**Canadian Books in Print. Author and Title Index** ,1975 **Burning Desire** Paul Linke,2020-08-19 The book provides some of the information everyone is unconsciously looking for It mentions subjects only a philosopher would know about and more It provides an idea to change the age old belief that there is not enough to go around and therefore we war about the most fundamental resources we can find on Earth The book explains to the best of my knowledge that the universe is a giving entity and all we have to do is learn how this is possible This giving entity is fundamentally two particles in union which is a self contained unit at every scale This union is a dynamic entity which looks like a Torus that generates everything Ancient arts like sacred geometry and others are testimony that there is a fundamental geometric structure in all things and the book highlights this sacred structure known as the Metatrons Cube which is governed by a conscious mind that generates all physical things we are so familiar with It also mentions motion which relates to the golden ratio and how algorithmic functions can explain some of the infinite possibilities we are confronted with **The World's Most**
