

The Young Visitors
or
Mr Salteena's Plan

DAISY ASHFORD

The Young Visitors Or Mr Salteenas Plan

**Daisy Ashford, Sir James Matthew
Barrie**

The Young Visitors Or Mr Salteenas Plan:

The Young Visitors or, Mr. Salteena's Plan Daisy Ashford, 2022-08-15 Daisy Ashford's *The Young Visitors or Mr Salteena's Plan* is a unique artifact of literary history penned by the author at the tender age of nine. The novella offers a charming and unfiltered glimpse into the social mores and romantic aspirations of Edwardian England as seen through the eyes of its child author. Its narrative is delivered with a simplicity and directness that belies the subtlety of its social satire imbued with an unintentional comedic flair that has endeared it to readers for over a century. Ashford's unschooled spelling and grammatical idiosyncrasies have been carefully preserved in the DigiCat Publishing edition honoring the work's authenticity and original charm. Daisy Ashford wrote *The Young Visitors* in the early 20th century and its subsequent publication in 1919 when Ashford was an adult fascinated audiences with its juvenile perspective on adult themes of love and class. The novel's portrayal of the innocent yet astute Mr Salteena and his navigation through the complexities of high society offers a rare unadulterated look into the imagination of a child, her perception of the adult world and her understanding of nuanced human relationships. *The Young Visitors* is highly recommended for those with an interest in literary curiosities, the representation of social classes in Edwardian fiction, or the development of children's writing. Readers looking for a whimsical, authentic, and historically significant work will find delight and educational value in Ashford's creation. This edition by DigiCat Publishing is a testament to the continued relevance and fascination of childhood narratives in the canon of English literature.

The Young Visitors Or Mr. Salteenas Plan Daisy Ashford, J. M. Barrie, Heather Corlass, 1973 **The Young Visitors**, 1919 *The Young Visitors or, Mr. Salteena's Plan* Daisy Ashford, 1919 **YOUNG VISITERS OR MR. DAISY. ASHFORD**, 2018 **The Young Visitors Or, Mr. Salteena's Plan** Ashford Daisy, 2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits, maps, sketches, etc. We have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy **The Young Visitors of Mr. Salteena's Plan** Daisy Ashford, 1960 *The Young Visitors Or Mr.* Daisy Ashford, 2015-07-05 Excerpt from *The Young Visitors or Mr Salteena's Plan* The owner of the copyright guarantees that *The Young Visitors* is the unaided effort in fiction of an authoress of nine years. Effort, however, is an absurd word to use as you may see by studying the triumphant countenance of the child herself which is here reproduced as frontispiece to her sublime work. This is no portrait of a writer who had to burn the oil at midnight; indeed, there is documentary evidence that she was hauled off to bed every evening at six. It has an air of careless power, there is a complacency about it that by the severe might perhaps be called smugness. It needed no effort for that face to knock off a masterpiece. It probably represents precisely how she looked when she finished a chapter. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www](http://www.forgottenbooks.com)

forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. The Young Visitors Daisy Ashford, 1963 *The Young Visitors* Daisy Ashford, 1919

The young visitors or Mr. Salteenas plan by Daisy Ashford Daisy Ashford, 1920 The Young Visitors Daisy Ashford, Julia Anderson-Miller, Walter Kendrick, 2014-05-01 This is the greatest novel written by a nine-year-old that had been in print in Britain since the 20s but had been out of print in the U.S. for 35 years. It has two hilarious themes: love and social climbing. **The Young Visitors** Daisy Ashford, 2014-08-07 This is a new release of the original 1919 edition. **The Young Visitors** Daisy Ashford, Sir James Matthew Barrie, 1951 **The Young Visitors: Or Mr. Salteena's Plan** Daisy Ashford, 1992-11 The first English novelists turned to writing long prose fictions for a variety of reasons, some of which are not usually associated with the mainline Anglo-American novel today. Among them were political agitation, social protest, and moral reform. This book introduces the reader to the discourses out of which these fictions were created and to some of the theories about the cultural forces that lie behind the shaping of a distinctively new literary form. A major theme covered in the book is the writer's experimentation with how the novel can participate in social processes and debates. From its inception, spirited controversies erupted over what fiction does, what kinds of truth claims it can legitimately make, and how it affects readers' emotions and actions. Therefore, the creation of the novel will be presented with attention to the ways readers participated in deciding what a novel would be. The Young Visitors, Or Mr. Salteena's Plan Daisy Ashford, 1973 **The Young Visitors [sic] ; Or, Mr. Salteena's Plan** Daisy Ashford, 1951 *The Young Visitors Or, Mr. Salteena's Plan* Daisy Ashford, 2023-11-27 A timeless tale of innocence and ambition. Over a century after its publication, the novella *The Young Visitors* by nine-year-old Daisy Ashford still captivates readers young and old. At first glance, its narrative may seem sweetly simple: an account of the bumbling Mr. Salteena, who endeavors to better his station in fashionable society by introducing himself and his young teenage friend Ethel Monticue into London's social scene. However, concealed beneath its innocence and whimsy lies a wry yet compassionate glimpse into the absurdities and pretenses that drive humankind. What gives this gem its cross-generational appeal is Ashford's charming ability to capture universal truths through the focused lens of the young and guileless. We chuckle at Mr. Salteena's social awkwardness and transparency as he grasps after refined connections, yet we have all privately felt the same gauche self-consciousness when struggling to belong. Ashford's precocious wit recognizes that even the elite hide insecurities behind their finery, as Lady Pumphle had a very jealous nature though her face did not show it. At its core, this is a tale that revels in stripping away insincerity to reveal the hope and foibles that dwell in all human hearts. Ashford's Ethel delivers subtle moxie behind her very plain looks; the Marquess they meet turns out to

have simple dreams beneath noble trappings There is sympathy for fragile facades that crumble when encountering sincerity This is a microcosm of Edwardian society yet one where authentic human connection glimmers through Sparkling with innocent wisdom while playfully reflecting inner quirks The Young Visitors makes us pause and smile at our own ambition pretense and desire for connection We see ourselves in these characters bridging beyond age or time A century later this precocious novella still entrance readers through its empathetic humor and timeless charm **The Young Visitors [sic] ; Or, Mr. Salteenas Plan** Daisy Ashford,1955 *The Young Visitors Or, MR Salteena's Plan* Daisy Ashford,2021-03-02

Ashford wrote the novel in an exercise book at the age of nine in 1890 Full of misspellings each chapter is written as a single paragraph Several years later in 1917 at the age of 36 Ashford rediscovered her drawer manuscript and loaned it to Margaret Mackenzie a friend who was recovering from the flu Several more hands passed before it reached Frank Swinerton the novelist who was also a reader of the publishers Chatto and Windos Largely due to Swynerton s enthusiasm for this piece of events the book was published exactly as it was written It is a novel about upper class society in late nineteenth century England when she was only nine years old The short novel was published in 1919 to preserve its juvenile spelling and punctuation

Reviewing **The Young Visitors Or Mr Salteenas Plan**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing.
