How very delightful Grego's drawings are For all their mad perspective and crude colour they have indeed the sentiment of style and they reveal with surer delicacy than does any other record the spirit of Mr Brummell's day Grego guides me as Virgil Dante through all the mysteries of that other world He shows me those stiff-necked over-hatted wasp-waisted gentlemen drinking Burgundy in the Caf des Milles Colonnes or riding through the village of Newmarket upon their fat cobs or gambling at Crockford's Grego's Green Room of the Opera House always delights me The formal way in which Mdlle Mercandotti is standing upon one leg for the pleasure of Lord Fife and Mr Ball Hughes the grave regard directed by Lord Petersham towards that pretty little maid a mischief who is risking her rouge beneath the chandelier the unbridled decorum of Mdlle Hullin and the decorous debauchery of Prince Esterhazy in the distance make altogether a quite enchanting picture But of the whole series the most illuminative picture is certainly the Ball at Almack's In the foreground stand two little figures beneath whom on the nether margin are inscribed those splendid words Beau Brummell in Deep Conversation with the Duchess of Rutland The Duchess is a girl in pink with a great wedge comb erect among her ringlets the Beau turns his head averse his chin most supercilious upon his stock one foot advanced the gloved fingers of one hand caught lightly in his waistcoat in fact the very deuce of a pose

room an iron cage let into the wall and were told by the caretaker that these cages were for me to keep lions in I think I should open my eyes rather wide Yet nothing seems to me more natural than a fire in the grate oubtless when I began to walk one of my first excursions was to the fender that I might gaze more nearly at the live thing roaring and raging behind it and I dare say I dimly wondered by what blessed dispensation this creature was allowed in a domain so peaceful as my nursery I do not think I ever needed to be warned against scaling the fender I knew by instinct that the creature within it was

dangerous fiercer still than the cat which had once strayed into the room and scratched me for my advances As I grew older I ceased to wonder at the creature s presence and learned to call it the fire quite lightly There are so many queer things in the world that we have no time to go on wondering at the queerness of the things we see habitually It is not that these things are in themselves less queer than they at first seemed to us It is that our vision of them has been dimmed **Max Beerbohm, Complete Collection** Max Beerbohm,2016-01-31 Sir Henry Maximilian Max Beerbohm 1872 1956 was an English essayist parodist and caricaturist He first became known in the 1890s as a dandy and a humorist He was the drama critic for the Saturday Review from 1898 until 1910 when he relocated to Rapallo Italy In his later years he was popular for his occasional radio broadcasts Among his best known works is his only novel Zuleika Dobson published in 1911 Beerbohm published his first book The Works of Max Beerbohm 1896 a collection of his essays which had first appeared in The Yellow Book His first piece of fiction The Happy Hypocrite was published in volume XI of The Yellow Book in October 1896 In this book The Happy Hypocrite A Christmas Garland Yet Again And Even Now Essays The Works of Max Beerbohm Zuleika Dobson Seven Men A V Laider James Pethel **Works** Max Beerbohm,2016-05 **WORKS** Max Sir Beerbohm, 1872-1956,2016-08-28 The Works of Max Beerbohm Sir Max Beerbohm,John Lane,1896 The Works of Max Beerbohm Max Beerbohm,2017-11-27T21:47:18Z The Works of Max Beerbohm is a collection of satirical essays by Max Beerbohm It was published in 1896 at The Bodley Head his publisher John Lane contributing a detailed bibliography of the works of the author then aged 24 Before their publication as a book the essays had appeared in prominent literary periodicals such as The Yellow Book and The Savoy Most of the essays were written while he was a student at Oxford although he had left Merton College in 1894 By then he was already known as a caricaturist parodist and essayist and well acquainted with the writers and artists connected with The Bodley Head notably Aubrey Beardsley and Oscar Wilde The essays can perhaps be best described as both elaborate parody and vicious satire Beerbohm s intimate knowledge of the social circles of the time and his penchant for pointed descriptions of character are always on display dismantling the purported greatness that surrounds him This book is part of the Standard Ebooks project which produces free public domain ebooks **And Even Now** Max Beerbohm,2017-08-23 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of
