*Essays in New Testament Interpretation* C. F. D. Moule, 1982-07-08 This selection of the Rev C F D Moule's essays represents the whole range of Professor Moule's contribution to New Testament studies.

**New Testament Interpretation** I. Howard Marshall, 2006-10-01 These eighteen pieces have been commissioned to provide a succinct yet comprehensive guide to the best of recent evangelical thinking about how the New Testament is to be interpreted so that it may speak most clearly to today's world. The need for such a handbook can be felt more keenly as on the one side a secularized world dismisses the biblical faith as outmoded, unworkable and unsatisfying and on the other numerous Christian communities committed to taking that faith with ultimate seriousness are driven by controversies about how to read and understand the Bible. Following the editor's introduction in which I. Howard Marshall examines a familiar New Testament passage in order to exemplify the problems and rewards that await the careful interpreter, the essays are arranged under four headings beginning with overviews of the history of New Testament study and the role of the interpreter's presuppositions in this enterprise, then going on to discuss the various critical tools, the methods of exegesis and the application of the New Testament to the faith and life of the contemporary reader. An annotated bibliography concludes the presentation. Because the issues involved here have too often been ignored in many quarters, more than one approach to or opinion about a given matter may surface in these essays, yet undergirding this diversity is the author's shared conviction as conservative evangelicals with a high regard for the authority of Holy Scripture that we are called upon to study the Bible with the full use of our minds. As the editor writes, 'The passages which we interpret must be the means through which God speaks to men and women today. Our belief in the inspiration of the Bible is thus a testimony that New Testament exegesis is

not just a problem it is a real possibility God can and does speak to men through even the most ignorant of expositors of his Word At the same time he calls us on to devote ourselves to his Word and use every resource to make its message the more clear

*The Making of the New Testament* Arthur G. Patzia, 2025-11-04 The story of the making of the New Testament is one in which scrolls bumped across cobbled Roman roads and pitched through rolling Mediterranean seas finally finding their destinations in stuffy dimly lit Christian house churches in Corinth or Colossae There they were read aloud and reread handled and copied forwarded and collected studied and treasured And eventually they were brought together to make up our New Testament This revised and expanded edition of The Making of the New Testament is a textbook introduction to the origin collection copying and canonizing of the New Testament documents Like shrewd detectives reading subtle whispers of evidence biblical scholars have studied the trail of clues and pieced together the story of these books Arthur Patzia tells the story answering our many questions How were books and documents produced in the first century What motivated the early Christians to commit teaching and narrative and vision to papyrus How were the stories and sayings of Jesus circulated handed down and shaped into Gospels What do we know about ancient letter writing secretaries and copy shops Why were four Gospels included instead of just one How were Paul s letters sent here and there gathered into a single collection Who decided and by what criteria which documents

would be included in the New Testament Explore these questions and more about these Scriptures whose everyday gritty story rings true to their extraordinary message the palpable mystery of the Word made flesh *Early Jewish Writings and New Testament Interpretation* C. D. Elledge, 2023 *Early Jewish Writings and New Testament Interpretation* is a concise introductory volume to orient undergraduates seminarians and interested readers to some of the most important early Jewish writings that currently inform New Testament interpretation While the literature of Early Judaism is vast five specific literary categories stand at the forefront of modern New Testament research These include wisdom writings apocalypses rewritten scriptural narratives the Dead Sea Scrolls and the writings of Philo and Josephus Individual chapters explain their respective contributions toward interpreting the theological ideas socio historical settings and literary features of specific New Testament writings The volume further describes literary collections that the church would later classify as apocrypha and pseudepigrapha providing an historically nuanced perspective on what scripture might have looked like prior to the formation of the biblical canon Interpreted within their ancient context many of these writings offer insight into a religious environment in which Judaism and the nascent church were still emerging religions that had not yet gone their separate ways The reader of the New Testament today can therefore understand the indebtedness of the New Testament literature to traditions found in contemporary Jewish works while also appreciating the creative new ways in which the church interpreted them *The Promise of Ecumenical Interpretation* Stefan Alkier, Christos Karakolis, Tobias Nicklas, 2024-08-20 *The Promise of Ecumenical Interpretation* pursues its ecumenical goals by allowing the Bible itself to serve as the point of commonality The volume retains the Bible's centrality as a guideline for individual faith and for the institutional design of churches in the context of contemporary social conflicts The authors one Protestant one Catholic one Orthodox present ten unifying theses on the understanding and function of a conception of Scripture under the sign of Sola Scriptura They agree that only Scripture when correctly understood bears witness to good news for everyone and that only a shared expectant and critical turn to Scripture makes sustainable ecumenism possible This is the basis for bringing biblical insights to the conditions that make community life possible amid the global and local ecclesiastical and social conflicts of the present
