The Krio of West Africa Gibril R. Cole, 2013-09-15 Sierra Leone's unique history especially in the development and consolidation of British colonialism in West Africa has made it an important site of historical investigation since the 1950s Much of the scholarship produced in subsequent decades has focused on the Krio descendants of freed slaves from the West Indies North America England and other areas of West Africa who settled Freetown beginning in the late eighteenth century Two foundational and enduring assumptions have characterized this historiography the concepts of Creole and Krio are virtually interchangeable and the community to which these terms apply was and is largely self-contained Christian and English in worldview In a bold challenge to the long-standing historiography on Sierra Leone Gibril Cole carefully disentangles Krio from Creole revealing the diversity and permeability of a community that included many who in fact were not Christian In Cole's persuasive and engaging analysis Muslim settlers take center stage as critical actors in the dynamic growth of Freetown's Krio society The Krio of West Africa represents the results of some of the first sustained historical research to be undertaken since the end of Sierra Leone's brutal civil war It speaks clearly and powerfully not only

Brazilian-African Diaspora in Ghana Kwame Essien, 2016-10-01 Brazilian African Diaspora in Ghana is a fresh approach challenging both pre existing and established notions of the African Diaspora by engaging new regions conceptualizations and articulations that move the field forward This book examines the untold story of freed slaves from Brazil who thrived socially culturally and economically despite the challenges they encountered after they settled in Ghana Kwame Essien goes beyond the one dimensional approach that only focuses on British abolitionists funding of freed slaves resettlements in Africa The new interpretation of reverse migrations examines the paradox of freedom in discussing how emancipated Brazilian Africans came under threat from British colonial officials who introduced stringent land ordinances that deprived the freed Brazilian Africans from owning land particularly Brazilian land Essien considers anew contention between the returnees and other entities that were simultaneously vying for control over social political commercial and religious spaces in Accra and tackles the fluidity of memory and how it continues to shape Ghana s history The ongoing search for lost connections with the support of the Brazilian government inspiring multiple generations of Tabom offspring of the returnees to travel across the Atlantic and back especially in the last decade illustrates the unending nature of the transatlantic diaspora journey and its impacts **Recaptured Africans** Sharla M. Fett, 2016-11-23 In the years just before the Civil War during the most intensive phase of American slave trade suppression the U S Navy seized roughly 2 000

enslaved Africans from illegal slave ships and brought them into temporary camps at Key West and Charleston In this study Sharla Fett reconstructs the social world of these recaptives and recounts the relationships they built to survive the holds of slave ships American detention camps and ultimately a second transatlantic voyage to Liberia Fett also demonstrates how the presence of slave trade refugees in southern ports accelerated heated arguments between divergent antebellum political movements from abolitionist human rights campaigns to slave trade revivalism that used recaptives to support their claims about slavery slave trading and race By focusing on shipmate relations rather than naval exploits or legal trials and by analyzing the experiences of both children and adults of varying African origins Fett provides the first history of U S slave trade suppression centered on recaptive Africans themselves In so doing she examines the state of recaptivity as a distinctive variant of slave trade captivity and situates the recaptives story within the broader diaspora of Liberated Africans throughout the Atlantic world
