A Journey in the Heart Christine Apter, PhD, ERYT 500, 2017-11-06 A Journey in the Heart By Christine Apter PhD ERYT 500 This book is meant to be an organized curriculum that takes a student beyond the foundational philosophy anatomy technical aspects and teaching methodology developed from many advanced yoga teacher training workshops The basics of yoga teaching with the standards of Yoga Alliance are not covered in this text It is designed as a manual intended to meet the criteria for 300 hours of knowledge and practice above and beyond what is taught in basic yoga teacher training A deep desire and enthusiasm for the teaching is perhaps a more important criterion for the aspiration to dive deeper To be proficient in teaching and practicing it takes thousands of hours and perhaps decades of committed work The art and science of yoga teaching and practice come together with the flexible format surrounding factual structure presented in this book Rather than an authoritative tool this manual is fashioned to be a framework for the creative work it takes to teach yoga and practice deeper The reader is encouraged to build upon the information and inspiration and to be creative and innovative with the material *The Secret Power of Yoga, Revised Edition* Nischala Joy Devi, 2022-05-10 The definitive feminine interpretation of Patanjali's Yoga Sutras now expanded to include all four padas Yoga is best known for its power to create a healthy body but the emotional and spiritual benefits of the practice are even greater In *The Secret Power of Yoga* Nischala Joy Devi offers a simple elegant and deeply personal interpretation of Patanjali's Yoga Sutras the principles at the basis of Yoga practice Hers is a heart centered intuitive feminine perspective and the first translation intended for women Her interpretation beautifully captures the spirit of each sutra and her suggested practices offer numerous ways to embrace the spirituality of Yoga throughout your day The original edition summarized the final two padas with the intention of encouraging curiosity about further practice without overwhelming the reader But today there is more focus on the importance of understanding the foundation of yoga than ever With so many making a commitment to the practice of Yoga to further their own spiritual growth and development Devi believes now is the time to give more and has provided additional commentary and practices making *The Secret Power of Yoga* a complete scripture Essential Yoga Olivia H.
