**The Yellow Wall Paper** Charlotte Perkins Gilman,1901      **The Yellow Wallpaper (Illustrated)** Charlotte Perkins Gilman,2014-08-14 The Yellow Wallpaper is a 6 000 word short story by the American writer Charlotte Perkins Gilman first published in January 1892 in The New England Magazine It is regarded as an important early work of American feminist literature illustrating attitudes in the 19th century toward women s physical and mental health Presented in the first person the story is a collection of journal entries written by a woman whose physician husband has confined her to the upstairs bedroom of a house he has rented for the summer She is forbidden from working and has to hide her journal from him so she can recuperate from what he calls a temporary nervous depression a slight hysterical tendency a diagnosis common to women in that period The windows of the room are barred and there is a gate across the top of the stairs allowing her husband to control her access to the rest of the house The story depicts the effect of confinement on the narrator s mental health and her descent into psychosis With nothing to stimulate her she becomes obsessed by the pattern and color of the wallpaper It is the strangest yellow that wall paper It makes me think of all the yellow things I ever saw not beautiful ones like buttercups but old foul bad yellow things But there is something else about that paper the smell The only thing I can think of that it is like is the color of the paper A yellow smell In the end she imagines there are women creeping around behind the patterns of the wallpaper and comes to believe she is one of them She locks herself in the room now the only place she feels safe refusing to leave when the summer rental is up For outside you have to creep on the ground and everything is green instead of yellow But here I can creep smoothly on the floor and my shoulder just fits in that long smooch around the wall so I cannot lose my way A woman gradually suffers a mental breakdown as a result of confinement and denial of her creative energies by her husband      **The Yellow Wallpaper** Charlotte P. Gilman,2025-01-17 The Yellow Wallpaper is a compelling exploration of psychological distress gender roles and the oppressive nature of societal expectations in the late 19th century Charlotte Perkins Gilman critiques the medical and domestic constraints imposed on women illustrating the devastating consequences of enforced passivity and isolation Through the protagonist s descent into obsession and madness the story exposes the dangers of silencing female agency and the pervasive impact of patriarchal control Since its publication The Yellow Wallpaper has been celebrated for its psychological depth and symbolic richness Its exploration of themes such as mental health autonomy and the struggle against systemic oppression has solidified its place as a seminal work of feminist literature The protagonist s haunting narrative and her gradual unraveling continue to resonate with readers shedding light on the historical and ongoing challenges faced by women The story s enduring relevance lies in its ability to capture the intersection of mental illness and societal repression offering a powerful critique of medical paternalism and gender based constraints By depicting the protagonist s inner turmoil and her desperate attempt to assert control over her own reality The Yellow Wallpaper invites readers to reflect on the broader implications of autonomy self

