The Worlds Last Night And Other Essays:

The World's Last Night and Other Essays C. S. Lewis, 2022-08-01 In *The World's Last Night and Other Essays* C. S. Lewis explores profound themes of mortality, faith, and the nature of the divine through a series of thought-provoking essays. Written in his characteristic clear prose and illuminating wit, these essays delve into eschatology, the end of time, and the complexities of Christian belief in modern life. Set against the backdrop of mid-20th century philosophical discourse, Lewis's reflections integrate literary finesse with theological insight, inviting readers to confront their own understandings of existence and ultimate purpose. C. S. Lewis, an esteemed scholar and theologian, was profoundly influenced by his own journey from atheism to Christianity, which informs the introspective nature of these essays. His experiences as a soldier during World War I and a literary critic equipped him with a unique perspective on the human condition, enabling him to address the anxieties of his time while reinforcing his passionate belief in God. Lewis's role as a leading Christian apologist and his broad literary output made him a pivotal figure in 20th-century literature. This collection is highly recommended for readers seeking a deeper understanding of faith and philosophy, as well as those interested in Lewis's insights into the human experience. Ideal for scholars and casual readers alike, these essays offer a compelling exploration of life's ultimate questions, encouraging contemplation of our place in a transient world.

The World's Last Night C. S. Lewis, 2002-10-07 In seven witty, lucid, and tough-minded essays, Lewis considers questions that challenge the faith of modern Christians. He discusses such topics as the efficacy of prayer, the various uses of the phrase "I believe," the religious implications of life on other planets, the meaning of words like culture and religion, and the idea of the Second Coming.

The World's Last Night C. S. Lewis, 2016-06-22 *The World's Last Night and Other Essays* is a collection of essays by C. S. Lewis published in the United States in 1960. The title essay is about the Second Coming of Jesus Christ. The volume also contains a follow-up to his *The Screwtape Letters* in the form of *Screwtape Proposes a Toast*. The second, fourth, and fifth pieces were published in the U.K. in a volume called *Screwtape Proposes a Toast* and other pieces, 1965. The first, sixth, and seventh were published in the U.K. in *Fern Seed and Elephants* and other essays on Christianity, 1975. Contents: The Efficacy of Prayer; On Obstinacy in Belief; Lilies That Fester; *Screwtape Proposes a Toast*; Good Work and Good Works; Religion and Rocketry; Will We Lose God in Outer Space; *The World's Last Night*; Christian Hope: Its Meaning for Today.

Lewis** William O'Flaherty,2018-03-16 C S Lewis wrote many great words but not everything you see with his name on it is from the famed author of the Narnia books Seventy five quotations are presented that have an association in one way or another with a host of names including Ryan Seacrest Anthony Hopkins Max Lucado Rick Warren and Tim Allen Learn the three most common ways Lewis is misrepresented 1 Falsely Attributed Quotes Expressions that are NOT by him 2 Paraphrased Words that are

ALMOST what he said 3 Out of Context Material he wrote but are NOT QUITE what he believed This book doesn't stop there Also discover what Lewis actually said that is related to the presented misquotes Those new to Lewis and the more serious reader of his works will grow in their appreciation of a writer that is not only quotable but obviously misquotable Both Sides of the Wardrobe Robert C. Fennell,2015-12-02 The beloved Chronicles of Narnia are only the top layer of the rich treasure trove of C S Lewis's writing This brilliant Oxford don made a tremendous impact on contemporary Christian thought and has deeply influenced generations of followers of Jesus in the half century since his death The authors in this collection examine Lewis's many contributions and reflect deeply on their significance for theology spiritual imagination and the challenge of Christian discipleship today From Narnian adventures to Screwtape's letters through studies of Lewis's collaborators like J R R Tolkien and inspirations like George MacDonald and by way of reflection on deeper theological themes like human will joy and the End of Days this book will inspire and provoke contemplation of God's presence in your life and in our world **In the Highest Degree: Volume One** P. H. Brazier,2018-10-31 The theological and philosophical works of C S Lewis were grounded in the argument from reason As such reason is a form of revelation that predates nature and relates to the divine the Word of God Christ the Logos These essays provide some understanding of the essentials to Lewis's philosophical theology that is the essentia in the highest degree Lewis's corpus can seem disparate but here we find unity in his aims objectives and methodology a consistency that demonstrates the deep roots of his philosophical theology in Scripture in Greek philosophy patristic and medieval theology and in some of the Reformers all framed by a reasoned discipline from a perceptive and critical mind method and form content and reason for the glory of God Here is the essentia of Lewis's thinking From an analysis of reason through a theoretically unified proposition for atonement to the evidence of Christ as the light of the world across human endeavors and religions to a doctrine of election to an understanding of Scripture to the Philosophy of the Incarnation as Lewis termed it through fundamental arguments with various modern liberal theologians we find evidence for the actuality of the incarnation the divinity of Christ *The Miracle of Man* Jim Howard,2017-01-31 What Is a Man Biologically we are animals homo sapiens But men are different born with consciousness reason free will notions of morality and other characteristics of what we call human nature Why are we different Were we created by God or are we just accidents of nature Are you a child of the King or just a child of King Kong This is a book of apologetics for laypeople It looks at arguments for the existence of God and especially at those arguments that can be drawn from human nature It argues in plain language with illustrations and humor that we cannot explain human nature without God that men are miracles Journey Towards Home S. Steve Park,2017-03-14 Clives Staples Lewis 1898 1963 called his theological writings as that of a layman and an amateur who merely attempted to restate ancient and orthodox doctrines However S Steve Park argues that Lewis's theological reflections are well informed thoughtful and weighty For instance Lewis's notion of mere Christianity consistently shows his commitment to supernaturalism vs naturalism and eucatastrophic

