F*CK DATA MESH Martyn Jones, 2025-08-01 Welcome brave soul to a book about data information and data warehousing Yes I know exciting stuff You might think this is going to be a thrilling ride through the wild and woolly world of spreadsheets and servers Or perhaps you expect a riotous romp through the land of acronyms that sound like dodgy cocktails ETL BI SaaS And in many ways you'd be right But more importantly this book is your guide to navigating the Upside Down World of data where truth is as slippery as a politician at a fringe festival and quality is often just code for someone else's problem Now before you abandon this tome for a nice walk or a lukewarm pint let me assure you this isn't your typical tech manual promising to turn you into a data demigod by page 20 No this is a love letter to the chaos the nonsense and the occasional brilliance of the data world told with a nod a wink and a smirk that would make Peter Cook and Dudley Moore raise an eyebrow from beyond Inside you'll find chapters with titles that sound like the rants of a disgruntled barista or the musings of someone who's had one too many meetings about data

mesh whatever that is We ll talk about Data Omens Preparing Your Idiot Organisation for Degenerative AI and why Data Warehousing Stands in the Way of Progress Spoiler it s complicated It s like arguing with a Brexit campaigner who s just discovered blockchain and insists it ll fix everything But fear not Amidst the madness there s method if only to spot the charlatans decode the gobbledygook and maybe just maybe find a single version of the truth or at least a decent

approximation that won t make you want to throw your laptop out the window **Dudley Moore** Jeff Lenburg,2001 His acting has been compared to Chaplin and Keaton critics have lauded his music virtuosity and his sidesplitting performances have set new standards for fun Dudley Moore An Informal Biography examines the life and work of this comic genius and world famous classical pianist Lavishly illustrated this first ever biography covers Moore s long tough climb to fame and fortune his triumphs and failures on the British stage and BBC network his offscreen romances and marriages his string of box office hits and failures and his dramatic fall from the top as Hollywood s hottest sex symbol **The Data Dialogues**

Martyn Richard Jones,2025-07-25 The world of data information and knowledge is not merely technical It is cultural Philosophical Even spiritual at times It offers the promise of precision in an age of confusion a kind of sacred geometry hiding within spreadsheets APIs and machine learning models At its best this world stretches the human mind challenging how we define truth how we negotiate complexity and how we reconcile seemingly irreconcilable contradictions It is the domain of paradox and possibility But if that sounds a little too poetic for a tech column it s because the real story of data today is more conflicted and more compromised Beneath the surface of the data revolution where we are supposedly unlocking insight at scale and democratising analytics lies a darker current One of opportunism one of illusion The world of data is not just full of brilliant engineers and thoughtful epistemologists it s also teeming with chancers charlatans and con artists A rogues gallery of pitch deck hustlers and clickbait futurists A carnival of snake oil salesmen dressed in TED Talk casual hawking AI powered this and cloud native that with all the depth of a bumper sticker We are in the middle of a data gold rush and like every gold rush in history it has attracted not just pioneers but profiteers Dear Dudley: Life and Laughter - A celebration of the

much-loved comedy legend Barbra Paskin,2018-11-15 Barbra Paskin was the late Dudley Moore s official biographer having known him well for many years In this latest book she provides an affectionate celebration of this extraordinary comic and musical talent perhaps the best loved major star of his or any generation Although it rehearses his extraordinary life and career from Beyond the Fringe with the Cambridge Footlights followed by his long association with Peter Cook that produced such immortal programmes as Not Only But Also to Hollywood stardom with films like 10 and Arthur it is more than a mere biography Uniquely Dear Dudley also publishes for the first time the many kind comforting supportive and often extremely funny letters that the author obtained from leading celebrities to mark Dudley s sixty fourth birthday from the Rolling Stones to Michael Caine Billy Joel to Alan Bennett Goldie Hawn to Woody Allen all of whom have given permission for them to be reproduced in the book Dudley Moore Rena Fruchter,2011-06-08 Rena Fruchter was Dudley s concert piano partner and