expression and the consequences of ignoring individual needs      **The Yellow Wallpaper** Charlotte Gilman,2018-05-07 The Yellow Wallpaper by Charlotte Perkins Gilman The Yellow Wallpaper is a short story by American writer Charlotte Perkins Gilman first published in January 1892 in The New England Magazine It is regarded as an important early work of American feminist literature illustrating attitudes in the 19th century toward women s health both physical and mental Presented in the first person the story is a collection of journal entries written by a woman whose physician husband has rented an old mansion for the summer Forgoing other rooms in the house the couple moves into the upstairs nursery As a form of treatment the unnamed woman is forbidden from working and is encouraged to eat well and get plenty of exercise and air so she can recuperate from what he calls a temporary nervous depression a slight hysterical tendency a diagnosis common to women in that period      The Yellow Wallpaper Charlotte Perkins Gilman,1998 The yellow wallpaper was written in 1892 when the position of women in the US was very different The short story examines both depression or mental illness suffered by the author and the social norms which govern women s lives at the time Contains full text of the short story critical analysis and biographical information      *The Yellow Wallpaper and Other Stories* Charlotte Perkins Gilman,2012-03-01 Seven charming tales explore relations between the sexes and offer witty insights from a feminist perspective Includes the 1892 title classic plus Cottageguest Turned Mr Peebles Heart and more      **The Yellow Wallpaper** Charlotte Perkins,1892-01-01 The Yellow Wallpaper original title The Yellow Wall paper A Story is a 6 000 word short story by the American writer Charlotte Perkins Gilman first published in January 1892 in The New England Magazine It is regarded as an important early work of American feminist literature illustrating attitudes in the 19th century toward women s health both physical and mental      **The Yellow Wallpaper by Charlotte Perkins Gilman** Charlotte Gilman,2017-09-02 The Yellow Wallpaper original title The Yellow Wall paper A Story is a 6 000 word short story by American writer Charlotte Perkins Gilman first published in January 1892 in The New England Magazine It is regarded as an important early work of American feminist literature illustrating attitudes in the 19th century toward women s health both physical and mental      The Yellow Wallpaper Charlotte Perkins Gilman,2016-05-16 The Yellow Wallpaper is a 6 000 word short story by the American writer Charlotte Perkins Gilman first published in January 1892 in The New England Magazine It is regarded as an important early work of American feminist literature illustrating attitudes in the 19th century toward women s health both physical and mental Presented in the first person the story is a collection of journal entries written by a woman whose physician husband John has rented an old mansion for the summer Forgoing other rooms in the house the couple moves into the upstairs nursery As a form of treatment the unnamed woman is forbidden from working and is encouraged to eat well and get plenty of exercise and air so she can recuperate from what he calls a temporary nervous depression a slight hysterical tendency a diagnosis common to women in that period She hides her journal from her husband and his sister the housekeeper fearful of being reproached for overworking herself The room s windows are barred to prevent children from climbing through them

Charlotte Perkins Gilman published 1892 and is regarded as an important early work of American feminist literature for its illustration of the attitudes towards mental and physical health of women in the 19th century. Narrated in the first person, the story is a collection of journal entries written by a woman who is isolated in her room to help her recuperate from depression and hysteria. The narrator devotes many journal entries to describing the sickly yellow wallpaper in the room. She describes how the longer one stays in the bedroom, the more the wallpaper appears to mutate, especially in the moonlight. With no stimulus other than the wallpaper, the pattern and designs become increasingly intriguing to the woman. She soon begins to see a figure in the design and eventually comes to believe that a woman is creeping on all fours behind the pattern. Believing she must free the woman in the wallpaper, the woman begins to strip the remaining paper off the wall.

The Yellow Wall Paper rises to a classic level in subtly delineating the madness which crawls over a woman dwelling in the hideously papered room where a madwoman was once confined. H. P. Lovecraft

The Yellow Wallpaper is a short story by American writer Charlotte Perkins Gilman first published in January 1892 in The New England Magazine. It is regarded as an important early work of American feminist literature due to its illustration of the attitudes towards mental and physical health of women in the 19th century. **The Yellow Wallpaper And Selected Writings** Charlotte Perkins Gilman,2009-05-07 INTRODUCED BY MAGGIE O FARRELL A great work of literature the product of a questing burning intellect MAGGIE O FARRELL Even if the themes being explored might seem irrelevant that this is not the case GUARDIAN I loved the unnerving sarcastic tone the creepy ending PARIS REVIEW It is stripped off the paper in great patches The colour is repellent In the places where it isn t faded and where the sun is just so I can see a strange provoking formless sort of figure that seems to skulk about Based on the author s own experiences The Yellow Wallpaper is the chilling tale of a woman driven to the brink of insanity by the rest cure prescribed after the birth of her child Isolated in a crumbling colonial mansion in a room with bars on the windows the tortuous pattern of the yellow wallpaper winds its way into the recesses of her mind Charlotte Perkins Gilman was America s leading feminist intellectual of the early twentieth century In addition to her masterpiece The Yellow Wallpaper this edition includes a selection of her best short

fiction and extracts from her autobiography      **Feminist Theory and Literary Practice** Deborah L. Madsen, 2000-08-20 An accessible account of the varieties of feminist thought within the context of the key American texts including Kate Chopin Alice Walker and Ann Beattie
