International Monetary Fund Annual Report 2014 International Monetary Fund. Secretary's Department,2014-10-03 Seven years after the onset of the global financial crisis the world still has a way to go to secure a sustainable recovery marked by strong growth that supports rapid job creation and benefits all International Monetary Fund IMF Managing Director Christine Lagarde says in her foreword to the institution s Annual Report 2014 From Stabilization to Sustainable Growth published today The recovery is ongoing but it is still too slow and fragile subject to the vagaries of

financial sentiment Millions of people are still looking for work The level of uncertainty might be diminishing but it is certainly not disappearing Ms Lagarde said that throughout the crisis and in the recovery period the IMF has been and continues to be an indispensable agent of economic cooperation for its membership The report covers the work of the IMF s Executive Board and contains financial statements for the year May 1 2013 to April 30 2014 It describes the IMF s support for its 188 member countries with an emphasis on the core areas of IMF responsibility assessing their economic and financial policies providing financing where needed and building capacity in key areas of economic policy *The World Bank Annual Report 2014* Banque mondiale,World Bank,2014 The Annual Report is prepared by the Executive Directors of the International Bank for Reconstruction and Development IBRD and the International Development Association IDA collectively known as the World Bank in accordance with the by laws of the two institutions The President of the IBRD and IDA and the Chairman of the Board of Executive Directors submits the Report together with the accompanying administrative budgets and audited financial statements to the Board of Governors

**Governing Global Health** Chelsea Clinton,Devi Lalita Sridhar,2017 Chelsea Clinton and Devi Sridhar believe that global health public private partnerships are not only important for combating infectious diseases they also provide models for developing solutions to a host of other serious global health challenges and questions beyond health But what do we actually know about the accountability and effectiveness of PPPs in relation to the traditional multilaterals According to Clinton and Sridhar we have known very little because scholars have not accumulated enough data or developed effective ways to assess them until now Amazon com *Sri Lanka Asian Development Bank,2016-08-01* This publication presents a gender equality diagnostic of education energy transport and water and sanitation in Sri Lanka four sectors which are the major areas of cooperation between ADB and the Government of Sri Lanka The sector focused chapters provide insights into the gender equality issues and considerations relevant to sector planning related government policies and legal frameworks and commitments and institutional structures for promoting gender equality actions Each chapter concludes with gender issues and opportunities to consider in designing sector related interventions for possible use by and discussion with government civil society and development partners *The World Bank's Lawyers* Dimitri Van Den Meerssche,2022-09-12 The World Bank s Lawyers provides an original socio legal account of the evolving institutional life of international law Informed by oral archives months of participant observation interviews legal memoranda and documents obtained through freedom of information requests it tells a previously untold story of the World Bank s legal department between 1983 and 2016 This is a story of people and the beliefs they have the influence they seek and the tools they employ It is an account of the practices they cling to and how these practices gain traction or how they fail to do so in an international bureaucracy Inspired by actor network theory relational sociologies of association and performativity theory this ethnographic exploration multiplies the matters of concern in our study of international law and lawyering the human and non human material and semantic visible and evasive actants that tie together the fragile fabric of

legality In tracing these threads this book signals important changes in the conceptual repertoire and materiality of international legal practice as liberal ideals were gradually displaced by managerial modes of evaluation It reveals a world teeming with life a space where professional postures and prototypes aesthetic styles and technical routines are woven together in law s shifting mode of existence This history of international law as a contingent cultural technique enriches our understanding of the discipline s disenchantment and the displacement of its traditional tropes by unexpected and unruly actors It thereby inspires new ways of critical thinking about international law s political pathways promises and pathologies as its language is inscribed in ever evolving rationalities of rule      **Beyond Borders, Beyond Banking** Heather A.
