Nelson Algren Richard F. Bales, 2024-11-07 This book addresses critical gaps in existing biographies of Nelson Algren providing new perspectives on his writing style literary contributions professional colleagues and personal life especially his relationship with Simone de Beauvoir Although Beauvoir maintained a simultaneous relationship with philosopher Jean Paul Sartre the correspondence exchanged between Beauvoir Algren and Sartre as this book discusses sheds new light on her transatlantic love affair with Algren Moreover this work challenges the assertion that Algren s writing aligns seamlessly with the New Journalism style popularized by Tom Wolfe It investigates how Algren s literary legacy might have diverged had he embraced more of the principles associated with New Journalism The Lost Books of Jane Austen Janine Barchas, 2019-10-08 Hardcore bibliography meets Antiques Roadshow in an illustrated exploration of the role that cheap reprints played in Jane Austen s literary celebrity and in changing the larger book world itself Gold Winner of the 2019 Foreword INDIES Award for History by FOREWORD Reviews In the nineteenth century inexpensive editions of Jane Austen s novels targeted to Britain s working classes were sold at railway stations traded for soap wrappers and awarded as school prizes At just pennies a copy these reprints were some of the earliest mass market paperbacks with Austen s beloved stories squeezed into tight columns on thin cheap paper Few of these hard lived bargain books survive yet they made a substantial difference to Austen s early readership These were the books bought and read by ordinary people Packed with nearly 100 full color photographs of dazzling sometimes gaudy sometimes tasteless covers The Lost Books of Jane Austen is a unique history of these rare and forgotten Austen volumes Such shoddy editions Janine Barchas argues were instrumental in bringing Austen s work and reputation before the general public Only by examining them can we grasp the chaotic range of Austen s popular reach among working class readers Informed by the author s years of unconventional book hunting The Lost Books of Jane Austen will surprise even the most ardent Janeite with glimpses of scruffy survivors that challenge the prevailing story of the author s steady and genteel rise Thoroughly innovative and occasionally irreverent this book will appeal in equal measure to book historians Austen fans and scholars of literary celebrity The Multimedia and CD-ROM Directory , 1997
