## **The Young Investors Guide To Retiring Young:**

The Young Investor's Guide to Retiring Young Monte Malhotra, 2007-04 Monte has been investing for over half of his life. From his experiences he wrote this book to help investors fully utilize their money to its full potential and to help investors succeed in investments such as bonds, stocks, mutual funds, index funds, ETFs, and real estate. With the money saving and investing techniques described in this book, investors can significantly grow their income, allowing them to live their dreams of a rich life and an even richer dream of retirement. The book also features a section titled "Advice from the Experts" with people from different finance backgrounds giving you years of wisdom and industry tips to help you succeed with your portfolio.

*The New Working Woman's Guide to Retirement Planning* Martha Priddy Patterson, 2000 An attorney specializing in employee benefits law describes why saving for retirement is more challenging for women than for men and provides practical advice on saving and investing for retirement. Includes updated information on new retirement options such as Roth IRAs, cash balance plans, SIMPLE plans, and coverage of 401 k plans, as well as discussing the future of Social Security.
