Faculty as Global Learners Joan Gillespie,Dana Gross,Lisa Jasinski,2020-10-01 This co authored collection offers valuable insights about the impact of leading off campus study on faculty leaders teaching research service and overall well being Recognizing that faculty leaders are themselves global learners the book addresses ways that liberal arts colleges can more effectively achieve their strategic goals for students global learning by intentionally anticipating and supporting the needs of faculty leaders as they grow and change Faculty as Global Learners offers key findings and recommendations to stimulate conversations among administrators faculty and staff about concrete actions they can explore and steps they can take on their campuses to both support faculty leaders of off campus programs and advance strategic institutional goals for global learning This collection

includes transferrable pedagogical insights and the perspectives of faculty members who have led off campus study programs in a variety of disciplines and geographic regions      **Work-Integrated Learning in the 21st Century** Tracey Bowen, Maureen Drysdale, 2017-09-11 This book explores new questions about the state of work and work readiness for new university and college graduates in the context of work integrated learning in the 21st century and the role of higher education in preparing students for the challenges of global economic shifts in the labour market      **Contextualizing**

**Childhoods** Sam Frankel, Sally McNamee, 2018-09-29 This edited collection draws together a variety of contexts of contemporary childhoods linking thinking from Canada with spaces in the UK and Sweden The contributors explores the discourses that shape those childhoods and how this then impacts on the way that children come to experience their everyday lives The aim of the book is not to reflect the entirety of childhood experience but to draw off particular expertise that shine a light into partial yet significant areas of children s lives with the contributions engaging with a range of voices and perspectives As a result the collection advocates the need for childhood studies to zoom out from a predisposition to isolate the child which has been seen as a necessary part of conceptualizing childhood As a result the book focuses on a context for childhoods through a consideration of both structure and agency and through this seeks to recognise the interconnected nature of the arenas within which children live their everyday lives A range of themes are covered including the education system identity within the home suicide in communities and younger children s political engagement and sense of belonging Contextualising Childhoods will be of interest to students and scholars across a range of disciplines including sociology law and education      Civil Society Engagement Patricia M. Daenzer, 2017-09-14 Civil Society Engagement Achieving Better in Canada examines the process and outcomes of a particular series of civil society activism and establishes a conceptual framework through an examination of Canadian politics and societal change Relying on qualitative and ethnographic research document analysis and reviews of policies the contributions focus on social possibilities legal limits and societal roles to illuminate the national asset of human solidarity evident in civil society activism in Canada Patricia Daenzer and her expert contributors challenge the romanticism of the perfected welfare democracy and contend that civil society activism leads to the authentication of democracy The premise is that Canadian political and policy inconsistencies fail to protect some and civil society intervention is essential for the realignment and redefinition of articulated national principles and redistributive outcomes Although Canada is shown ultimately to be guarded in its welfare commitment this guarded progress in welfare democracy would not be possible without the activism of segments of civil society Civil Society Engagement Achieving Better in Canada demystifies civil society activism and urges greater awareness of current social dynamics and involvement in the lives of the most disadvantaged Not only are new immigrants and refugees voicing for inclusion but the very definition of persons with rights has evolved through civil society activism This book will lead to deliberations about state legal frameworks which impact civil society reach the purpose and scope of Canadian politics and

the potential of civil society in perfecting our democracy      *Social Justice Education in Canada* Ali A. Abdi, 2023-01-03 This engaging edited collection highlights key discussions around educational inequity and related structures and sub structures Featuring a diverse array of contributors Social Justice Education in Canada balances important knowledge learning practices and possibilities emanating from and embedded in anti racist and anti oppressive education with instructive grounding examples The text confronts the idea of social justice as an abstract concept discussing suggestions for rethinking educational systems and making changes that will benefit the learning lives of all students With the aim to critically expand the emerging and increasingly active debates in this important area of educational and social development this volume strives to collectively deepen our understanding and appreciation for critical social justice education Organized into 14 chapters and featuring an epilogue written by Dr Edward Shizha the book critically deals with contemporary topical issues in education including readings on cultural racial religious Indigenous language socio economic citizenship disability ableism and immigrant refugee status realities and their interwoven learning and teaching intersections This text is an essential resource for undergraduate and graduate students of education across Canada FEATURES Designed to spark discussions and debates each chapter closes with discussion questions to encourage critical reflection Contributors move beyond the theoretical with actionable practical applications for critical social justice that can be utilized by educators and teacher educators Intersecting topical diversity is at the forefront of this volume which features contributors from different backgrounds and communities critically engaging with issues pertinent to social justice and equity in education

**Applications of Work Integrated Learning Among Gen Z and Y Students** Gerhardt, Trevor, Annon, Paulette J., 2021-04-02 It has become evident within higher education and within or in partnership with the workplace that there is a growing demand for an integration of learning within the workplace Formal and intentional models and processes utilizing experiential learning methods and pedagogy are often referred to as work integrated learning However there is a vast cross conceptualization evident within the field between concepts such as work related learning WRL workplace learning WPL work based learning WBL work integrated learning WIL and experiential learning EL Furthermore there are vast differences between different applications such as apprenticeships higher degree apprenticeships HDA co operative education Coop internships placements projects sandwich courses practicums and more There is a new focus on the impact of WIL on the future labor force specifically of generations Z and Y Applications of Work Integrated Learning Among Gen Z and Y Students presents educational and theoretical concepts related to WIL and Gen Z and Y students as a workforce The chapters include coverage not only on these concepts but in depth research on the implications of WIL on these generations educational themes in WIL and WIL innovation The topic of WIL and all its applications are covered in a global context and for all fields of work focusing on the skills and expertise gained from the students of work based learning along with insights on how work based learning is implemented by teachers and educational administrations This book is a valuable reference tool for in
