### **The Zelmenyaners A Family Saga New Yiddish Library Series:**

*The Zelmenyaners* Moyshe Kulbak, 2013-10-15 A masterpiece of a comic novel following four generations of a Jewish family in Minsk torn asunder by the new Soviet reality Forward This is the first complete English language translation of a classic of Yiddish literature one of the great comic novels of the twentieth century The Zelmenyaners describes the travails of a Jewish family in Minsk that is torn asunder by the new Soviet reality Four generations are depicted in riveting and often uproarious detail as they face the profound changes brought on by the demands of the Soviet regime and its collectivist radical secularism The resultant intergenerational showdowns including disputes over the introduction of electricity radio or electric trolley are rendered with humor pathos and a finely controlled satiric pen Moyshe Kulbak a contemporary of the Soviet Jewish writer Isaac Babel picks up where Sholem Aleichem left off a generation before exploring in this book the transformation of Jewish life

*Strangers in Berlin* Rachel Elana Seelig, 2016-09-19 Berlin in the 1920s was a cosmopolitan hub where for a brief vibrant moment German Jewish writers crossed paths with Hebrew and Yiddish migrant writers Working against the prevailing tendency to view German and East European Jewish cultures as separate fields of study *Strangers in Berlin* is the first book to present Jewish literature in the Weimar Republic as the product of the dynamic encounter between East and West Whether they were native to Germany or sojourners from abroad Jewish writers responded to their exclusion from rising nationalist movements by cultivating their own images of homeland in verse and they did so in three languages German Hebrew and Yiddish Author Rachel Seelig portrays Berlin during the Weimar Republic as a threshold between exile and homeland in which national and artistic commitments were reexamined reclaimed and rebuilt In the pulsating yet precarious capital of Germany's first fledgling democracy the collision of East and West engendered a broad spectrum of poetic styles and Jewish national identities

*They Never Saw It Coming* Roberta Kagan, 2020-10-25 Goldie Schatzman is nearing forty but she is behaving like a reckless teenager and every day she is descending deeper into a dark web Since her return home to Berlin she has reconnected with her childhood friend Leni a free spirit who has swept Goldie into the Weimar lifestyle that is overflowing with artists and writers but also with debauchery Goldie had spent the last nineteen years living a dull life with a spiritless husband And now she has been set free completely abandoning any sense of morals she once had As Goldie's daughter Alma is coming of marriageable age her grandparents are determined to find her a suitable match But will Goldie's life of depravity hurt Alma's chances to find a Jewish husband from a good family And all the while the SA a prelude to the Nazi SS is gaining strength Germany is a hotbed of political unrest Leaving a nightclub one night Goldie finds herself caught in the middle of a demonstration that has turned violent She is rescued by Felix a member of the SA who is immediately charmed by her blonde hair and Aryan appearance Goldie is living a lie and her secrets are bound to catch up with her A girl who she'd scorned in the past is now a proud member of the Nazi Party and still carries a deep seated vendetta against Goldie On the other side of the Atlantic Sam Goldie's son is thriving with the Jewish mob in

Manhattan however he has made a terrible mistake He has destroyed the trust of the woman he believes is his bashert He knows he cannot live without her and he is desperately trying to find a way to win her heart And Izzy the man who Sam once called his best friend is now his worst enemy They are both in love with the same woman and the competition between them could easily result in death Then Sam receives word that something has happened in Germany and he must accompany his father on a journey across the ocean He is afraid that if he leaves before his beloved accepts his proposal he might lose her forever Everyday Jews ,2013 **The Family Mashber** Nister,1987 Translated from the Yiddish by Leonard Wolf