salvationism vs ethical developmentalism in sharp contrast to many prevailing theologians of his time In this book the author expounded Lewis s theological writings rather comprehensively and organized the results according to Lewis s signature literary motif of the journey towards home in four stages Away from Home Homeward Turning Home Away from Home and The Final Home Under these headings Lewis s major theological and literary themes find illuminating treatments with rich contents and penetrating analyses In so doing the author presents to the readers probably for the first time a systematic theology of C S Lewis It turns out that Lewis more than just a storyteller was a significant participant in the world of theological reflections demonstrating himself to be a rather formidable theological mind to be reckoned with God and the Other J. Aaron Simmons,2011-04-12 In this book the author suggests how Continental philosophy of religion can intersect with political philosophy environmental philosophy and theories of knowledge **C S Lewis** Colin Duriez,2013-05-02 An Oxford student of C S Lewis s said he found his new tutor interesting and was told by J R R Tolkien Interesting Yes he s certainly that You ll never get to the bottom of him You can learn a great deal about people by their friends and nowhere is this more true than in the case of C S Lewis the remarkable academic author populariser of faith and creator of Narnia He lost his mother early in life and became estranged from his father much to his regret Throughout his life key relationships mattered deeply to him from his early days in the north of Ireland and his schooldays in England as still a teenager in the trenches of World War One and then later in Oxford The friendships he cultivated throughout his life proved to be vital influencing his thoughts his beliefs and his writings What did Arthur Greeves a life long friend from his adolescence bring to him How did J R R Tolkien and the other members of the now famous Inklings shape him Why in his early twenties did he move in with a single mother twice his age Janie Moore and live with her for so many years until her death And why did he choose to marry so late What of the relationship with his alcoholic and gifted brother who eventually joined his unusual household In this sparkling new biography which draws on material not previously published Colin Duriez brings C S Lewis and his friendships to life **Essential C. S. Lewis** Clive Staples Lewis,1996 A selection of Lewis work including essays letters poems and texts of The Lion the Witch and the Wardrobe Perelandra and Abolition of Man Not a Tame Lion Terry Glaspey,2022-12-06 Finalist for the best biography of the year with Christian Book Awards The life thought and legacy of C S Lewis a Prophet for our Times One of the most brilliant minds of the twentieth century C S Lewis bridged literature philosophy and religion He taught at Oxford and Cambridge all the while communicating in a clear winsome manner that ordinary men and women could comprehend He gave us masterpieces like The Screwtape Letters The Chronicles of Narnia Mere Christianity The Problem of Pain and still more In this fascinating biographical study Not a Tame Lion author Terry Glaspey points out that Lewis life was as compelling as his work Glaspey gives readers a glimpse of the character of this extraordinarily gifted man who believed that his sharp mind and rich imagination were to be accompanied by a sense of responsibility to the wider world If Lewis were alive today he would see the fruition of trends he warned against many years

ago His continued relevance is based on his understanding of the human predicament a predicament that is intellectual and moral as well as spiritual Lewis points the way out of this predicament but it s not an easy way It requires submission to God s authority moral discipline and integrity of action Lewis shows how our lives can be lived in light of eternity and can demonstrate the hope that endures even in these shadowlands

The Sequence Steven R. Bates,2024-08-30 Sometimes the best way to let one know what something is is to let one know what it isn t Today s typical academic book in eschatology provides the reader with a brief history of the various positions in the field followed by why certain positions should be considered the better options This is not that book Over the course of twelve chapters six sequences will be presented from the three major sources in the New Testament regarding the subject i e Paul s letters to the Thessalonians the Olivet Discourse and John s visions in Revelation Through a careful reconciliation of those six sequences Dr Steven R Bates will show that there s only one sequence of end times which he has labeled The Post Armageddon Premillennial Resurrection He asserts that had any other sequence of end times been correct whether pre tribulationism pre wrath mid tribulationism historic pre millennialism post millennialism a millennialism preterism or any other sequence that one could possibly imagine then the proponents of that postulation should be able to take the same six sequences from Scripture and reconcile them precisely with one another sentence by sentence and prove whatever sequence they propose But of course no one will ever attempt such an endeavor because it s theoretically impossible Scripture s six sequences only confirm one sequence and it is the one which has been presented in The Sequence

C.S. Lewis on Higher Education Stewart Goetz,2023-10-19 Why pursue a university education Some people answer in terms of the purpose of getting a good job Others respond in terms of the aim of earning more money Still others answer in terms of the goal of promoting social justice Drawing on C S Lewis s belief that the purpose of life is the experience of perfect happiness Stewart Goetz explains Lewis s simple but overlooked view that a person should pursue a university education for the pleasure that comes from higher level intellectual activity Goetz not only sharpens our understanding of Lewis s life and work in higher education but also leads us to question why we attend study teach or research at a university
