Ethical View of Trinitarian Sanctification Ronald M. Rothenberg,2014-07-02 The thesis of this book is that virtue ethics is key to understanding Trinitarian progressive sanctification The thesis is supported by four reasons why virtue ethics is key to understanding Trinitarian progressive sanctification 1 the Trinity virtue ethics and sanctification are historically and conceptually interconnected in the tradition and Scripture 2 virtue ethics based on metaphysical realism is the most biblically consistent ethical framework for Trinitarian progressive sanctification 3 Jesus active roles as a teacher and example of virtue play an important part in Trinitarian sanctification and 4 Jesus priestly heavenly intercession aimed at manifesting virtue in believers is crucial to understanding how the Trinity progressively sanctifies believers The active roles of Jesus in sanctification ordered by the Triune premise indicate that the Trinity sanctifies such that 1 the value having its source from the Father is revealed through the teaching of the Son to motivate believers who are empowered to be motivated by the Spirit 2 the character that is from the Father is revealed through the Son s example that is to be imitated by the believer through habituation and reciprocity by the Spirit s leading and 3 believers are led by the Spirit s intercession into prayer Rom 8 14 16 26 27 to be helped through the Son s priestly intercession in order to receive an answer from the Father with the aim of manifesting the virtues of endurance and hope in the lives of believers How to Bring Them to Christ Reuben

turn of the 20th century interest in matters spiritual from the traditionally religious to the outrageously paranormal consumed the attention of the American public This 1902 classic of devotional writing attempts to apply a diffuse pan religious theosophically minded doctrine to Christian thought describing an awakening to Jesus as a mystery of elemental processes and forces that are all silent moving along pathways of growth Believers surely continue to find inspiration in his beautifully written work but readers in comparative mythology particularly those interested in theosophy and the New Thought movement of the early 20th century will be intrigued by the cross pollination of competing philosophies of the human spirit

Weir, 2016-04-25 Have you ever considered the ultimate purposes and consequences of good work performed by non Christians Have you ever theologically considered the work of non Christians at all Is it possible that God would ever give credence to let alone honor the work of non Christians in an ultimate sense Are you frustrated by theologies of work that are entirely protological in orientation How do we make sense of biblical excerpts that talk of work being judged towards a particular outcome The Good Work of Non Christians Empowerment and the New Creation attempts to answer these questions in a manner that also challenges evangelical assumptions about the ultimate outcomes of working life Drawing strength from eschatologically minded theologies by Miroslav Volf and Darrell Cosden Weir seeks to replace protology with eschatology in a theology of work about non Christians The British evangelical tradition is specifically taken up here so as to make critical assessments of certain airtight theologies regarding human action with reference to the new creation This book attempts to create a heuristic against unhelpful hermeneutical tendencies that inform evangelical theologies This is a work that is not only theological it is biblically historically and ethically rigorous
