her teen years she suffered a great deal of unspeakable attacks all of which formed the basis for her eventual struggle with bipolar disorder She is telling her story now with the hope of helping other children who may be experiencing what she did

Moments That Take Your Breath Away Rev. James W.

Moore, 2010-09-01 As the saying goes It s not the number of breaths we take it is the number of moments that take our breath away Every now and then and more often than we realize God breaks into the routine and gives us one of those awesome moments so powerful so amazing so beautiful that time seems to stand still How long has it been since you had one

of those moments I have had many moments like that Some were quite dramatic some were quite memorable and some were just too beautiful for words Do you remember the first time you saw the ocean or a majestic mountain range or a breathtaking sunset with colors so amazing that you find yourself thinking Only God could do that As we explore in this book some of the many different kinds of moments that take your breath away it is my hope and prayer that we will all become more aware of and receptive to the myriad breathtaking moments that God has in store for us James W Moore adapted from the introduction Contains twelve chapters plus an introduction Each chapter of the book features a key passage of Scripture and focuses on a key theme A study guide is included *Faith Is the Answer, But What Are the Questions?* Rev. James W. Moore, 2007-08-01 The Christian gospel says to us Here is the One who can deliver you Here is the One who can save you Follow him and you can live He will lead you to commitment to love and to life I believe that with all of my heart but I also know that there are still a number of tough questions we grapple with daily in these challenging times How does faith help us when problems arise How does the Christian faith strengthen us when suffering or tragedy or heartache explodes into our lives How does the Holy Spirit help us Did Jesus really mean for us to love everybody In this hectic world with so many things crying out for our allegiance and support whom can we trust Faith is the answer of course but still what are the questions And how do we respond to them honestly creatively and redemptively That is the adventure before us These and other questions we will deal with in this book James W Moore adapted from the introduction This book includes a study guide JAMES W MOORE popular speaker and preacher is the author of Yes Lord I Have Sinned But I Have Several Excellent Excuses God Was Here and I Was Out to Lunch When Grief Breaks Your Heart There s a Hole in Your Soul That Only God Can Fill and many other books He and his wife June live in Fairview Texas **I Hear Voices, and That's a Good Thing!** James W. river He is the River of Life But we need to dwell in the river in order to access the Spirit's fullness In his latest book Dr Rob Reimer offers a deep look at life in the Spirit and provides practical strategies for dwelling in the River of Life We will explore the fullness of the Spirit tuning into the promptings of the Spirit walking in step with the Spirit and developing sensitivity to the presence of the God in our lives This resource will guide you toward becoming a full time river dweller even in the midst of life's most difficult seasons when the river seems to run low Together let's become River Dwellers living where the fullness of God flows so that we can carry living water to a world dying of thirst