the friend who looked after him in the final years of his life until his death at the age of 66 This is her intimate portrait of the extraordinarily brilliant complex character that was Dudley Moore During the last ten years of his life Dudley changed He stepped off the podium and into real life Physically life was difficult professionally it was turbulent but during his final years he blossomed and in the midst of his illness from the debilitating effects of Progressive Supranuclear Palsy he found peace Rena writes beautifully of Dudley s final years but also takes us back through his life story conveying his inimitable talent humour and vibrancy evoking the atmosphere of a working class upbringing in 1940s Britain life in 1950s London and his relationship with Peter Cook and the excesses of 1980s LA With style and precision she unravels his personality looks back at his childhood and career weaving a moving and compelling story of a unique man Eric Sykes' Comedy Heroes Eric Sykes,2012-05-31 Eric Sykes is one of Britain s creative comedy geniuses combining personal warmth superbly observed written and performed comedy and a deeply intimate understanding of what a viewing audience wants Here he has assembled a comedy hall of fame for those who have inspired entertained and most of all amused him Including tributes to comedy greats Tommy Cooper Les Dawson Ken Dodd Spike Milligan Peter Sellers and many many more this is a beautiful and personal testimony to the wonderful characters who have stimulated Eric s life long love affair with laughter

Goodbye Again Peter Cook,2005 Peter Cook and Dudley Moore are the greatest double act that Great Britain has ever produced Today it s impossible to imagine modern sketch shows without them If you re a fan of Monty Python The Comic Strip or The Fast Show then you re a fan of Cook and Moore This collection of their works is a comprehensive compilation of the finest sketches that Cook and Moore ever wrote together from the beginning of their partnership in the groundbreaking stage show Beyond The Fringe to the notorious taboo busting Derek and Clive LPs that captured the spirit of punk rock and inspired the scatological anarchy of Alternative Comedy Featuring transcripts of one night stands long since almost forgotten such as their Royal Variety performance as well as a wealth of virtually unknown material including previously unpublished scripts for Not Only But Also Goodbye Again promises to be a revelation even for Cook and Moore s most informed fans As well as illuminating their work this book also promises to shed light on their intimate yet turbulent relationship from a middle class public boarding school background and diminutive club footed Moore working class but with an impressive musical talent came together to develop the closest of partnerships based on an instinctive virtually intuitive sense of humour Goodbye Again will chart the extraordinary friendship between the two men and its almost telepathic intensity which not only bought them together but also pulled them apart time after time until their eventual reconciliation **Ray Martin's**

The Punk Turn in Comedy Krista Bonello Rutter Giappone, 2018-05-24 This book examines the interconnections between punk and alternative comedy altcom It explores how punk's tendency towards humour and parody influenced the trajectory taken by altcom in the UK and the punk strategies introduced when altcom sought self definition against dominant established trends The Punk Turn in Comedy considers the early promise of punk comedy convergence in Peter Cook and Dudley Moore's Derek and Clive and discusses punk and altcom's attitudes towards dominant traditions The chapters demonstrate how punk and altcom sought a direct approach for critique one that rejected innuendo while embracing the amateur in style and experimenting with audience performer interaction Giappone argues that altcom tended to be more consistently politicised than punk with a renewed emphasis on responsibility The book is a timely exploration of the punk turn in comedy history and will speak to scholars of both comedy and punk studies

The Beatles and Humour Katie Kapurch, Richard Mills, Matthias Heyman, 2023-08-10 The Beatles are known for cheeky punchlines but understanding their humor goes beyond laughing at John Lennon's memorable rattle your jewelry dig at the Royal Variety Performance in 1963 From the beginning the Beatles music was full of wordplay and winks guided by comedic influences ranging from rhythm and blues British radio and the Liverpool pub scene Gifted with timing and deadpan wit the band habitually relied on irony sarcasm and nonsense Early jokes revealed an aptitude for improvisation and self awareness techniques honed throughout the 1960s and into solo careers Experts in the art of play including musical experimentation

the Beatles shared sense of humor is a key ingredient to their appeal during the 1960s and to their endurance The Beatles and Humour offers innovative takes on the serious art of Beatle fun an instrument of social political and economic critique Chapters also situate the band alongside British and non British predecessors and collaborators such as Billy Preston and Yoko Ono uncovering diverse components and unexpected effects of the Beatles output *The goodstrat.com Reader*
